Entering Grades K-6

Program Information

Lower School Summer Programs offer a diverse range of enrichment and academic reinforcement courses to students entering grades (EG) Kindergarten to 6 on the 'Iolani School campus. A variety of class durations are offered and include three-week and six-week courses. Courses are designed to meet students' needs not only in preparation for the regular school year, but also in subjects of interest and opportunities for exploration, self-expression and creativity.

'Iolani Summer Programs welcomes 'Iolani and visiting students to experience the ONE TEAM ethos that shapes and defines our programs which foster educational excellence and personal growth in an environment that values collaboration, humility, and respect for all community members.

Before registering for classes, we kindly ask that you carefully read through the Summer Catalogue and Handbook with your child to learn more about our programs and their requirements.

Program Eligibility

- » Lower School Summer Programs are open to current and newly enrolling 'Iolani students, 'Iolani Kindergarten applicants, and visiting students attending other schools
- » Students should enroll in courses for the grade level they will enter in the fall 2025-2026 school year; check course descriptions for eligibility
- » Lower School Summer Programs operate similar to a regular school day, where students are expected to begin each day with morning classes. Afternoon courses are available to students who are also enrolled in morning courses. Lower School students may not register for afternoon courses only.
- » Courses with limited enrollment eligibility are noted in the course description
- » Current 'Iolani students will have priority for course enrollments
- » Kindergarten courses are open to 'Iolani Kindergarten applicants
- » Students attending school during the regular school year in the state of Hawai'i and US mainland must turn 6 (six) years old before June 16, 2025 to register.
- » Students attending school during the regular school year outside the United States must turn 7 (seven) years old before June 16, 2025, and must complete additional forms to register. Please see the Requirements for International Students section of the Handbook.
- » Students who have been dismissed from 'Iolani for disciplinary reasons may not enroll in Summer Programs unless they have been readmitted to 'Iolani School and have approval by their Dean
- » Review additional requirements listed in the handbook

We look forward to your child being part of the 'Iolani ONE TEAM this summer!

» Registration & Payment

Handbook Acknowledgment

Before registering, please carefully read through the “Registration FAQ” page and other important information found in the Summer Programs Handbook at summer.iolani.org.

How to Register

Registration for 'Iolani Summer Programs must be completed online via the Summer Programs Registration Portal (CampBrain) found on the website (summer.iolani.org). No formal application is required for Summer Programs; simply register online on your assigned date and time for eligible courses.

Registrations will not be accepted by walk-in, email, telephone or fax. Registrations received prior to your child’s assigned date and time, as well as incomplete registrations, will not be accepted. Registration fills quickly and program spaces are limited, so we recommend registering at the opening time.

Course Selection

Please register your child for the grade level they will be **entering** in the fall.

Courses with limited enrollment eligibility are noted in the course description. Current 'Iolani students will have priority for all course enrollments. You may enroll in either Session 1 OR Session 2 classes, not both, as curriculum will repeat, unless otherwise noted in the course description.

****Lower School afternoon courses** are available to students who are also enrolled in morning courses. Students taking only morning classes must be picked up immediately after their last class and are not permitted to stay for lunch. For safety reasons, students must be supervised at all times, have continuous schedules without gaps, and may not wait unattended on campus at Autoline or in the Library. **Lower School students may not register for afternoon courses only.**

****Meal Plan** is only available to students registered for afternoon classes.

As you prepare your child’s summer class schedule, it is recommended that you carefully determine a list of preferred classes, along with 1-2 alternate classes in the event the first choice class is unavailable at the time of registration.

The “Course Planning Worksheet” may be used to help map out your child’s class schedule and preferences.

Waitlists

Maximum class sizes range from 12 to 24 students, and courses tend to fill quickly during registration. If your child is signed up on the waitlist, there is no guarantee of placement in the course. Waitlists are processed as space becomes available. The Summer Programs Office will notify the parent/guardian via email if the student clears the waitlist or if unable to accommodate the waitlist request up to the start date of the program. Classes with exceptionally long waitlists will no longer be accessible on the Registration Portal. Please read the Handbook for additional details.

Tuition and Fees

The tuition payment in full is due at the time of online registration. You may pay by Visa, Mastercard, or American Express during online registration. Class prices are listed with the courses. Registration is not complete until paid for and submitted through the Registration Portal. Upon submission, you will receive a confirmation email.

Withdrawal and Refund Policy

Students or parents who initiate course withdrawals after submitting their registration will be subject to a refund based on the date when the Summer Programs Office receives written notification from parents for the student’s withdrawal. Any changes should be submitted via email to LSummer@iolani.org (gr. K-6).

Once the registration has been processed, the following schedule determines the amount of the refund:

- 100% refund (less \$50 processing fee) within 48 hours of submitting registration
- 75% refund through Friday, April 25
- 50% refund through Friday, May 9
- No refunds after Friday, May 9

There are no refunds or prorated billing for course time missed. The course fee applies regardless of how many days a child participates in the program. There will be no refunds for unused days.

Course Additions and Changes

Any requested changes should be submitted via email to LSummer@iolani.org (gr. K-6). Change requests are subject to approval.

Students or parents who initiate course changes (replacing one course for another, requesting time changes) after submitting their registration will be charged \$50.00 for each change requested. Course changes after the course begins will incur a \$100.00 charge. No course changes permitted after the first two meetings of the course.

Courses cannot be dropped or changed online. Please email LSummer@iolani.org (gr. K-6) with your child’s full name, grade and details of your change request.

Canceled Courses

Courses may be canceled due to insufficient enrollment or at the discretion of the Summer Programs Office. If this occurs, parents will be notified via email and we will assist you in finding an alternative course for your child, if space is available.

» Registration & Payment

Late Registration

Online registration will close on Friday, May 9 for ALL summer programs. Please contact LSsummer@iolani.org with the student's name, grade level, and desired course if you would like to register after May 9. Online registration will not be available after that date.

If there is space in the desired course after the registration close date, a \$100.00 late fee per course will be assessed prior to course placement.

International Student Requirements

We welcome visiting international students to 'Iolani Summer Programs! Please [CLICK HERE](#) for more information on International Student Requirements

Eligibility

AGE: Students attending school during the regular school year outside the United States must turn 7 (seven) years old before June 16, 2025

ENGLISH PROFICIENCY: Students must possess a proficient level of English comprehension and communication to participate in summer courses

2025 SUMMER REGISTRATION DATES

Registration will open at 12:00 p.m. noon, Hawaii Standard Time

Current 'Iolani Student Registration

February 25 (Tuesday) - entering grades 7 and 8

February 27 (Thursday) - entering grade 9

March 4 (Tuesday) - entering grades 10-12

March 6 (Thursday) - entering grades 4-6

March 11 (Tuesday) - entering grades 2 and 3

March 13 (Thursday) - entering grade 1

Visiting Student Registration opens:

March 17 (Monday)- Siblings of current 'Iolani students (Grades 1-12), newly enrolling 'Iolani grades 6-12 students, 'Iolani Kindergarten applicants

March 18 (Tuesday) - grades 7-12

March 19 (Wednesday) - grades 1-6

Registration will close on Friday, May 9 for ALL summer programs. No refunds after May 9.

» K-1 Morning Courses

Kick Start Kindergarten

6 weeks (June 16 - July 25) 7:30am - 11:25am

\$1,030

**Open to 'Iolani Kindergarten applicants for the 2025 - 2026 School Year ONLY*

This class will uncover some of the wonder involved in the day-to-day life of Kindergarten at 'Iolani School. Students will explore and begin to understand classroom expectations via art, music, math, writing, and reading. Since Kindergarten is the entry point to a formal education, students will begin to understand the etiquette required for a successful learning experience as an 'Iolani Raider. Students will develop meaningful work habits through persistence and will practice readiness by applying past knowledge to new situations. Your child will participate in a classroom that supports creating, imagining, and innovating. Kindergarten, here I come!

Kick Start Kindergarten

Session 1 (June 16 - July 3) 7:30am - 11:25am

Session 2 (July 7 - July 25) 7:30am - 11:25am

\$625

**Open to 'Iolani Kindergarten applicants for the 2025 - 2026 School Year ONLY*

Select Session 1 OR Session 2 as course material will repeat

This class will uncover some of the wonder involved in the day-to-day life of Kindergarten at 'Iolani School. Entering Grade 1

6 weeks (June 16 - July 25) 7:30am - 11:40am

\$1,030

Entering Grade 1 offers incoming first graders a chance to build upon the fundamentals developed during the school year to ensure a smooth transition into the next grade level. The primary goal of this course is to establish the solid foundation required for entering first grade using engaging content in an interactive format designed to help students develop a love of reading and a passion for math!

The morning is scheduled into separate instructional times focused on reading, writing, and math. Rising grade 1 students will engage in activities to sharpen their language arts skills such as handwriting, sight word recognition, decoding words, and reading comprehension. The math curriculum emphasizes counting exploration, comparing numbers, recognizing number patterns and other concepts using manipulatives and hands on strategies to make learning math fun. Opportunities to work with Common Core Strategies are incorporated throughout the duration of this class.

Keiki O Ka Lā Kindergarten-Grade 1

Session 1 (June 16 - July 3) 7:30am - 11:40am

Session 2 (July 7 - July 25) 7:30am - 11:40am

\$600

Students may enroll in BOTH sessions.

Keiki o Ka Lā - the Sunshine Kids! We are the Sunshine Kids! Our program incorporates daily opportunities which focus on working as One Team, while exploring a variety of topics and themes. Lessons will intertwine science experiments, arts and crafts projects, music, geography, math, and language arts. We will explore our 'Iolani campus as we participate in outdoor adventures such as hugging trees, cloud watching, bug hunting, and bird walks. Children will enjoy learning more about our special island home as we share legends, knowledge of plants, animals, and Hawaiian games. Daily discussions will focus on brainteasers and problem solving strategies that continue to enable our keiki to build a healthy mind and body. We are Keiki O Ka Lā! Watch us shine!

Ocean Commotion Grade 1

Session 1 (June 16 - July 3) 7:30am - 11:40am

Session 2 (July 7 - July 25) 7:30am - 11:40am

\$600

Dive into the wonders of the ocean in this thrilling course! Let's explore the mysteries and marvels of marine life, from incredible sea creatures and fascinating plants to the unique habitats that make the underwater world so extraordinary. Through engaging stories and creative projects, students will plunge into the depths of their curiosity and uncover the secrets of the deep sea. Get ready to embark on this ocean adventure together and make a splash as we journey beneath the waves!

Power Up with STEAM Grade 1

Session 1 (June 16 - July 3) 7:30am - 11:40am

Session 2 (July 7 - July 25) 7:30am - 11:40am

\$600

Young builders will harness the power of STEAM (science, technology, engineering, art, math) to address both real-life challenges and those from storybooks. Employing the engineering and design process, students will construct a new bridge for the Billy Goats Gruff and devise creative solutions for challenges within the K-1 Community. Additionally, students will gain proficiency in utilizing green screen technology and engage in scientific experiments, math problem-solving, and imaginative art projects to further power up their skills.

» Grades 2-3 Morning Courses

Entering Grade 2 - Language Arts

6 weeks (June 16 - July 25) 7:30am - 9:25am

OR 9:45am - 11:40am

\$600

Entering Grade 2 Language Arts offers incoming second graders a chance to build upon the fundamentals developed during the school year to ensure a smooth transition into the next grade level. The primary goal of this course is to establish the solid foundation required for entering second grade using engaging content in an interactive format design to help students develop a love for reading and writing.

Our language arts goal is for summer students to develop a love of reading and writing that is strong enough to keep pencils and journals in their hands all through the summer months and straight into second grade! Reading and writing are reciprocal processes, therefore instruction is taught together.

Entering Grade 2 - Math

6 weeks (June 16 - July 25) 7:30am - 9:25am

OR 9:45am - 11:40am

\$600

Entering Grade 2 Math offers incoming second graders a chance to build upon the fundamentals developed during the school year to ensure a smooth transition into the next grade level. The primary goal of this course is to establish the solid foundation required for entering second grade using engaging content in an interactive format design to help students develop a passion for math.

The math curriculum emphasizes data interpretation, measuring concepts, as well as identifying, composing, and partitioning shapes. As math detectives, students will investigate and implement new strategies that they learn. Opportunities to work with Common Core Strategies are incorporated throughout the duration of this class.

Entering Grade 3 - Language Arts

6 weeks (June 16 - July 25) 7:30am - 9:25am

OR 9:45am - 11:40am

\$600

Entering Grade 3 Language Arts offers incoming third graders a chance to build upon the fundamentals developed during the school year to ensure a smooth transition into the next grade level. The primary goal of this course is to establish the solid foundation required for entering third grade using engaging content in an interactive format designed to help students develop a love for reading and writing.

Language Arts units will engage students through a range of sources drawing from fiction, non-fiction, fairy tales and fantasy building foundational reading skills. Engaging with a variety of texts, students will strengthen their reading comprehension and inference skills. Students will cycle through the writing process and become more independent writers learning to apply their creative voice to their work.

Entering Grade 3 - Math

6 weeks (June 16 - July 25) 7:30am - 9:25am

OR 9:45am - 11:40am

\$600

Entering Grade 3 Math offers incoming third graders a chance to build upon the fundamentals developed during the school year to ensure a smooth transition into the next grade level. The primary goal of this course is to establish the solid foundation required for entering third grade using engaging content in an interactive format designed to help students develop a passion for math.

Incoming third graders will learn the importance of place value and how it connects to all areas of mathematics. Basic rounding will be reinforced, along with foundational computation skills for addition and subtraction. They will explore various problem solving strategies, discovering there are a myriad of ways to arrive at a reasonable solution to solve the mystery of the word puzzle. Opportunities to work with Singapore Math and Common Core Strategies are incorporated throughout the duration of this class.

Beginner's Code Camp Grade 2-3

Session 1 (June 16 - July 3) 7:30am - 9:25am

OR 9:45am - 11:40am

\$405

Session 2 (July 7 - July 25) 7:30am - 9:25am

OR 9:45am - 11:40am

\$435

Dive into the exciting world of coding! Through fun, interactive projects, young learners will explore basic programming concepts using kid-friendly platforms that transform complex ideas into playful experiences. Students will create animations, design simple games, and solve digital challenges while building confidence in their technological skills. No prior computer experience needed - just bring your curiosity and imagination! Please email hello@keikicoders.com with questions. Class presented by Keiki Coders.

Breaks R4 Kidz Grade 2-3

Session 1 (June 16 - July 3) 9:45am - 11:40am

\$430

Session 2 (July 7 - July 25) 9:45am - 11:40am

\$490

Students may enroll in BOTH sessions. With the 2024 Olympics putting Breakin back into the mainstream, kids and parents all over the world are being inspired to be part of Hip-hop culture. Learning the art/sport of Breakin, our students will be educated in the history of how Breakin started in the Bronx, and how it came to Hawai'i before the mainstream movie boom of the 1980's. At the end of the session we will have an in-school performance showcasing all the projects and dance moves students worked on over the three weeks.

Students come in as a random group of kids in the beginning of the session and leave as a part of the Soul Raiders Crew. If your kid is looking for a new challenge, join us! Class presented by Breaks R4 Kidz. This class combines students grades 2-6.

» Grades 2-3 Morning Courses

Camp S'More! Grade 2-3

Session 1 (June 16 - July 3) 7:30am - 9:25am
OR 9:45am - 11:40am

Session 2 (July 7 - July 25) 7:30am - 9:25am
OR 9:45am - 11:40am

\$380

Ignite your passion for reading while delving into the finest books beneath the stars! Throughout our camping-themed days, we'll fully engage in both reading and writing, emphasizing deep comprehension. And what's a camp without some enjoyable camp crafts thrown into the mix? Join your fellow campers as we follow the trail that unveils the discovery of your inner reader!

Digit Detectives Grade 2-3

Session 1 (June 16 - July 3) 7:30am - 9:25am
OR 9:45am - 11:40am

Session 2 (July 7 - July 25) 7:30am - 9:25am
OR 9:45 am - 11:40 am

\$380

Explore the world of mathematics through problem-solving, collaboration, and daily Number Talks. Students will explore and enhance their understanding of addition and subtraction through hands-on activities and will refine their fluency, logic, and reasoning through an action-packed summer of fun!

Discover Hawai'i Grade 2-3

Session 1 (June 16 - July 3) 7:30am - 11:40am

Session 2 (July 7 - July 25) 7:30am - 11:40am

\$625

E komo mai! Welcome to Discover Hawai'i, a captivating course that seamlessly integrates Hawaiian culture and history with language arts and science. Over the course of three weeks, students will embark on a journey to explore the eight major islands, gaining insights into their unique features and cultural significance.

This immersive experience goes beyond traditional learning, offering students a chance to delve into the rich tapestry of Hawai'i's landscapes and traditions. Through a combination of classroom sessions and enriching field trips, participants will deepen their understanding of the islands' geographical, historical, and cultural aspects.

Groove Academy Grade 2-3

Session 1 (June 16 - July 3) 7:30am - 9:25am
OR 9:45am - 11:40am

Session 2 (July 7 - July 25) 7:30am - 9:25am
OR 9:45am - 11:40am

\$380

Get ready to move, groove, and express yourself in Groove Academy! This high-energy dance class introduces students to the exciting styles of dance. Each week focuses on a new style, allowing students to build coordination, flexibility, and confidence while learning fun choreography. Alongside dance techniques, students will explore the creative elements of movement and even have the chance to create their own routines. The class culminates in a lively performance where students will showcase their skills and creativity for family and friends. Groove Academy is the perfect blend of fun, self-expression, and teamwork—an unforgettable summer experience for young dancers! All skill levels are welcome. Instruction and choreography will be tailored to suit the dancer's age and experience level. This class combines students grades 2-6.

Introduction to French Grade 2-3

Session 1 ONLY (June 16 - July 3) 7:30am - 9:25am

OR 9:45am - 11:40am

\$380

This immersive and dynamic course is designed for elementary school beginners eager to embark on a delightful 3-week journey into the French language and culture. Through a combination of engaging activities, games, songs, cooking sessions, and both indoor and outdoor play, students will develop a solid foundation in French vocabulary and basic language skills.

Keiki Music Adventures Grade 2-3

Session 1 (June 16 - July 3) 7:30am - 9:25am

OR 9:45am - 11:40am

Session 2 (July 7 - July 25) 7:30am - 9:25am

OR 9:45am - 11:40am

\$380

Embark on a fun-filled musical journey in Keiki Music Adventures! Join us this summer as we explore music from world cultures, play instruments, and learn music theory. Students will participate in a variety of play-based activities such as singing, instrument playing, improvisation, composition, dancing, and teamwork-based games. The songs and games will incorporate a variety of world cultures from Japan, China, the Philippines, Korea, Africa, and Hawai'i. Examples of the types of instruments playing include xylophones, 'ukulele, hand drums, and other percussion instruments. This course will inspire the joy of music and a strong sense of community, musical appreciation, and cultural understanding among our keiki. Whether it's tapping a djembe from West Africa, playing a traditional music game, or learning a song in another language, Keiki Music Adventures will provide a hands-on, playful experience that celebrates the joy of music and cultural exploration. Join us for a summer full of discovery, movement, and music-making!

Logic Lab Grade 2-3

**Session 1 (June 16 - July 3) 7:30am - 9:25am
OR 9:45am - 11:40am**

Session 2 (July 7 - July 25) 7:30am - 9:25am

**OR 9:45am - 11:40am
\$380**

Discover the magic of problem-solving! This fun-filled class teaches kids the foundations of logical reasoning and creativity. Through interactive projects like designing structures, playing games, solving brain-teasers, and creating simple tools, students will develop the skills to think critically, plan carefully, and solve challenges confidently.

This class fosters a growth mindset, encouraging students to embrace challenges and learn from mistakes. By the end of the course, children will have sharpened their analytical skills, boosted their confidence in tackling problems, and discovered the joy of logical thinking. Join us in Logic Lab for a summer of discovery, where every challenge becomes an opportunity for growth and every solution sparks a new adventure in thinking!

Mālama 'Āina: Backyard Exploration Grade 2-3

**Session 1 (June 16 - July 3) 7:30am - 9:25am
OR 9:45am - 11:40am**

Session 2 (July 7 - July 25) 7:30am - 9:25am

**OR 9:45am - 11:40am
\$380**

This fun summer course introduces young keiki to the wonders of nature in Hawai'i and beyond. Students will learn about local plants and animals, discover how to take care of our environment, and join in exciting eco-friendly activities. Through outdoor adventures, simple science experiments, and Hawaiian cultural practices, children will develop a love for nature and learn how to be good caretakers of our islands. The course combines Hawaiian knowledge with easy-to-understand global environmental ideas, perfect for nurturing young, earth-loving citizens. By the end, keiki will have a greater appreciation for Hawai'i's natural beauty and understand how it connects to the wider world.

Mastering the Art of Fancy Writing Grade 2-3

**Session 1 ONLY (June 16 - July 3) 7:30am - 9:25am
OR 9:45am - 11:40am**

\$380

Welcome to this whimsical and enchanting course designed for creative young minds. This class is a delightful exploration of the world of beautiful and expressive writing, where students will embark on a journey to enhance their handwriting skills and discover the joy of fancy writing. Students will engage in fun art projects on this enchanting adventure that encourages young writers to express themselves with style and creativity. Join us in this magical journey where letters come to life, and every stroke tells a story!

Mission: Robot! Dash and Dot Coding Camp Grade 2-3

**Session 2 ONLY (July 7 - July 25) 9:45am - 11:40am
\$380**

Embark on an exciting adventure in Mission: Robot! Dash & Dot Coding Camp! This hands-on course introduces the basics of programming using the Blockly iPad app with Wonder Workshop's Dash and Dot robots. Students will tackle fun programming missions, design and build creative obstacle courses, and bring their robots to life with code. It's a perfect blend of problem-solving, creativity, and teamwork that will spark a love for robotics and coding!

Money Math Grade 2-3

Session 1 (June 16 - July 3) 7:30 am - 9:25 am

OR 9:45 am - 11:40 am

\$615

Session 2 (July 7 - July 25) 7:30 am - 9:25 am

OR 9:45 am - 11:40 am

\$695

Designed for our younger students, this program serves as a real-life math lab where students practice their computational skills and develop a foundation in financial literacy. Students participate in money math games and activities that help them internalize how they can use their math skills in everyday life. Class presented by SPARK Business Academy.

Movement Fun with Circus Olina Grade 2-3

Session 1 (June 16 - July 3) 9:45am - 11:40am

\$425

Session 2 (July 7 - July 25) 9:45am - 11:40am

\$475

Students may enroll in BOTH sessions. In this course your child will be moving a lot! The course combines fun games, stretching exercises, jump roping, hula hooping, balance and coordination activities for grades 2-6. Our PE-style games will challenge everyone's agility, speed, and teamwork skills. Furthermore, your child will learn different circus disciplines like juggling, spinning plates, Chinese yo-yo, walking across the balance beam, tightrope and so much more. All activities are designed in a creative, fun, and engaging way. All these activities help children improve their muscle tone, increase balance, and develop better equilibrium reactions. Join us for a fun and engaging course! If you have any questions regarding this course, please contact Circus Olina directly via circusolina@gmail.com. Class presented by Circus Olina.

Ocean Odyssey Grade 2-3

Session 1 (June 16 - July 3) 7:30am - 9:25am
OR 9:45am - 11:40am

Session 2 (July 7 - July 25) 7:30am - 9:25am

OR 9:45am - 11:40am
\$395

Plunge into the depths and uncover the secrets of oceanic creatures. Learn about their habitats and discover ways to ensure the safety of our oceans. Delve into the intricacies of our island ecosystem, uncovering the unique features that make Hawaiian waters so extraordinary! Through engaging projects and activities, students will seamlessly blend reading, writing, science, and art to gain a profound understanding of the wonders within our captivating underwater world.

Passport to Discovery Grade 2-3

Session 1 (June 10 - June 28) 7:30am - 9:25am
OR 9:45am - 11:40am

Session 2 (July 7 - July 25) 7:30am - 9:25am

OR 9:45am - 11:40am
\$380

Ohayoo gozaimasu! Cómo estás? Join us on a fantastic adventure to countries around the world! This interdisciplinary course engages students on a world expedition of learning through a balanced blend of social studies, reading, writing, and creative arts. Throughout the class, students will apply their critical thinking skills as they explore geography and cultural traditions. Creative drama and music activities will enhance their understanding and appreciation of different cultures. Fun and exciting arts and crafts projects will tap students' creativity, while cooking cultural cuisines will tease their taste buds! Enrich your child's experience this summer with a passport to discovery!

Pokemon Masters Card League Grade 2-3

Session 1 (June 16 - July 3) 9:45am - 11:40am
\$455

Session 2 (July 7 - July 25) 9:45am - 11:40am
\$525

Calling all Pokémon trainers, collectors and fanatics! Prepare yourselves to evolve to the next level as you learn the official rules of the Pokémon Trading Card game, play and build your very own deck and battle to earn powerful cards and strategic advantages against your opponents. Then boost your design and photography skills as you capture amazing images of wild Pokémon and design a custom printed Pokémon card to add to your collection. Trainers will also learn investing tips and tricks to turn their card collection into a Pokémon goldmine! All participants will receive their own deck, additional cards, and a custom Pokémon card to take home. Class presented by Wrenn Okada Photography + Design. This class combines students grades 2-6.

STEM Design with LEGO Grade 2-3

Session 1 (June 16 - July 3) 9:45am - 11:40am
\$455

Session 2 (July 7 - July 25) 9:45am - 11:40am
\$525

Motors, gears, axels and bricks! Oh my! Students will master their engineering and design skills with tens of thousands of LEGO components while applying real world concepts in physics, engineering, design and architecture. Students will collaborate and build like never before, and explore their wildest designs in a supportive environment while building STEM-based LEGO projects such as Mechanized Walkers, Motorized Tanks, Conveyor Belts, 10-foot tall Skyscrapers and much more! New and returning students will learn through play to design and engineer at the next level and all materials will be provided. Class presented by Wrenn Okada Photography + Design.

Summer ARTlab Grade 2-3

Session 1 (June 16 - July 3) 7:30am - 9:25am
OR 9:45 am - 11:40 am

Session 2 (July 7 - July 25) 7:30am - 9:25am

OR 9:45am - 11:40am
\$395

Experience ARTlab! Taking inspiration from popular illustrators and famous artists, students will learn about and use the seven elements of art to explore their imaginations and express their creativity. Students will record what they learn in an art journal, do art projects every day, and reflect upon their masterpieces. A robust art portfolio will be the end result of a fun and engaging 3 weeks! (Optional: extra large T-shirt, art smock or apron)

» Grades 4-6 Morning Courses

Entering Grade 4 - Language Arts

6 weeks (June 16 - July 25) 7:30am - 9:25am

OR 9:45am - 11:40am

\$600

Entering Grade 4 Language Arts offers incoming fourth graders a chance to build upon the language arts fundamentals developed during the school year to ensure a smooth transition into the next grade level. The primary goal of this course is to establish the solid foundation required for entering fourth grade using engaging content in an interactive format designed to help students develop a love for reading and writing.

Students apply themselves to read with purpose, understanding, accuracy, and expression to become stronger readers. Lessons teach students to identify main ideas and to use context to decipher unknown vocabulary. Students are introduced to identifying and writing topic sentences as well as supporting details to better understand the main idea. With guidance and assistance, students apply the planning and editing process to different types of writing, including narrative, informational writing, and opinion.

Entering Grade 4 - Math

6 weeks (June 16 - July 25) 7:30am - 9:25am

OR 9:45am - 11:40am

\$600

Entering Grade 4 Math offers incoming fourth graders a chance to build upon the math fundamentals developed during the school year to ensure a smooth transition into the next grade level. The primary goal of this course is to establish the solid foundation required for entering fourth grade using engaging content in an interactive format designed to help students develop a passion for math.

Students improve their math skills by applying appropriate interpretation strategies to solve word problems. The four basic operations are reinforced and students also use rounding and estimation to solve problems. The review of equations helps to prepare students for fourth grade. Opportunities to work with Common Core strategies are incorporated throughout the duration of this class.

Entering Grade 5 - Language Arts

6 weeks (June 16 - July 25) 7:30am - 9:25am

OR 9:45am - 11:40am

\$600

Entering Grade 5 Language Arts offers incoming fifth graders a chance to build upon the language arts fundamentals developed during the school year to ensure a smooth transition into the next grade level. The primary goal of this course is to establish the solid foundation required for entering fifth grade using engaging content in an interactive format designed to help students develop a love for reading and writing.

Reading activities promote students' abilities in sifting through information to find important and relevant parts of the text to summarize ideas. Using the summer required reading text for all 'Iolani entering fifth graders, students review and apply reading strategies in preparation for the school year. Students will also practice narrative writing, learning key concepts to improve their essay and idea-based writing. Learning about different memoir structures, students learn to focus on strengthening their expository and narrative writing skills.

Entering Grade 5 - Math

6 weeks (June 16 - July 25) 7:30am - 9:25am

OR 9:45am - 11:40am

\$600

Entering Grade 5 Math offers incoming fifth graders a chance to build upon the math fundamentals developed during the school year to ensure a smooth transition into the next grade level. The primary goal of this course is to establish the solid foundation required for entering fifth grade using engaging content in an interactive format designed to help students develop a passion for math.

A strong basis for fifth grade math will be reinforced with a focus on multiplying and dividing up to four digits by one or two digits and fluently adding and subtracting multi-digit whole numbers using the standard algorithm. Opportunities to work with Common Core Strategies are incorporated throughout the duration of this class.

» Grades 4-6 Morning Courses

Entering Grade 6 - Language Arts

6 weeks (June 16 - July 25) 7:30am - 9:25am

OR 9:45am - 11:40am

\$600

Entering Grade 6 Language Arts offers rising sixth graders a chance to build upon the language arts fundamentals developed during the school year. The primary goal of this course is to establish the solid foundation required for entering the sixth grade using engaging content in an interactive format designed to help students develop a further love and understanding for reading and writing.

Reading activities that promote analysis, interpretation, outlining and note-taking will be addressed. Book clubs and summer reading will help students review and apply reading strategies to prepare for sixth grade. Focus will also be on reviewing key concepts to improve their writing skills.

Entering Grade 6 - Math

6 weeks (June 16 - July 25) 7:30am - 9:25am

OR 9:45am - 11:40am

\$600

Entering Grade 6 Math offers incoming sixth graders a chance to build upon the math fundamentals developed during the school year. The primary goal of this course is to establish the solid foundation required for entering sixth grade using engaging content in an interactive format designed to help students develop a passion for math. Students will review fractions and decimals in math while strengthening their problem-solving skills. Opportunities to work with Common Core Strategies are incorporated throughout the class.

Kick Start 6

6 weeks (June 16 - July 25) 7:30 am - 9:25 am

OR 9:45am - 11:40am

\$625

Reserved for rising and newly enrolled 'Iolani grade 6 students. This class will include the essential review and skill formation needed to begin the important transition to sixth grade at 'Iolani School. As LEADERS of the Lower School, Kick Start 6 will lay the foundation for academic success, encourage social and emotional well being, and highlight new ways to engage in the ONE TEAM culture.

Students will strengthen skills for reading and writing related to both fiction and non-fiction. Analysis, interpretation, outlining, and notetaking will be emphasized through Social Studies and Language Arts. Students will review fractions and decimals in math while strengthening their problem-solving skills. In science, students will practice their measurement skills and apply their creative skills to a variety of engineering design and STEM projects. A comprehensive orientation to Google Classroom and iPad usage, as well as study tips and organizational skills will be a critical part of this class. On Fun Fridays, students will meet new friends, get familiar with the campus, and learn all about being a Raider! All books and materials are included in the course fee.

Kick Start 6

Session 1 (June 16 - July 3) 7:30am - 9:25am

Session 2 (July 7 - July 25) 7:30am - 9:25am

\$400

Reserved for rising and newly enrolled 'Iolani grade 6 students. This class will include the essential review and skill formation needed to begin the important transition to sixth grade at 'Iolani School. As LEADERS of the Lower School, Kick Start 6 will lay the foundation for academic success, encourage social and emotional well being, and highlight new ways to engage in the ONE TEAM culture.

Three-week sessions will cover EITHER Language Arts and Social Studies OR Math and Science. Subjects will be determined by enrollment and class balancing. Both sessions will include a comprehensive orientation to Google Classroom and iPad usage, as well as study tips and organizational skills. On Fun Fridays, students will meet new friends, get familiar with the campus, and learn all about being a Raider! All books and materials are included in the course fee.

Adventures in Minecraft Grade 4-6

Session 1 (June 16 - July 3) 7:30am - 9:25am

OR 9:45am - 11:40am

Session 2 (July 7 - July 25) 7:30 am - 9:25 am

OR 9:45am - 11:40am

\$395

Students may enroll in BOTH sessions. Students should select only one class time per Session.

Adventurers will use Minecraft to explore and build in a virtual world while learning about science, technology, engineering, and math (STEM) concepts. Students will work on a variety of projects that challenge them to use their creativity and problem-solving skills to design and build complex structures, take a voyage on the Hokulea, travel to Mars as they build their own NASA rockets, build a thriving economy and world government, and much more. This class is perfect for both Minecraft newbies and enthusiasts alike and for students who are interested in learning about STEM in a fun and interactive way. No prior Minecraft experience is required and each class offers new and different challenges and projects for returning students.

» Grades 4-6 Morning Courses

Artful Equations Grade 4-6

**Session 1 (June 16 - July 3) 7:30am - 9:25am
OR 9:45am - 11:40am**

Session 2 (July 7 - July 25) 7:30am - 9:25am

OR 9:45am - 11:40am

\$395

In this captivating summer course, mathematical concepts and artistic expression blend in perfect harmony. Students will uncover the hidden connections between geometry and drawing, fractions and color theory, and symmetry and design. Through hands-on activities and collaborative projects, they'll create stunning visual art pieces while reinforcing key math skills. From tessellations to fractals, from golden ratios to perspective drawing, each lesson reveals the beauty that emerges when logic meets creativity. By the end of the class, students will have sharpened their problem-solving abilities and unlocked new avenues for self-expression. They'll see the world through fresh eyes, recognizing the mathematical patterns in nature and the artistic potential in equations. This class invites young minds to a realm where numbers and colors dance together, fostering a deep appreciation for both disciplines and inspiring a lifelong love of learning.

Artistic Design Adventure Grade 4-6

Session 1 ONLY (June 16 - July 3) 7:30am - 9:25am

OR 9:45 am - 11:40 am

\$395

Designers will embark on a creative journey as we explore various facets of design including laser cutting, 3D printing, sticker-making, and digital animation. Students will dive into the world of laser technology as they learn how to transform their ideas into laser-cut masterpieces. While exploring the basics of 3D design, students will learn slicing software and post-processing techniques to bring their creation to life. Students will also have the opportunity to express their creativity through sticker design and digital animation by utilizing graphic design and animation software. Bring your enthusiasm and let's get curious, creative, and excited about exploring new artistry techniques and technologies!

Breaks R4 Kidz Grade 4-6

**Session 1 (June 16 - July 3) 9:45am - 11:40am
\$430**

**Session 2 (July 7 - July 25) 9:45am - 11:40am
\$490**

Students may enroll in BOTH sessions. With the 2024 Olympics putting Breakin back into the mainstream, kids and parents all over the world are being inspired to be part of Hiphop culture. Learning the art/sport of Breakin, our students will be educated in the history of how Breakin started in the Bronx, and how it came to Hawai'i before the mainstream movie boom of the 1980's. At the end of the session we will have an in-school performance showcasing all the projects and dance moves students worked on over the three weeks.

Students come in as a random group of kids in the beginning of the session and leave as a part of the Soul Raiders Crew. If your kid is looking for a new challenge, join us! Class presented by Breaks R4 Kidz. This class combines students grades 2-6.

Comic Creators Grade 4-6

Session 1 (June 16 - July 3) 7:30am - 9:25am

OR 9:45am - 11:40am

Session 2 (July 7 - July 25) 7:30am - 9:25am

OR 9:45am - 11:40am

\$380

Unlock the secrets of graphic storytelling in this dynamic course. Immerse yourself in a world where creativity knows no bounds as we guide you through the art of crafting your own graphic narrative. From character design to plot development, you'll explore the fundamentals of sequential storytelling and gain hands-on experience in bringing your ideas to life on the comic canvas. Join us for an exhilarating journey where your imagination takes center stage, and your unique graphic story is unleashed. This course is perfect for aspiring graphic novelists, illustrators, and anyone eager to delve into the captivating realm of visual storytelling. Discover the power of your creative voice!

Experience the vibrant world of Korean culture this summer! Our engaging course introduces students to the rich tapestry of Korean life, both traditional and modern. You'll learn basic Korean phrases and greetings, taste and prepare popular dishes, and uncover Korea's fascinating history and folklore. We'll also examine contemporary Korean entertainment, including K-pop and popular media. Through hands-on activities, you'll create traditional arts and crafts, gaining a deeper appreciation for Korean cultural practices. From ancient palaces to bustling markets, kimchi to K-dramas, this class offers a fun and comprehensive introduction to the Land of the Morning Calm. Join us to experience the unique blend of tradition and innovation that defines Korea today!

Elementary Musical Theatre Grade 4-6

**Session 1 (June 16 - July 3) 7:30am - 9:25am
OR 9:45am - 11:40am**

Session 2 (July 7 - July 25) 7:30am - 9:25am

OR 9:45am - 11:40am

\$380

Students may enroll in BOTH sessions. Students should select only one class time per Session. This fun-filled course is designed to introduce students to the fundamentals of musical theatre. This class is a great starting point for young performers, and also will allow experienced performers to continue to develop the skills needed to be a musical theatre artist! In this class, students will experience the joy of singing, dancing, acting, and building community with each other. Students will participate in acting exercises, vocal drills, improv games, and learn a variety of songs from various musicals. A final performance at the end of the session will allow students the opportunity to showcase their work!

Groove Academy Grade 4-6

**Session 1 (June 16 - July 3) 7:30am - 9:25am
OR 9:45am - 11:40am**

Session 2 (July 7 - July 25) 7:30am - 9:25am

OR 9:45am - 11:40am

\$380

Get ready to move, groove, and express yourself in Groove Academy! This high-energy summer dance class introduces students to the exciting styles of dance. Each week focuses on a new style, allowing students to build coordination, flexibility, and confidence while learning fun choreography. Alongside dance techniques, students will explore the creative elements of movement and even have the chance to create their own routines. The class culminates in a lively performance where students will showcase their skills and creativity for family and friends. Groove Academy is the perfect blend of fun, self-expression, and teamwork—an unforgettable summer experience for young dancers!

All skill levels welcome. Instruction and choreography will be tailored to suit the dancer's age and experience level. This class combines students grades 2-6.

Hawai'i PhotoVentures Grade 4-6

Session 1 (June 16 - July 3) 7:30am - 9:25am

\$455

Session 2 (July 7 - July 25) 7:30am - 9:25am

\$525

Hawai'i PhotoVentures will introduce students into the awe-inspiring world of photography! Students will see the world in a fresh and unique perspective using the state-of-the-art Professional Sony Mirrorless Cameras, while developing skills in the arts of portrait, landscape, product and street photography. Students will learn the complete editing process through Adobe Lightroom and principles in composition, studio lighting, rule of thirds, indoor vs outdoor photography and much more will be explored while students shoot, edit, print and showcase their work in a take-home portfolio. Students will have access to professional Sony Mirrorless Cameras, lighting, props, tripods, backdrops and more. Once per week we will embark on a walking excursion to the surrounding area to explore and shoot off campus. The same curriculum will be taught in both sessions. All photography equipment will be provided and students will take home prints of their best photos along with a digital gallery of all their photos. Class presented by Wrenn Okada Photography + Design.

**For NEW students only. Students who took the class in prior summers should not enroll.

Ho'okele Pono: Navigating Hawaiian Culture and Service

Session 1 (June 16 - July 3) 7:30am - 11:40am

Session 2 (July 7 - July 25) 7:30am - 11:40am

\$625

Immerse yourself in the rich tapestry of Hawaiian traditions, values, and contemporary social issues this summer at 'Iolani School. This course weaves together cultural education and social awareness, fostering a sense of kuleana (responsibility) towards Hawai'i's land, people, and future.

Students will engage with diverse Hawaiian customs and traditions while examining pressing social challenges facing our communities today. Through a blend of classroom learning and hands-on experiences, participants will analyze current issues through cultural and historical lenses, contribute to a service-learning project benefiting local communities, and visit culturally significant sites across O'ahu. By connecting with cultural practitioners and community leaders, students will gain insights into creating positive change and develop critical thinking skills to address complex societal challenges. This course offers a unique opportunity to deepen understanding of Hawaiian culture and contemporary issues while making a meaningful impact on our island home.

Join us this summer for an enriching experience that bridges tradition and modern-day realities, preparing students to be informed and engaged members of our community.

Illusion Academy Grade 4-6

Session 1 (June 16 - July 3) 7:30am - 9:25am

Session 2 (July 7 - July 25) 7:30am - 9:25am

\$395

Unlock the secrets of spellbinding performances in Illusion Academy! Dive into the basics of magic where creativity, imagination, and STEM elements converge. Students will cultivate their magical identity, mastering the art of performance and storytelling. As they journey through this mystical experience, budding magicians will leave family and friends in awe, sprinkling their world with moments of wonder. Join us for an exploration of the magical arts, where every participant transforms into a budding magician, sharing the gift of enchantment with those around them.

Life Skills 101 Grade 4-6

Session 1 (June 16 - July 3) 7:30am - 9:25am OR 9:45am - 11:40am

Session 2 (July 7 - July 25) 7:30am - 9:25am OR 9:45am - 11:40am

\$380

Get ready for an exciting journey of self-discovery and practical learning in Life Skills 101! This dynamic course is designed to boost independence, confidence, and essential abilities that will serve students well in all aspects of life. Through engaging, hands-on activities, students will master a range of valuable skills such as organizing personal spaces, learning to take care of household chores, developing study habits, and practicing mindfulness. They'll enhance their social and emotional regulation skills, build executive functioning abilities, and learn to tackle household tasks with ease. Real-world scenarios and fun group projects make learning both enjoyable and effective. Join us for a summer of growth, laughter, and skill-building that will set the foundation for success at home, in school, and beyond!

Math Marvels Grade 4-6

Session 1 (June 16 - July 3) 7:30am - 9:25am

OR 9:45am - 11:40am

Session 2 (July 7 - July 25) 7:30am - 9:25am

OR 9:45am - 11:40am

\$365

Join us for an exciting summer of mathematical discovery in Math Marvels! This engaging course transforms math into an adventure playground. Through daily Number Talks, hands-on activities, and collaborative problem-solving, students will boost their math skills while having a blast. Young mathematicians will sharpen multiplication and division skills with fun, real-world challenges, develop problem-solving strategies through puzzles and games, and improve mental math abilities. From creating geometric art to solving math mysteries, Math Marvels offers a summer full of "aha!" moments. Students will build confidence in their math abilities, enhance logical thinking while reinforcing fraction and decimal concepts and discover the joy of mathematical reasoning. Don't miss out on this opportunity to turn summer into a season of mathematical wonder!

Mission: Spy Academy Grade 4-6

**Session 1 (June 16 - July 3) 7:30am - 9:25am
OR 9:45am - 11:40am**

Session 2 (July 7 - July 25) 7:30am - 9:25am

OR 9:45am - 11:40am

\$380

Welcome to Spy Academy, where students become secret agents in training! Young spies will develop skills in problem-solving, critical thinking, and teamwork through fun and interactive missions. From cracking secret codes and creating disguises to building gadgets and mastering stealthy maneuvers, students will explore the exciting world of espionage. Each day brings new challenges, culminating in a final mission where agents put their skills to the test. Are you ready to accept the mission?

Movement Fun with Circus Olina Grade 4-6

Session 1 (June 16 - July 3) 9:45am - 11:40am

\$425

Session 2 (July 7 - July 25) 9:45am - 11:40am

\$475

Students may enroll in BOTH sessions. In this course your child will be moving a lot! The course combines fun games, stretching exercises, jump roping, hula hooping, balance and coordination activities for grades 2-6. Our PE-style games will challenge everyone's agility, speed, and teamwork skills. Furthermore, your child will learn different circus disciplines like juggling, spinning plates, Chinese yo-yo, walking across the balance beam, tightrope and so much more. All activities are designed in a creative, fun, and engaging way. All these activities help children improve their muscle tone, increase balance, and develop better equilibrium reactions. Join us for a fun and engaging course! If you have any questions regarding this course, please contact Circus Olina directly via circusolina@gmail.com. Class presented by Circus Olina.

Petits Chefs Français: Baking French Treats Grade 4-6

Session 1 ONLY (June 16 - July 3) 7:30am - 9:25am

OR 9:45am - 11:40am

\$400

Embark on a delicious journey through the world of French baking in this hands-on course! Young chefs will explore French culture and culinary traditions while learning to make classic treats like mousse au chocolat, madeleines, crêpes, gâteau au yaourt, compote, and tuiles. Each session will focus on mastering simple recipes, developing basic kitchen skills, and discovering the stories behind these beloved French desserts.

Students will bring home their very own recipe book filled with the creations they've learned, empowering them to teach their families how to make these delicious French treats. With plenty of opportunities for tasting, creativity, and fun, this class will leave every budding pâtissier inspired and ready to share the joy of French baking. No prior baking experience required – just bring your curiosity and appetite for fun!

Pitch Perfect Grade 4-6

Session 1 (June 16 - July 3) 9:45am - 11:40am

Session 2 (July 7 - July 25) 9:45am - 11:40am

\$380

Calling all young singers! Join us for an exciting singing / choir experience designed for students who love music and want to explore their voices. We'll sing songs from a variety of styles, including pop hits, songs from movies or Broadway, African rhythms, Gospel harmonies, and the beautiful melodies of Hawaiian music. Best of all, if you have songs YOU want to sing, student input is welcome! Most of our singing will be done as a group, but there may also be opportunities for soloists if you are brave enough. Our time together will also include music games to sharpen your listening skills and make learning to read music fun. Whether you're a seasoned performer or just discovering your love of singing, this class is for everyone who wants to have fun, make friends, and create amazing music together. Don't miss this chance to share your voice and let it shine!

Pokemon Masters Card League Grade 4-6

Session 1 (June 16 - July 3) 9:45am - 11:40am

\$455

Session 2 (July 7 - July 25) 9:45am - 11:40am

\$525

Calling all Pokémon trainers, collectors and fanatics! Prepare yourselves to evolve to the next level as you learn the official rules of the Pokémon Trading Card game, play and build your very own deck and battle to earn powerful and strategic advantages against your opponents. Then boost your design and photography skills as you capture amazing images of wild Pokémon and design a custom printed Pokémon card to add to your collection. Trainers will also learn investing tips, acquire vintage cards, open packs and trade with each other to turn their card collection into a Pokémon goldmine! All materials will be provided and participants will take home a 60-card tournament regulation deck, card sleeves, additional rare and competitive cards, a vintage card and a custom designed Pokémon card. New decks, custom card designs, prize cards and vintage cards will be featured every session. Class presented by Wrenn Okada Photography + Design. This class combines students grades 2-6.

Read All About It Grade 4-6

Session 1 (June 16 - July 3) 7:30 am - 9:25 am

OR 9:45 am - 11:40 am

\$615

Session 2 (July 7 - July 25) 7:30 am - 9:25 am

OR 9:45 am - 11:40 am

\$695

Join the staff of your very own newspaper, and develop time management and writing skills as you learn "who, what, when, where and why." Students will learn to interview, write about local news, voice their opinions in op-ed essays and manage production of their digital publication. A must for aspiring school newspaper writers and editors! Class presented by SPARK Business Academy.

Reality Makers: VR & AR Game Design Camp Grade 4-6

Session 2 ONLY (July 7 - July 25) 7:30am - 9:25am

\$395

Step into the future of creativity and innovation with Reality Makers: VR & AR Game Design Camp! In this class, students will explore the exciting worlds of virtual and augmented reality using CoSpaces Edu and the Merge Cube. Participants will learn how to design, build, and program their own VR games and AR experiences, combining imagination with technology. By the end of the class, students will have created immersive projects they can interact with and share, while gaining hands-on experience in coding, storytelling, and 3D design. Let's bring your ideas to life—virtually and beyond!

Roblox Code Masters Grade 4-6

Session 1 (June 16 - July 3) 7:30am - 9:25am

OR 9:45am - 11:40am

\$405

Session 2 (July 7 - July 25) 7:30am - 9:25am

OR 9:45am - 11:40am

\$435

Experience the easiest and most enjoyable way to code and create your own Roblox games. Using Roblox Studio and Lua, students will learn how to design, build, and code their own interactive games and experiences on one of the world's most popular platforms. Use code to explore, gather resources, build, and discover your path to glory. Get ready to adventure into a universe of creativity and shared experiences with friends. No prior coding or Roblox experience necessary. Please email hello@keikicoders.com with questions. Class presented by Keiki Coders.

Sew Cool Kids Grade 4-6

Session 1 (June 16 - July 3) 7:30 am - 9:25 am

Session 2 (July 7 - July 25) 7:30 am - 9:25 am

\$425 *updated price includes cost of all supplies

Cool off this summer with our Sew Cool Kids workshop! Students will learn simple sewing techniques using both machine and hand stitching, embroidery, applique and quilting. From basic stitches to crafting trendy projects, participants will enjoy this cool and creative journey into the world of fabric and design.

Speak Up!: The Art of Debate and Public Speaking

Session 1 (June 16 - July 3) 9:45am - 11:40am

Session 2 (July 7 - July 25) 9:45am - 11:40am

\$380

Discover the power of effective communication where students will develop essential public speaking skills through interactive activities, fun challenges, and supportive feedback. From crafting compelling stories to delivering persuasive arguments, young speakers will gain confidence, improve clarity, and learn to connect with their audience. Students will develop the tools to express themselves confidently in any setting, preparing them for success in school, future careers, and beyond.

Wizarding World Grade 4-6

Session 1 (June 16 - July 3) 7:30am - 9:25am

OR 9:45 am - 11:40 am

Session 2 (July 7 - July 25) 7:30am - 9:25am

OR 9:45am - 11:40am

\$380

Journey through the wonderful world of Harry Potter, as we experiment with potions, investigating the properties of invisibility cloaks, making wands, and much more! We will explore a variety of topics like astronomy, word origin, mythology, geography through a magical lens, and be challenged in a virtual escape room!

World Language Explorers Grade 4-6

Session 1 (June 16 - July 3) 7:30am - 9:25am

OR 9:45am - 11:40am

Session 2 (July 7 - July 25) 7:30am - 9:25am

OR 9:45am - 11:40am

\$380

Take a global journey this summer with World Language Explorers! This course introduces the basics from some of the exciting languages offered in Upper School: Chinese, French, Hawaiian, Japanese, Korean, Latin, and Spanish.

Through fun activities, interactive lessons, and cultural insights, students will learn basic vocabulary and phrases, understand unique writing systems, and experience the rich traditions, food, and history of diverse cultures. Led by Upper School World Language faculty members and other distinguished teachers, this course is ideal for curious learners eager to broaden their horizons, prepare for future language studies, or simply try something new.

From greeting someone in Chinese to singing in Spanish or learning Latin roots, World Language Explorers promises an unforgettable linguistic adventure!

» Meal Plan

- » Meal Plan provides students one Type A hot lunch only per day (Session 1 and Session 2 available)
- » Meal Plan MUST be pre-purchased on the Registration Portal; no cash will be accepted for Meal Plan
- » Meal Plan refunds will incur a \$25.00 processing fee up through May 9
- » Meal Plan will not be refunded nor accepted during the regular school year. Regular 'Iolani school year meal cards are not valid during Summer Programs.
- » Snack Bar is NOT available to Lower School students
- » No meal service will be provided during Auxiliary weeks
- » Menus will be posted on the Summer Programs website
- » Contact cafe@iolani.org for inquiries about the menu or food accommodations

MEAL PLAN INFORMATION			
	Dates	Grades	Price
Session 1	June 16 - July 3	K-6	\$84.50
Session 2	July 7 - July 25	K-6	\$97.50

LOWER SCHOOL LUNCH PROCEDURES

- » **MORNING ONLY:** Students taking only morning classes must be picked up immediately after their last class (11:25 am/11:40 am) and are not permitted to stay for lunch
- » **HOME LUNCH:** Students are welcome to bring lunch from home
- » **SNACK BAR/CAFETERIA PURCHASES:** Similar to the school year, snack bars and cafeteria will not be available for students in kindergarten through 6th grade to make purchases
- » **DISTRIBUTION:** Afternoon class students will be escorted to their outdoor lunch areas where Meal Plan lunches will be distributed. K-3 students with a Meal Plan will have a lunch marker on their name tag (to be distributed on the first day of school).
- » **LS LUNCH BUNCH:** Lower School students with Upper School siblings are allowed to join the supervised Lunch Bunch group (11:40 am - 12:30 pm) until their siblings are finished with morning classes at 12:30 pm. Contact the Lower School Summer Office (LSsummer@iolani.org) to request adding your child to the LS Lunch Bunch.

» Grades K-1 Afternoon Courses

Kindergarten Adventures

Session 1 (June 16 - July 3) 12:30pm - 2:25pm; 2:45pm - 5:00pm

Session 2 (July 7 - July 25) 12:30pm - 2:25pm; 2:45pm - 5:00pm
\$380

Students may enroll in BOTH sessions and BOTH afternoon periods. Join us for Kindergarten Adventures! Indoor and outdoor play, arts and crafts, organized games, and storytelling are all parts of this fun program. Teachers and assistants supervise students throughout the afternoon.

If selecting the 2:45 pm class, students should bring an afternoon snack, and may be picked up at Autoline anytime between 3:45 pm - 5:00 pm.

Limited to 'Iolani Kindergarten applicants for the 2025 - 2026 School Year who are also enrolled in a morning class.

Kindergarten Design Fun

6 weeks (June 16 - July 25) 12:30pm - 5:00pm

\$1,040

Design Fun Kindergarten is a class in which students engage in the Engineering Design Process through hands-on learning experiences. Students will ask questions, plan, create, experiment, and improve upon their projects. Topics include simple machines, aviation, STEM challenges, shapes, and 3 Rs (reduce, reuse, recycle). A variety of fiction and nonfiction books will supplement instruction to further these topics. Students will have an exciting summer filled with wonderment and creativity! If you would like to become a young engineer, this class is for you!

Class instruction ends at 4:30pm, supervision provided after class until 5:00 pm.

Limited to 'Iolani Kindergarten applicants for the 2025 - 2026 School Year who are also enrolled in a morning class.

Breaks R4 Kidz Grade K-1

Session 1 (June 16 - July 3) 12:30pm - 2:25pm

\$430

Session 2 (July 7 - July 25) 12:30pm - 2:25pm

\$490

Students may enroll in BOTH sessions. With the 2024 Olympics putting Breakin back into the mainstream, kids and parents all over the world are being inspired to be part of Hiphop culture. Learning the art/sport of Breakin, our students will be educated in the history of how Breakin started in the Bronx, and how it came to Hawai'i before the mainstream movie boom of the 1980's. At the end of the session we will have an in-school performance showcasing all the projects and dance moves students worked on over the three weeks.

Students come in as a random group of kids in the beginning of the session and leave as a part of the Soul Raiders Crew. If your kid is looking for a new challenge, join us! Class presented by Breaks R4 Kidz.

Limited to students who are also enrolled in a morning class.

LEGO® ENGINEERING by Bricks 4 Kidz Grade K-1

Session 1 (June 16 - July 3) 12:30pm - 2:25pm

\$545

Session 2 (July 7 - July 25) 12:30pm - 2:25pm

\$635

Students may enroll in BOTH sessions. Our BRICKS 4 KIDZ® summer school program introduces kids to concepts of engineering, coding, architecture and mechanics using LEGO® bricks! Students learn how to build machines, gadgets, buildings, vehicles and other one-of-a-kind models designed by BRICKS 4 KIDZ®. They will build new projects each day using our proprietary Bricks 4 Kidz instructions and specialized LEGO® kits. Students will develop problem solving and critical thinking skills while tapping into their creative imagination! Students will have lots of learning fun! Models for Session 1 will be different from Session 2. Class presented by BRICKS 4 KIDZ®.

Limited to 'Iolani Kindergarten applicants for the 2025 - 2026 School Year who are also enrolled in a morning class.

Red Ball Tennis PLUS Grade K-1

Session 1 (June 16 - July 3) 12:30pm - 2:25pm

OR 2:45pm - 5:00pm

Session 2 (July 7 - July 25) 12:30pm - 2:25pm

OR 2:45pm - 5:00pm

\$525

Students may enroll in BOTH sessions. This course is offered to Kindergarten and 1st grade students and designed to make learning fun. The emphasis is on fundamental balance, movement, hand-eye coordination, and stroke development through group activities and games. Small rackets, nets, and low compression red balls are used on a 36' court to enhance the learning process. Students should wear sunblock, athletic clothes, and non-skid, non-marking athletic shoes. Please bring a reusable water bottle and racket (rackets will be provided as needed). For additional information and questions, please contact hsomerville@iolani.org.

This class includes a 45-minute tennis lesson, along with outdoor play, arts and crafts, organized games, and movies. Teachers and assistants supervise students throughout the afternoon.

If selecting the 2:45 pm class, students may be picked up at Autoline anytime between 3:45 pm - 5:00 pm.

Limited to students who are also enrolled in a morning class.

» Grades K-1 Afternoon Courses

Afternoon Adventures Grade 1

Session 1 (June 16 - July 3) 12:30pm - 2:25pm; 2:45pm - 5:00pm

Session 2 (July 7 - July 25) 12:30pm - 2:25pm; 2:45pm - 5:00pm
\$380

Students may enroll in BOTH sessions and BOTH afternoon periods. Join us for Afternoon Adventures! Indoor and outdoor play, arts and crafts, organized games, and storytelling are all parts of this fun and exciting program. Teachers and assistants supervise students throughout the afternoon. Students should bring an afternoon snack if enrolling in this class.

If selecting the 2:45 pm class, students may be picked up at Autoline anytime between 3:45 pm - 5:00 pm.

Limited to students who are also enrolled in a morning class.

Art Innovators Grade 1

Session 1 (June 16 - July 3) 12:30pm - 2:25pm

\$615

Session 2 (July 7 - July 25) 12:30pm - 2:25pm

\$695

This hands-on program is a great way to introduce future artists to art and innovation! Students draw self-portraits, mold sculptures, and create captivating collages—cultivating essential creativity and risk-taking skills. As students explore the world of art, from da Vinci to Kahlo, they'll show their creativity and grow their confidence by sharing their work with others! "Art Innovators" empowers the next generation to envision, create and inspire through the transformative power of art! Class presented by SPARK Business Academy.

Limited to students who are also enrolled in a morning class.

Beginning Coding with Scratch Jr. by Bricks 4 Kidz Grade 1

Session 1 (June 16 - July 3) 12:30pm - 2:25pm

\$545

Session 2 (July 7 - July 25) 12:30pm - 2:25pm

\$635

Students may enroll in BOTH sessions. Introductory programming course that enables young children to create their own interactive stories and games. Children snap together graphical programming blocks to make characters move, jump, dance, and sing. Children can modify characters in the paint editor and add their own voices and sounds to make their characters come to life. Children will learn how to code their own simple video games to play and learn how they are developed. Encourages creativity, systematic thinking and problem solving. Tablets will be supplied. Models for Session 1 will be different from Session 2. Class presented by BRICKS 4 KIDZ®.

Limited to students who are also enrolled in a morning class.

Design Fun Grade 1

Session 1 (June 16 - July 3) 12:30pm - 5:00pm

Session 2 (July 7 - July 25) 12:30pm - 5:00pm
\$625

Students may enroll in BOTH sessions. In Design Fun grade 1, students will engage in hands-on activities, creating structures, instruments, booklets, and other artwork to document their learning. Our course will cover topics such as the elements of design, music and sound, matter, light and shadows, wind and clouds, and health and fitness. Students will learn about these subjects through literature and will work with a partner to design and craft many of their creations. This class is a great opportunity for your child to have an exciting educational experience while exploring their creative side!

Class instruction ends at 4:30pm, supervision provided after class until 5:00 pm.

Limited to students who are also enrolled in a morning class.

» Grades 2-3 Afternoon Courses

Design Fun Grade 2-3

Session 1 (June 16 - July 3) 12:30pm - 2:25pm

Session 2 (July 7 - July 25) 12:30pm - 2:25pm

\$395

Students may enroll in BOTH sessions. Design Fun is a project-based class where students use their imagination and critical thinking to build and create! Students are encouraged to build a wide range of exciting projects. Over three weeks, the students will work both individually and collaboratively to learn about the engineering design process through planning, testing, and modifying their projects. Teachers also incorporate children's books with the activities and the students use problem-solving skills to re-create structures from these stories. Learning takes place in and outside of the classroom, allowing the students to use their skills in real-life situations. Throughout the summer your child will be bringing home his or her projects, inspiring many children to continue their building at home. Come and build with us! Curriculum, activities, and lessons will differ each session, and update every year; students are encouraged to take Design Fun as both entering second and third graders.

Limited to students who are also enrolled in a morning class.

Fun Fitness Grade 2-3

Session 1 (June 16 - July 3) 12:30pm - 2:25pm

Session 2 (July 7 - July 25) 12:30pm - 2:25pm

\$380

Students may enroll in BOTH sessions. Come join the fitness fun as we learn a new sport each week! Team sports are not only a great way to stay active and healthy, but also help with the building blocks of social and emotional development for young people. We will learn the skills and practice strategies for sports such as soccer, kickball, spikeball, and ultimate frisbee, and engage in friendly competition.

Limited to students who are also enrolled in a morning class.

Groove Academy Grade 2-3

Session 1 (June 16 - July 3) 12:30pm - 2:25pm

Session 2 (July 7 - July 25) 12:30pm - 2:25pm

\$380

Get ready to move, groove, and express yourself in Groove Academy! This high-energy summer dance class introduces students to the exciting styles of dance. Each week focuses on a new style, allowing students to build coordination, flexibility, and confidence while learning fun choreography. Alongside dance techniques, students will explore the creative elements of movement and even have the chance to create their own routines. The class culminates in a lively performance where students will showcase their skills and creativity for family and friends. Groove Academy is the perfect blend of fun, self-expression, and teamwork—an unforgettable summer experience for young dancers!

(All skill levels welcome. Instruction and choreography will be tailored to suit the dancer's age and experience level.)

Limited to students who are also enrolled in a morning class. This class combines students grades 2-6.

Gymnastics and Acrobatics with Circus Olina Grade 2-3

Session 1 (June 16 - July 3) 12:30pm - 2:25pm

\$425

Session 2 (July 7 - July 25) 12:30pm - 2:25pm

\$475

Students may enroll in BOTH sessions. Want your child to learn how to safely do somersaults, cartwheels, handstands, partner acrobatics and even how to build human pyramids, then this course is for you! A human pyramid is an acrobatic formation, a group act that involves coordination, timing and trust in each other! In this course we include fun activities and games to build a good foundation of trust and teamwork in each other. Course is designed to teach flexibility, strength, coordination and body awareness using gymnastics & acrobatics skills with a circus twist in a fun and creative way! If you have any questions regarding this course, please contact Circus Olina directly via circusolina@gmail.com Class presented by Circus Olina.

Limited to students who are also enrolled in a morning class. This class combines students grades 2-6.

Learn to Swim PLUS Grade 2-3

Session 1 (June 16 - July 3) 12:30pm - 2:25pm

OR 2:45pm - 5:00pm

Session 2 (July 7 - July 25) 12:30pm - 2:25pm

OR 2:45pm - 5:00pm

\$390

Students may enroll in BOTH sessions. The swimming program provides instruction to students entering grades 2 through 3. Students are placed according to ability and advance at their own rate. The main goals are to promote water safety and build stroke foundations. Children should bring their own towel, goggles, swimsuit, and sunblock. Additionally, they must be able to apply their own sunblock as well as change in and out of their own bathing suit.

This class includes a 50-minute swim lesson, along with outdoor play, arts and crafts, organized games, and movies. Teachers and assistants supervise students throughout the afternoon.

If selecting the 2:45 pm class, students may be picked up at Autoline anytime between 3:45 pm - 5:00 pm.

Limited to students who are also enrolled in a morning class.

» Grades 2-3 Afternoon Courses

Orange Ball Tennis PLUS Grade 2-3

Session 1 (June 16 - July 3) 12:30pm - 2:25pm
OR 2:45pm - 5:00pm

Session 2 (July 7 - July 25) 12:30pm - 2:25pm

OR 2:45pm - 5:00pm
\$525

Students may enroll in BOTH sessions. This course is offered to 2nd and 3rd grade students and designed to make learning tennis fun. The emphasis is on fundamental balance, movement, hand-eye coordination, and stroke development through group activities and games. Age appropriate sized court, rackets, nets, and low compression orange balls are used to enhance the learning process.

Students should wear sunblock, athletic clothes, hat, and non-skid, non-marking athletic shoes. Please bring a reusable water bottle and racket (rackets will be provided as needed). For additional information and questions, please contact hsomerville@iolani.org.

This class includes a 45-minute tennis lesson, along with outdoor play, arts and crafts, organized games, and movies. Teachers and assistants supervise students throughout the afternoon.

If selecting the 2:45 pm class, students may be picked up at Autoline anytime between 3:45 pm - 5:00 pm.

Ride the Unicycle - Jump the Rope! Grade 2-3

Session 1 (June 16 - July 3) 2:45pm - 5:00pm
\$425

Session 2 (July 7 - July 25) 2:45pm - 5:00pm
\$475

Students may enroll in BOTH sessions. This camp is all about fun and fitness. Coordination, balance, and endurance are the key components if it comes to learning how to ride a unicycle and jump roping. Learn how to ride a unicycle, it might seem impossible at first but we teach you how to get started, find your core strength and use the right techniques to improve quickly. Learn tricks like backwards riding, idling or star pose with a friend. This is not all we will switch it up; you will also learn a variety of jump rope skills, single rope tricks, partner tricks, long rope jumps and group routines. Learning jump rope tricks and unicycling is challenging, a great exercise and most importantly it is fun! This course is intended for all skill levels, from beginners to advanced. You can't jump rope or unicycle? This course will teach you both! You are already great in unicycling and jump roping? Join our course and learn how to combine the two! If you have any questions regarding this course please contact Circus Olina directly via circusolina@gmail.com. Class presented by Circus Olina.

Limited to students who are also enrolled in a morning class. This class combines students grades 2-6.

STEM FUN-damentals Grade 2-3

Session 1 (June 16 - July 3) 12:30 pm - 2:25 pm
Session 2 (July 7 - July 25) 12:30 pm - 2:25 pm
\$380

Welcome to an exciting journey where science, technology, engineering, and mathematics (STEM) converge in a fusion of creativity and exploration. Calling all future scientists, engineers, and mathematicians! In this dynamic course, students will embark on a hands-on adventure that encourages creative thinking, problem-solving, and the development of critical skills. Get ready to uncover the wonders of science and mathematics through a hands-on, collaborative, and dynamic learning experience. Whether you're tinkering with experiments or solving real-world problems, this course is designed to ignite your curiosity and fuel your journey into the realms of STEM discovery. We can't wait to begin our adventures together!

Limited to students who are also enrolled in a morning class.

Summer Quest Grade 2-3

Session 1 (June 16 - July 3) 2:45pm - 5:00pm
Session 2 (July 7 - July 25) 2:45pm - 5:00pm
\$365

Students may enroll in BOTH sessions. Step into an exciting journey of discovery and fun with Summer Quest! This dynamic program offers a rotating schedule of engaging grade-level appropriate activities designed to spark curiosity and creativity. Each week, students will explore a new world of hands-on experiences, from crafting and painting to mastering chess and solving puzzles. Outdoor enthusiasts will love our action-packed challenges, while budding scientists will thrive in our STEM activities, building and tackling engineering projects. With our "Anything Goes" days, kids might find themselves gardening, dancing, or even hosting a trivia show!

Summer Quest provides a perfect blend of learning and play, and is the preferred class option if students need to leave campus at various times throughout the afternoon. Students may be picked up at Autoline anytime between 3:45 pm - 5:00 pm.
Limited to students who are also enrolled in a morning class.

Tinker Lab: Creative Engineering Grade 2-3

Session 1 (June 16 - July 3) 12:30pm - 2:25pm
\$405
Session 2 (July 7 - July 25) 12:30pm - 2:25pm
\$435

Enjoy building? Tinker Lab is where creativity and engineering come together! Through fun, interactive projects, students will build, design, and experiment with everyday materials, discovering how things work by taking them apart and putting them back together. Each activity encourages kids to think like engineers, solving problems through trial, error, and teamwork. As they tinker with different tools and concepts, students will develop their problem-solving skills and gain confidence in their ability to create something amazing. Please email hello@keikicoders.com with questions. Class presented by Keiki Coders.

Limited to students who are also enrolled in a morning class.

» Grades 4-6 Afternoon Courses

Adventures in Minecraft Grade 4-6

Session 1 (June 16 - July 3) 12:30pm - 2:25pm

Session 2 (July 7 - July 25) 12:30pm - 2:25pm

\$380

Students may enroll in BOTH sessions. Students should select only one class time per Session. In this exciting summer class, students will use Minecraft to explore and build in a virtual world while learning about science, technology, engineering, and math (STEM) concepts. Students will work on a variety of projects that challenge them to use their creativity and problem-solving skills to design and build complex structures, take a voyage on the Hokulea, travel to Mars as they build their own NASA rockets, build a thriving economy and world government and much more. This class is perfect for both Minecraft newbies and enthusiasts alike and for students who are interested in learning about STEM in a fun and interactive way. No prior Minecraft experience is required and each class offers new and different challenges and projects for returning students.

Limited to students who are also enrolled in a morning class.

Band Ensemble Grades 5-6

Session 1 ONLY (June 16 - July 3) 12:30pm - 2:25pm

\$380

Join us for an exciting musical journey! This second-level band course is designed for students (with at least one year of study or more) who are eager to continue developing their skill on their concert band instrument (like flute, clarinet, trumpet, trombone, percussion, etc.). Students will learn the fundamentals of music theory and the essentials of playing together as a band in a fun, dynamic and supportive environment. Instrument rental inquiries may be emailed to pad@iolani.org.

Limited to students who are also enrolled in a morning class. This class combines students grades 5-7.

Basketball Basics Grade 4-6

Session 1 (June 16 - July 3) 12:30pm - 2:25pm

Session 2 (July 7 - July 25) 12:30pm - 2:25pm

\$380

Welcome to Basketball Basics, an exciting and engaging class designed to introduce students to the fundamentals of basketball. Whether you're a beginner eager to learn the basics or a budding basketball enthusiast looking to refine your skills, this course is the perfect opportunity to dribble, shoot, and score your way to success. This class focuses on building a strong foundation in basketball fundamentals. From dribbling techniques, shooting motion and footwork/defensive movements, students will develop these essential skills needed to aid them on the basketball court. Whether you're aiming to become the next basketball star or simply looking to have fun while staying active, Basketball Basics is the perfect introduction to the exciting world of basketball. Join us on the court for a thrilling journey of skill development, teamwork, and sportsmanship. Let's dribble, shoot, and score together!

Limited to students who are also enrolled in a morning class.

Design Fun Grade 4-6

Session 1 (June 16 - July 3) 12:30pm - 2:25pm

Session 2 (July 7 - July 25) 12:30pm - 2:25pm

\$395

Students may enroll in BOTH sessions. Join us for Design Fun! In this projects-based class, students are introduced to the Maker System of building projects. Students use materials to plan, design, build, and test authentic applications to problems that they encounter in the real world. Each week of the course has specific themes like: Structures, Helpful Tools, Aviation Week, Flying Objects, Garden Products, and more. Students are led through a problem and given choices of materials to solve the problem. Projects are built collaboratively in small groups or independently to produce solutions. Fascinated with building, taking things apart, and seeing how things work? If you answered with an emphatic "YES!", then you are a natural engineer and this is the class for you!

Limited to students who are also enrolled in a morning class.

Elementary Musical Theatre Grade 4-6

Session 1 (June 16 - July 3) 12:30pm - 2:25pm

Session 2 (July 7 - July 25) 12:30pm - 2:25pm

\$380

Students may enroll in BOTH sessions. Students should select only one class time per Session. This fun-filled course is designed to introduce students to the fundamentals of musical theatre. This class is a great starting point for young performers, and also will allow experienced performers to continue to develop the skills needed to be a musical theatre artist! In this class, students will experience the joy of singing, dancing, acting, and building community with each other. Students will participate in acting exercises, vocal drills, improv games, and learn a variety of songs from various musicals. A final performance at the end of the session will allow students the opportunity to showcase their work!

Limited to students who are also enrolled in a morning class.

Fun Fitness Grade 4-6

Session 1 (June 16 - July 3) 12:30pm - 2:25pm

Session 2 (July 7 - July 25) 12:30pm - 2:25pm

\$380

Students may enroll in BOTH sessions. Come join the fitness fun as we learn a new sport each week! Team sports are not only a great way to stay active and healthy, but also help with the building blocks of social and emotional development for young people. We will learn the skills and practice strategies for sports such as soccer, kickball, spikeball, and ultimate frisbee, and engage in friendly competition.

Limited to students who are also enrolled in a morning class.

» Grades 4-6 Afternoon Courses

Green Ball Tennis PLUS Grade 4-6

Session 1 (June 16 - July 3) 12:30pm - 2:25pm
OR 2:45pm - 5:00pm

Session 2 (July 7 - July 25) 12:30pm - 2:25pm

OR 2:45pm - 5:00pm
\$525

Students may enroll in BOTH sessions. This course is offered to students grades 4 through 6 who are interested in developing the technical skills to play in organized team competition. The emphasis is on fundamental balance, movement, hand-eye coordination, and stroke development through instruction and games. The full size court will be used with the low compression green ball.

Students should wear sunblock, athletic clothes, hat, and non-skid, non-marking athletic shoes. Please bring a reusable water bottle and racket (racket will be provided as needed). For additional information and questions, please contact hsomerville@iolani.org.

This class includes a 45-minute tennis lesson, along with outdoor play, arts and crafts, organized games, and movies. Teachers and assistants supervise students throughout the afternoon.

If selecting the 2:45 pm class, students may be picked up at Autoline anytime between 3:45 pm - 5:00 pm.

Limited to students who are also enrolled in a morning class.

Groove Academy Grade 4-6

Session 1 (June 16 - July 3) 12:30pm - 2:25pm

Session 2 (July 7 - July 25) 12:30pm - 2:25pm

\$380

Get ready to move, groove, and express yourself in Groove Academy! This high-energy summer dance class introduces students to the exciting styles of dance. Each week focuses on a new style, allowing students to build coordination, flexibility, and confidence while learning fun choreography. Alongside dance techniques, students will explore the creative elements of movement and even have the chance to create their own routines. The class culminates in a lively performance where students will showcase their skills and creativity for family and friends. Groove Academy is the perfect blend of fun, self-expression, and teamwork—an unforgettable summer experience for young dancers!

All skill levels are welcome. Instruction and choreography will be tailored to suit the dancer's age and experience level. Limited to students who are also enrolled in a morning class. This class combines students grades 2-6.

Gymnastics and Acrobatics with Circus Olina Grade 4-6

Session 1 (June 16 - July 3) 12:30pm - 2:25pm

\$425

Session 2 (July 7 - July 25) 12:30pm - 2:25pm

\$475

Students may enroll in BOTH sessions. Want your child to learn how to safely do somersaults, cartwheels, handstands, partner acrobatics and even how to build human pyramids, then this course is for you! A human pyramid is an acrobatic formation, a group act that involves coordination, timing and trust in each other! In this course we include fun activities and games to build a good foundation of trust and teamwork in each other. Course is designed to teach flexibility, strength, coordination and body awareness using gymnastics & acrobatics skills with a circus twist in a fun and creative way! If you have any questions regarding this course, please contact Circus Olina directly via circusolina@gmail.com. Class presented by Circus Olina. This class combines students grades 2-6.

Limited to students who are also enrolled in a morning class.

Illusion Academy Grade 4-6

Session 1 (June 16 - July 3) 12:30pm - 2:25pm

Session 2 (July 7 - July 25) 12:30pm - 2:25pm

\$395

Unlock the secrets of spellbinding performances in Illusion Academy, an enchanting class tailored for grades 4-6! Dive into the basics of magic where creativity, imagination, and STEM elements converge. Students will cultivate their magical identity, mastering the art of performance and storytelling. As they journey through this mystical experience, budding magicians will leave family and friends in awe, sprinkling their world with moments of wonder. Join us for an exploration of the magical arts, where every participant transforms into a Magic Maker, sharing the gift of enchantment with those around them.

Limited to students who are also enrolled in a morning class.

Junior Investors Grade 4-6

Session 1 (June 16 - July 3) 12:30pm - 2:25pm

\$615

Session 2 (July 7 - July 25) 12:30pm - 2:25pm

\$695

Learn how you can start investing at a young age in this fully interactive program! Build your own \$100,000 stock portfolio and trade stocks like Apple, Nike or Amazon with a cool investing simulation tool. This innovative experience empowers students with the tools and mindset to face future investment decisions with confidence and buy low, sell high! A solid foundation for successful future investors. Class presented by SPARK Business Academy. Limited to students who are also enrolled in a morning class.

Keiki Cooking Lab Grade 4-6

Session 1 (June 16 - July 3) 12:30pm - 2:25pm
\$565

Session 2 (July 7 - July 25) 12:30pm - 2:25pm
\$655

Welcome to Keiki Cooking Lab, where young culinary enthusiasts embark on an exciting journey through the flavors of Hawaii, Japan and beyond! In this immersive course, students will delve into the vibrant culinary traditions of various regions, discovering the artistry and innovation behind some of the world's most iconic dishes. Through hands-on cooking experiences, our budding chefs will learn essential cooking techniques and kitchen safety, explore the history, culture and science behind unique recipes and their ingredients while unleashing their creativity in the kitchen! This summer session will feature brand new dishes and recipes such as Mini Pizzas, Handmade Gyoza, Tacos, Sushi Rolls, Boba Drinks and much more! No peanuts, nuts, shellfish or raw seafood/meat will be consumed in this class, however wheat, gluten, soy, sesame, dairy, eggs, meat and fish may be consumed. All equipment and ingredients will be provided to chefs of all levels and a new dish will be crafted everyday. The same recipes will be taught in both sessions. Class presented by Wrenn Okada Photography + Design. Limited to students who are also enrolled in a morning class.

**For NEW students only. Students who took the class during the school year should not enroll.

Learn to Swim PLUS Grade 4-6

Session 1 (June 16 - July 3) 12:30pm - 2:25pm
OR 2:45pm - 5:00pm

Session 2 (July 7 - July 25) 12:30pm - 2:25pm

OR 2:45pm - 5:00pm
\$390

Students may enroll in BOTH sessions. The swimming program provides instruction to students entering grades 4 through 6. Students are placed according to ability and advance at their own rate. The main goals are to promote water safety and build stroke foundations. Children should bring their own towel, goggles, swimsuit, and sunblock. Additionally, they must be able to apply their own sunblock as well as change in and out of their own bathing suit.

This class includes a 50-minute swim lesson, along with outdoor play, arts and crafts, organized games, and movies. Teachers and assistants supervise students throughout the afternoon.

If selecting the 2:45 pm class, students may be picked up at Autoline anytime between 3:45 pm - 5:00 pm.

Limited to students who are also enrolled in a morning class.

LEGO RoboBuilders Academy Grade 4-6

Session 1 (June 16 - July 3) 12:30pm - 2:25pm
\$390

Session 2 (July 7 - July 25) 12:30pm - 2:25pm
\$450

In this introductory course to LEGO Robotics, students will dive into the exciting world of robotics with LEGO® RoboBuilders Academy, where design and creativity meets technology! This hands-on class introduces students to the fundamentals of robotics, coding, and engineering using the innovative LEGO SPIKE Prime platform. Students will design, build, and program their own robots to complete build challenges while learning STEM concepts such as mechanics, sensors, and automation. Through engaging projects, teamwork, and problem-solving, students will unleash their inner engineers and bring their robotic creations to life. No prior experience is needed—just a love for LEGO and a curiosity for innovation! All materials will be provided and the same curriculum will be taught in both sessions. Class presented by Wrenn Okada Photography + Design.

Limited to students who are also enrolled in a morning class.

» Grades 4-6 Afternoon Courses

Ride the Unicycle - Jump the Rope! Grade 4-6

Session 1 (June 16 - July 3) 2:45pm - 5:00pm

\$425

Session 2 (July 7 - July 25) 2:45pm - 5:00pm

\$475

This camp is all about fun and fitness. Coordination, balance, and endurance are the key components if it comes to learning how to ride a unicycle and jump roping. Learn how to ride a unicycle, it might seem impossible at first but we teach you how to get started, find your core strength and use the right techniques to improve quickly. Learn tricks like backwards riding, idling or star pose with a friend. This is not all we will switch it up; you will also learn a variety of jump rope skills, single rope tricks, partner tricks, long rope jumps and group routines. Learning jump rope tricks and unicycling is challenging, a great exercise and most importantly it is fun! This course is intended for all skill levels, from beginners to advanced. You can't jump rope or unicycle? This course will teach you both! You are already great in unicycling and jump roping? Join our course and learn how to combine the two! If you have any questions regarding this course please contact Circus Olina directly via circusolina@gmail.com.

Limited to students who are also enrolled in a morning class. This class combines students grades 2-6.

Roblox Code Masters Grade 4-6

Session 1 (June 16 - July 3) 12:30pm - 2:25pm

\$405

Session 2 (July 7 - July 25) 12:30pm - 2:25pm

\$435

Experience the easiest and most enjoyable way to code and create your own Roblox games. Using Roblox Studio and Lua, students will learn how to design, build, and code their own interactive games and experiences on one of the world's most popular platforms. Use code to explore, gather resources, build, and discover your path to glory. Get ready to adventure into a universe of creativity and shared experiences with friends. No prior coding or Roblox experience necessary. Please email hello@keikicoders.com with questions. Class presented by Keiki Coders.

Limited to students who are also enrolled in a morning class.

Strings for Success PLUS Grade 4-6

Session 2 ONLY (July 7 - July 25) 12:30pm - 2:25pm

\$400

This class is open to violinists, violists, cellists, and double bassists with 1-2 years of study on their instrument, and Intermediate level students (2-4 years of study). Instructors will place students according to ability during the first two days of class.

Taught by one of our distinguished 'Iolani Orchestra faculty, beginning-intermediate level musicians will learn challenging solos while focusing on note-reading, bass/harmony lines, and development of proper posture/technique. Intermediate level students will learn challenging pieces while focusing on note-reading, ensemble skills, and development of proper instrument facility/technique. Playing consistently during the summer helps to set-up students for success in their school programs and private lessons for the following academic year. Students are responsible for providing their own instruments.

This class includes a 1-hour music lesson, along with outdoor play, arts and crafts, organized games, and movies. Teachers and assistants supervise students before or after the lesson.

Limited to students who are also enrolled in a morning class. This class combines students grades 4-7.

Summer Quest Grade 4-6

Session 1 (June 16 - July 3) 2:45pm - 5:00pm

Session 2 (July 7 - July 25) 2:45pm - 5:00pm

\$365

Students may enroll in BOTH sessions. Step into an exciting journey of discovery and fun with Summer Quest! This dynamic program offers a rotating schedule of engaging grade-level appropriate activities designed to spark curiosity and creativity. Each week, students will explore a new world of hands-on experiences, from crafting and painting to mastering chess and solving puzzles. Outdoor enthusiasts will love our action-packed challenges, while budding scientists will thrive in our STEM activities, building and tackling engineering projects. With our "Anything Goes" days, kids might find themselves gardening, dancing, or even hosting a trivia show!

Summer Quest provides a perfect blend of learning and play, and is the preferred class option if students need to leave campus at various times throughout the afternoon. Students may be picked up at Autoline anytime between 3:45 pm - 5:00 pm.

Limited to students who are also enrolled in a morning class.

» Grades 4-6 Afternoon Courses

Ultimate Frisbee Grade 4-6

Session 1 (June 16 - July 3) 12:30pm - 2:25pm

\$350

Session 2 (July 7 - July 25) 12:30pm - 2:25pm

\$405

Get ready for an action-packed summer of Ultimate Frisbee! This fun-filled program teaches the basics of throwing, catching, and playing Ultimate Frisbee, while also focusing on important skills like coordination, speed, and teamwork. Through engaging drills and games, students will learn various throwing techniques and practice strategies for both offense and defense. This program not only helps students improve their athletic abilities but also emphasizes teamwork, communication, and sportsmanship. Perfect for beginners or those looking to sharpen their skills, this class ensures a fun and energetic experience for all participants. Please email hello@keikicoders.com with questions. Class presented by Keiki Coders.

Limited to students who are also enrolled in a morning class.

Ultimate Gaming Academy Grade 4-6

Session 1 (June 16 - July 3) 12:30pm - 2:25pm

Session 2 (July 7 - July 25) 12:30pm - 2:25pm

\$395

Get ready for an exciting summer adventure with The Ultimate Gaming Academy as we level up together! This class is designed for students who love gaming and want to experience the fun of teamwork, strategy, and friendly competition. Students will explore a variety of age-appropriate video games carefully chosen to promote collaboration, creativity, and problem-solving. Whether they're working together to achieve common goals or competing in friendly tournaments, students will develop essential skills like communication, sportsmanship, and teamwork in a positive and supportive environment. From strategizing as a team to celebrating each other's victories, this class encourages players to connect with their peers, build confidence, and have a blast leveling up their gaming and social skills. Let's game on—together!

Limited to students who are also enrolled in a morning class.

» Auxiliary Program

Let's Go Holoholo! Grades K - 6

Week 7 July 28 - August 1 (8:00am - 4:00pm)

Week 8 August 4 - August 8 (8:00am - 4:00pm)

\$700

E holoholo kākou! Discover amazing locations around our beautiful island home during an unforgettable one-week summer adventure! Your child will enjoy outdoor excursions and on campus activities, building friendships along the way. Children must be able to apply their own sunblock and bug spray, as well as change in and out of their own bathing suit. This one week adventure includes the cost of all activities and lunch. Please provide your child with appropriate clothing and footwear for each day, sunscreen, hat, refillable water bottle, and a healthy snack. More detailed information will be provided prior to the start of the program. Students may enroll in both sessions as activities will differ each week.

Discover the Wonder of Circus Arts Grades 2 - 6

Week 7 July 28 - August 1 (8:00am - 2:00pm)

Week 8 August 4 - August 8 (8:00am - 2:00pm)

\$580

Students may enroll in both sessions. Become a circus artist for the week! Don't miss out on this incredible opportunity to discover your inner circus artist! Join us for a week-long adventure into the exciting world of circus arts. Throughout the week, students will have the chance to learn a wide variety of wonderful skills. From juggling to spinning plates, from Chinese yo-yo to acting, from clowning to acrobatics, and even the thrill of tight roping, we will cover it all! Our instructors will guide and teach students step by step, whether they are beginners or have some previous experience, our program is designed to cater to all skill levels. Students will collaborate with each other and create a performance. At the end of the week family and friends are invited to attend our fun circus performance, where students will showcase their newfound skills. If you have any questions regarding this course, please contact Circus Olina directly via circusolina@gmail.com. Class presented by Circus Olina.

Pokémon Masters Ultimate STEM Camp Grades 2-6

Week 7 ONLY July 28 - August 1 (8:00am - 2:00pm)

\$570

Calling all Pokémon trainers, collectors and fanatics for the ultimate STEM camp experience featuring Pokémon and LEGO®! Prepare yourselves to evolve to the next level as you learn the official rules of the Pokémon Trading Card game, play and build your very own deck and battle to earn powerful cards and strategic advantages against your opponents. Then boost your design skills by creating a custom laser engraved Pokémon coin to add to your collection. Trainers will also learn investing tips and tricks to turn their card collection into a Pokémon goldmine! Then continue your journey by leveling up your engineering skills with tens of thousands of LEGO components while applying real world concepts in physics, design and architecture. Collaborate and build like never before, while building STEMbased LEGO projects such as motorized Pokémon Battle Walkers, colossal Gigantamax Pokémon, a mechanized Pokéball Factory, the infamous Battle Tower, and much more! All materials will be provided and all participants will take home a 60-card tournament regulation deck, a custom laser engraved coin, card sleeves and additional rare and competitive Pokémon cards. All participants, whether fans of the franchise or not, are sure to have a blast! Class presented by Wrenn Okada Photography + Design.

Cardboard Carnival Grade 4-6

Week 7 ONLY July 28 - August 1 (8:00am - 2:00pm)

\$570

Get ready to unleash your creativity and step into the world of cardboard game design while embarking on digital gaming adventures! You'll dive into the mechanics of game design, explore what makes games fun, and learn construction techniques to bring your ideas to life. From brainstorming your ideas to testing prototypes, you'll turn ordinary cardboard into extraordinary games. Learn important teamwork, strategy, and communication skills by working together and having fun exploring a variety of age-appropriate video games carefully chosen to promote collaboration, creativity, and problem-solving. By the end of the week you'll showcase your creation in an epic Cardboard Carnival, where friends and family will be invited to play the games you designed! This class is perfect for anyone who loves building, gaming, and working as part of a team. Let's design, play, and win—together!
