

# IOLANI SCHOOL

OFFICE OF ADMISSION

Fall 2009

Dear Parents,

Thank you for considering Iolani School. I realize you have many excellent choices for education in Hawaii, and appreciate your interest in us. Applying to a private school can be a stressful undertaking, and my sincere hope is to make the process as clear and simple as possible. Since kindergarten admission is competitive and our testing capacity is limited, the following information is provided to assist you.

- Our application deadline is October 30, 2009. We do our best to accommodate all who wish to apply, however testing spaces are limited. We encourage you to submit your application as early as possible.
- The application process is divided into three steps. Completing the application is the first step, testing (two types) is the second, and submitting the required documents is the third step.
- Appointments for testing, typically, one in the fall, and one in December, January or February, will be scheduled when we receive your completed application. A brief description of the two types of testing is included in this packet.
- A confirmation letter will be sent to you regarding test dates and times. If you do not receive a letter, please contact our office.

As you might imagine, the Admission Committee finds it very difficult to select just 70 children among our many fine applicants! I want to assure you that your child's application will receive our most thorough consideration. If you have any questions, please do not hesitate to contact our office.

Sincerely,

Kelly Monaco

Associate Director of Admission
