Registration Information

Handbook Acknowledgment

Before registering, please carefully read through the After School Programs Handbook, found at www.iolani.org/after-school-programs.

How to Register

After School Programs registration must be completed online using the CampBrain portal found at 'Iolani's website (www.iolani.org/after-school-programs). Registrations will not be accepted by telephone, email, fax, or walk-in. Registrations received prior to your child's assigned date and time as well as incomplete registrations will not be accepted. Registration fills quickly and program spaces are limited, so we recommend registering at the opening time.

You may check the status of your selected courses three to five business days after registration. The course status will appear as "Registered" if the student's enrollment is confirmed.

Waitlist

The maximum class sizes range from 12 to 20 students. Classes tend to fill quickly during registration. If your child is placed on the waitlist, there is no guarantee of placement in the course. Waitlists are processed as space becomes available. The Special Programs Office will notify the parent/guardian if unable to accommodate the waitlist request up to the start date of the program.

Tuition and Fees

Tuition payment in full is due at the time of registration. You may pay by Visa, American Express, or Mastercard.

Withdrawal and Refund Policies

Students or parents who initiate course withdrawals after submitting their registration will be subject to a refund based on the date when the Special Programs Office receives written email notification from parents for the child's withdrawal.

Once the registration has been processed, the maximum amount of refund will be 50% of each course. The following schedule determines the amount of the refund:

- 50% refund until Tuesday, January 9, 2024
- No refunds will be made after Wednesday, January 10, 2024

There are no refunds or prorated billing for course time missed. The course fee applies regardless of how many days a child participates in the program. There will be no refunds for unused days.

Course Changes

Students or parents who initiate course changes (replacing one course for another, requesting time changes) after submitting their registration will be charged \$50 for each change requested. No course changes will take place after two meetings of the course.

Courses cannot be dropped or changed online via CampBrain.

Please email SPO@iolani.org for any changes to the schedule. Include your child's full name and the changes you would like to make.

Canceled Courses

Courses may be canceled due to insufficient enrollment. If this occurs, parents will be notified via email and we will assist you in finding an alternative class, if available, for your child.

Late Registration

For After School Programs registrations outside the registration dates, please email spo@iolani.org; a late fee of \$75 will be charged if space is available.

Tennis

Welcome to the 'Iolani tennis program where students of all ages and skill levels learn to play “the sport for a lifetime” in a fun and nurturing environment. The many benefits tennis provides include the physical and psychological development of the student where challenges engage the body and mind. Perseverance, problem solving, and learning to work with others are traits formed through the process. The 'Iolani tennis classes are part of a developmental pathway where students matriculate from one skill level to the next as they make progress.

Group class offerings range from Kindergarten through the Upper School where the size of the court, racket, and ball are age and skill appropriate. We have adopted the USTA “10 and under tennis” format where the play area and rackets start off small for younger students and progressively get larger as students age up. The tennis programs have been established with three phases, taking into account the age and experience of each student. Each phase will focus on technical fundamentals, patterns of play, and match play appropriate for the skill level. Tennis rackets will be provided, if needed.

The phases are as follows:

1. Beginner – Advanced Beginner (0–3 years experience, grades K–6)
 - a. Classes are offered up to two times per week to students just starting the sport with 0–2 years of experience. There will be a maximum of 24 students per class.
 - b. Red Ball Lessons (K–1)
 - c. Orange Ball Lessons (2–3)
 - d. Green Ball Lessons (4–6)
2. Yellow Ball Lessons (3+ years experience, grades 7–9)
 - a. Classes are offered twice a week to those who aspire to play on ILH tennis teams. There will be a maximum of 24 students per class.
 - b. Yellow Ball Lessons (7–9) Students should wear athletic shoes and bring a water bottle and tennis racket, if available. Tennis rackets will be provided as needed. Please see individual course descriptions for more details.

PRIVATE LESSONS

Private lessons are offered to those students who request one on one instruction. Fundamental stroke production, foot work, and point development are the three areas of training focused on in private training.
