# Lower School

*Entering Grades K–6*

## Program Information

Lower School Summer Programs offer a diverse range of enrichment and academic reinforcement courses to students entering grades Kindergarten to 6 on the ʻIolani School campus. Courses are designed to meet students' needs not only in preparation for the regular school year, but also in subjects of interest and opportunities for exploration, self-expression and creativity.

ʻIolani Summer Programs welcomes ʻIolani and visiting students to experience the ONE TEAM ethos that shapes and defines our programs which foster educational excellence and personal growth in an environment that values collaboration, humility, and respect for all community members.

Before registering for classes, we kindly ask that you carefully read through the Summer Catalogue and Handbook with your child to learn more about our programs and requirements.

## Program Eligibility

- Lower School Summer Programs are open to current and newly enrolling ʻIolani students, ʻIolani Kindergarten applicants, and visiting students
- Students should enroll in courses for the grade level they will be entering in the Fall 2026-2027 school year
- Kindergarten Students: Open to ʻIolani Kindergarten applicants
- Grades 1-6 Students (Hawaiʻi and US mainland): Students entering grades 1-6 must be 6 (six) years old by June 15, 2026.
- International Students: Students attending school outside the U.S. must be 7 (seven) years old by June 15, 2026. Registration is contingent upon the completion of additional international forms (see the Requirements for International Students section).
- Courses with limited enrollment eligibility are noted in the course description
- Current ʻIolani students will have priority for course enrollments
- Students who have been dismissed from ʻIolani for disciplinary reasons may not enroll in Summer Programs unless they have been readmitted to ʻIolani School and have approval by their Dean

# » Course Registration

## Handbook Acknowledgment

Before registering, please carefully review the Summer Programs Handbook and Registration FAQ at iolani.org/summer.

## How to Register

Registration must be completed online via the **Summer Programs Registration Portal (CampBrain)** at iolani.org/summer.

» **No Formal Application:** Simply register online on your assigned date and time.
» **Format:** Online registrations only. Walk-in, email, telephone, or fax registrations are not accepted.
» **Timing:** Registrations received before your child's assigned window, or those submitted incomplete, will not be accepted.
» **Note:** Spaces are limited and fill quickly; we strongly recommend registering at the opening time for best availability

## Course Details

» **Grade Level:** Please register your child for the grade level they will be entering in the Fall 2026-27 school year.
» **Priority:** Current 'Iolani students receive priority for all course enrollments.
» **June/July Term Courses:** Students should enroll in either the June or July term. Enrollment in both terms is permitted only for courses marked with an asterisk (*); otherwise, course material will repeat.

## Schedule Guidelines

» **Morning Enrollment Required:** To maintain a consistent school-day structure, Lower School students are required to begin their day with morning classes.
  • Morning schedule includes Period 1 and Period 2 classes, with a mid-morning 20-minute recess and transition between classes
  • **Morning-Only Students:** Students not enrolled in afternoon classes must be picked up immediately after their last class - lunch period is not available for Grades 1-6 morning-only students.
  • **Lunch Bunch:** This supervised lunch period (11:40 am to 12:30 pm) is available for Lower School students waiting for Upper School siblings to finish their morning classes. Contact the Lower School Summer Office to register your child.
» **Afternoon Eligibility:** Afternoon courses are an extension of the morning program; therefore "afternoon-only" registration is not available.
  • Afternoon schedule begins with a Lunch/recess period (50 minutes) before Period 3, followed by a late-afternoon recess and transition period (20 minutes) before Period 4.
» **Continuous Scheduling:** To ensure campus safety and proper supervision, students must have a full schedule of back-to-back classes. Unattended waiting at the Library or at Autoline, or gaps in the schedule are not permitted.

## Waitlists

Maximum class sizes range from 12 to 24 students. If a course is full, you may join the waitlist, though placement is not guaranteed.

» **Processing:** Waitlists are processed as space becomes available.
» **Notification:** The Summer Programs Office will notify you via email if your child clears the waitlist or if we are unable to accommodate the request.
» **Availability:** For classes with exceptionally long waitlists, additional sections may be considered depending on teacher and classroom availability. Otherwise, the class will be removed from the Registration Portal.

## Tuition and Fees

**Full payment is due at the time of registration.**
**Payment Methods:** Visa, Mastercard, or American Express.
**Confirmation:** Your registration is not confirmed until payment is submitted. You will receive a confirmation email upon successful checkout.

## Course Additions and Changes

To request a course change (replace a course, change time, drop a course), email LSsummer@iolani.org with the student's name, grade and change details. Changes are subject to approval and cannot be made online.

» **Change Fee:** $50 per request after initial registration.
» **Late Change Fee:** $100 for changes made after the course begins
» **Deadline:** No changes are permitted after the second class meeting

## Withdrawal and Refund Policy

Withdrawal and refund processing are based on the date the Summer Programs Office receives written notification via email at USsummer@iolani.org.

| Notification Date | Refund Amount |
|---|---|
| **Within 48 Hours of** registration | 100% (less $50 processing fee) |
| **Through Friday, April 24** | 75% refund |
| **Through Monday, May 11** | 50% refund |
| **After Monday, May 11** | **No Refunds** |

**Note: There are no refunds or prorated billing for missed course time, regardless of the reason for absence.*

## Canceled Courses

If a course is canceled due to low enrollment or at the discretion of the Summer Programs Office, parents will be notified via email. We will assist you in finding an alternative course if space is available.

# » Course Registration

### Late Registration (After May 11)

Online registration closes on Monday, May 11. For inquiries after this date, contact LSsummer@iolani.org with the student's name, grade and desired course(s). If space is available, a $100 late fee per course will apply.

### International Student Requirements

We welcome visiting international students! Please **CLICK HERE** for specific requirements.

» Eligibility: Students attending school outside the U.S. must be 7 (seven) years old by June 15, 2026.

» English Proficiency: All students must be proficient in English comprehension and communication to participate.

## 2026 SUMMER REGISTRATION DATES

**Registration opens at 12:00 p.m. noon, Hawai'i Standard Time**

**Current 'Iolani student registration opens:**

| | |
|---|---|
| **March 4, Wednesday** | Entering grades 7-9 |
| **March 6, Friday** | Entering grades 10-12 |
| **March 10, Tuesday** | Entering grades 4-6 |
| **March 12, Thursday** | Entering grades 1-3 |

**New and Visiting student registration opens:**

| | |
|---|---|
| **March 16, Monday** | Siblings of current 'Iolani students (Grades 1-12), newly enrolling 'Iolani students grades 6-12 |
| **March 17, Tuesday** | 'Iolani Kindergarten applicants |
| **March 18, Wednesday** | Visiting students grades 7-12 |
| **March 19, Thursday** | Visiting studentsgrades 1-6 |
| **May 11, Monday** | Registration closes K-12 |

# » Sample Schedule

## COURSE PLANNING

To ensure a smooth registration process and maintain a safe, structured environment for all students, please adhere to the program guidelines as you plan your child's summer schedule.

## REGISTRATION TIPS

» **Grade Level:** Register your child for the grade level they will be entering in the Fall 2026-27 school year.
» **Morning First:** All Lower School students must take morning classes. You cannot register for afternoon-only sessions.
» **Full Schedules:** Classes must be "back-to-back" with no gaps. Students cannot have "free periods" or wait unattended in the Library or Autoline.
» **June or July:** Choose either June or July morning classes as course material will repeat. Exception for afternoon courses marked with an asterisk (*).
» **First & Second Choice:** Spaces fill quickly during registration, so choose a few desired courses and use the Course Planning Worksheet

# » K-1 Morning Courses

## Kick Start Kindergarten

**Time: 7:30 am - 12:00 pm**
**5 weeks $1,050**
**Lunch period included with class**
Open to ʻIolani Kindergarten applicants for the 2026 - 2027 School Year ONLY

This class will uncover some of the wonder involved in the day-to-day life of Kindergarten at ʻIolani School. Students will explore and begin to understand classroom expectations through a variety of subjects like art, music, math, writing, and reading. Daily activities will help students gain social skills to practice developing healthy friendships. Since Kindergarten is the entry point to a formal education, students will begin to understand the etiquette required for a successful learning experience. Students will develop meaningful work habits through persistence and will practice readiness by applying past knowledge to new situations. Your child will participate in a classroom that supports creating, imagining, and innovating. Kindergarten, here I come!

Students will stay with their class through lunch and be dismissed at 12:00 p.m. to the K-1 Autoline or escorted to their afternoon class. Please ensure your child has a meal plan or a home lunch daily. Afternoon students will have a 30-minute rest period immediately following lunch.

## Entering Grade 1

**Time: 7:30 am - 11:40 am**
**5 weeks $900**
Entering Grade 1 supports students in reviewing and strengthening the essential skills needed for a confident start to first grade. The course focuses on reinforcing what children have already learned so they feel prepared, independent, and ready to succeed.

Mornings are organized into dedicated reading, writing, and math blocks. Students engage in activities that refine their language arts skills, including handwriting, sight word recognition, decoding, and reading comprehension, using engaging and age-appropriate materials. In math, students practice key concepts such as counting, comparing numbers, and recognizing number patterns through hands-on activities and manipulatives that keep learning fun and meaningful. Common Core–aligned strategies are incorporated throughout to help ensure students are truly ready for the transition to first grade.

## Keiki O Ka Lā  Kindergarten-Grade 1*

**Time: 7:30 am - 11:40 am**
**June Term $610**
**July Term $450**
***Students may enroll in both sessions.***
Keiki o Ka Lā - the Sunshine Kids! We are the Sunshine Kids!  Our program incorporates daily opportunities which focus on working as One Team, while exploring a variety of topics and themes. Lessons will intertwine science experiments, arts and crafts projects, music, geography, math, and language arts. We will explore our ʻIolani campus as we participate in outdoor adventures such as hugging trees, cloud watching, bug hunting, and bird walks. Children will enjoy learning more about our special island home as we share legends, knowledge of plants, animals, and Hawaiian games. Daily discussions will focus on brainteasers and problem solving strategies that continue to enable our keiki to build a healthy mind and body. We are Keiki O Ka Lā!  Watch us shine!

## LEGO STEM Explorers Grade 1

**Time: 7:30 am - 11:40 am**
**June Term $730**
**July Term $560**
Gears are turning, motors are revving, and imaginations are taking off! In this hands-on engineering lab, students will explore the exciting world of physics, mechanics, architecture and design using thousands of LEGO® bricks and specialized components. From motorized ziplines and battle-ready Pokémon walkers to towering skyscrapers and speeding gear cars, each project is a creative STEM challenge that turns play into purpose. Working collaboratively in a fun, supportive environment, young builders will sharpen their problem-solving skills, experiment boldly, and bring big ideas to life. Whether they're new to LEGO engineering or returning for more, students will be guided by an experienced instructor to build smarter, stronger, and more creatively than ever before. This summer will feature brand-new projects and all materials are provided, the same curriculum will be taught in both sessions. Class presented by Wrenn Okada Photography + Design.

## Power Up with STEAM Grade 1

**Time: 7:30 am - 11:40 am**
**June Term $610**
**July Term $450**
Young builders will harness the power of STEAM (science, technology, engineering, art, math) to address both real-life challenges and those from storybooks. Employing the engineering and design process, students will construct a new bridge for the Billy Goats Gruff and devise creative solutions for challenges within the K-1 Community. Additionally, students will gain proficiency in utilizing green screen technology and engage in scientific experiments, math problem-solving, and imaginative art projects to further power up their skills.

# » Grades 2-3 Morning Courses

## Entering Grade 2 Language Arts

**Time: 7:30 am - 9:25 am OR 9:45 am - 11:40 am**
**5 weeks $500**

Entering Grade 2 Language Arts offers incoming second graders a chance to build upon the fundamentals developed during the school year to ensure a smooth transition into the next grade level. The primary goal of this course is to establish the solid foundation required for entering second grade using engaging content in an interactive format designed to help students develop a love for reading and writing strong enough to keep pencils and journals in their hands all through the summer months and straight into second grade! Reading and writing are reciprocal processes, therefore instruction is taught together.

## Entering Grade 2 Math

**Time: 7:30 am - 9:25 am OR 9:45 am - 11:40 am**
**5 weeks $500**

Entering Grade 2 Math offers incoming second graders a chance to build upon the fundamentals developed during the school year to ensure a smooth transition into the next grade level. The math curriculum emphasizes addition, subtraction, fact fluency, and word problems. As math detectives, students will investigate and implement new strategies that they learn. Opportunities to work with Common Core Strategies are incorporated throughout the duration of this class.

## Entering Grade 3 Language Arts

**Time: 7:30 am - 9:25 am OR 9:45 am - 11:40 am**
**5 weeks $500**

Entering Grade 3 Language Arts is designed to help students review and strengthen the skills they need for a strong, confident start to third grade. Lessons focus on reinforcing core reading and writing skills in an engaging, interactive environment.
Students will work with a variety of texts, including fiction, nonfiction, fairy tales, and fantasy, to practice key skills such as comprehension, inference, and thoughtful discussion. Through the full writing process, they will gain independence as writers, learning to organize their ideas and express their own creative voice while getting ready for the demands of third grade language arts.

## Entering Grade 3 Math

**Time: 7:30 am - 9:25 am OR 9:45 am - 11:40 am**
**5 weeks $500**

Entering Grade 3 Math is designed to help students review and strengthen the math skills they need for a successful year in third grade. The course emphasizes solidifying core concepts through engaging, interactive activities that keep students interested and willing to tackle challenges.

Students revisit important ideas such as place value, basic rounding, and foundational addition and subtraction, and see how these skills connect across different areas of math. They explore a range of problem-solving strategies, including Singapore Math and Common Core–aligned approaches, as they work through word problems and puzzles to build accuracy, flexibility, and confidence.

## Art of Mindfulness Grade 2-3

**Time: 7:30 am - 9:25 am OR 9:45 am - 11:40 am**
**June Term $385**
**July Term $285**

Do you like to doodle, love bright colors, or just want a fun way to learn coping skills? In this course, you'll use art to practice mindfulness and discover simple strategies to help you handle big feelings. You'll explore neurographic art techniques to turn worries, stress, and other emotions into creative artwork. It's a fun way to train your brain to stay calm, focus, and relax while you create something amazing.

## Breaks R4 Kidz Grade 2-6*

**Time: 9:45 am - 11:40 am**
**June Term $430**
**July Term $330**
***Students may enroll in both sessions.***

The BreaksR4Kidz Summer Program turns self-improvement into a real-life video game. By connecting familiar gaming concepts of levels, skills and progression to the art of breakdancing, Coach TomSolo inspires students of all ages and backgrounds to "level up" both on and off the floor. Students will build confidence, creativity, and discipline while learning about Hawai'i's rich hip-hop and breaking culture. Whether your child is a gamer, artist, athlete, or musician, breaking just might be their next great adventure. Class presented by BreaksR4Kidz. This class combines students grades 2-6.

## Camp S'more! Grade 2-3

**Time: 7:30 am - 9:25 am OR 9:45 am - 11:40 am**
**June Term $385**
**July Term $285**

Ignite your passion for reading while delving into the finest books beneath the stars! Throughout our camping-themed days, we'll fully engage in both reading and writing, emphasizing deep comprehension. And what's a camp without some enjoyable camp crafts thrown into the mix? Join your fellow campers as we follow the trail that unveils the discovery of your inner reader!

# » Grades 2-3 Morning Courses

## Checkmate Champions Grade 2-3

**Time: 7:30 am - 9:25 am**
**July Term $355**

In Checkmate Champions, students will sharpen their minds as they learn the timeless game of chess in a fun, supportive setting. Through mini-lessons, guided practice, and plenty of gameplay, students will explore opening strategies, tactical patterns (like forks, pins, and skewers), and endgame basics. Beginners will build confidence with the rules and simple strategies, while more experienced players will deepen their understanding of planning and decision-making. Along the way, students will practice critical thinking, patience, and good sportsmanship as they compete in friendly matches and a class tournament. Class presented by Aloha Chess Academy.

## Critter Chronicles Grade 2-3

**Time: 7:30 am - 9:25 am OR 9:45 am - 11:40 am**
**June Term $385**
**July Term $285**

Students discover the wonders of the animal world through both fiction and nonfiction books, learning fascinating facts about creatures big and small. Each child chooses an animal to research, then writes a creative “day-in-the-life” story from their animal’s perspective. Along the way, students create colorful animal fact posters, investigate endangered species, and design “Save Our Animal” campaign letters. This lively, cross-curricular class combines reading, writing, art, and science to build curiosity and advocacy for wildlife.

## Discover Hawai‘i Grade 2-3

**Time: 7:30 am - 11:40 am**
**June Term $630**
**July Term $450**

E komo mai! Welcome to Discover Hawai‘i, a captivating course that seamlessly integrates Hawaiian culture and history with language arts and science. Students will embark on a journey to explore the eight major islands, gaining insights into their unique features and cultural significance.

This immersive experience goes beyond traditional learning, offering students a chance to delve into the rich tapestry of Hawai‘i’s landscapes and traditions. Through a combination of classroom sessions and enriching field trips, participants will deepen their understanding of the islands' geographical, historical, and cultural aspects.

## Groove Academy Grade 2-3

**Time: 9:45 am - 11:40 am**
**June Term $385**
**July Term $285**

Get ready to move, groove, and express yourself in Groove Academy! This high-energy summer dance class introduces students to the exciting styles of dance. Each week focuses on a new style, allowing students to build coordination, flexibility, and confidence while learning fun choreography. Alongside dance techniques, students will explore the creative elements of movement and even have the chance to create their own routines. The class culminates in a lively performance where students will showcase their skills and creativity for family and friends. Groove Academy is the perfect blend of fun, self-expression, and teamwork. All skill levels are welcome. Instruction and choreography will be tailored to suit the dancer's age and experience level. This class combines students grades 2-6.

## Keiki Cooking Lab : Tiny Tastemakers Grade 2-3

**Time: 7:30 am - 9:25 am**
**June Term $585**
**July Term $450**

Welcome to Keiki Cooking Lab: Tiny Tastemakers, an introductory cooking class designed especially for young chefs in grades 2 and 3! In this fun and supportive hands-on course, students will explore the joy of cooking while learning basic kitchen skills, simple techniques, and important safety habits. Tiny Tastemakers will discover where food comes from, learn about flavors and ingredients, and build confidence as they measure, mix, and assemble a variety of kid-friendly dishes. With an emphasis on creativity, teamwork, and trying new foods, Keiki Cooking Lab: Tiny Tastemakers features brand-new recipes tailored for young chefs and inspired by familiar favorites and renowned global flavors such as French Toast. Japanese Curry, Boba Drinks and Miso Soup. All cooking equipment and ingredients are provided and the same curriculum will be taught in both sessions. No peanuts, tree nuts, shellfish, or raw seafood/meat will be consumed in this class; however, wheat, gluten, soy, sesame, dairy, eggs, meat, and fish may be consumed. Class presented by Wrenn Okada Photography + Design.

# » Grades 2-3 Morning Courses

## Keiki Music Adventures Grade 2-3

**Time: 7:30 am - 9:25 am OR 9:45 am - 11:40 am**
**June Term $385**
**July Term $285**

Embark on a fun-filled musical journey in Keiki Music Adventures! Join us this summer as we explore music from world cultures, play instruments, and learn music theory. Students will participate in a variety of play-based activities such as singing, instrument playing, improvisation, composition, dancing, and teamwork-based games. The songs and games will incorporate a variety of world cultures from Japan, China, the Philippines, Korea, Africa, and Hawai'i. Examples of the types of instruments playing include xylophones, 'ukulele, hand drums, and other percussion instruments. This course will inspire the joy of music and a strong sense of community, musical appreciation, and cultural understanding among our keiki. Whether it's tapping a djembe from West Africa, playing a traditional music game, or learning a song in another language, Keiki Music Adventures will provide a hands-on, playful experience that celebrates the joy of music and cultural exploration. Join us for a summer full of discovery, movement, and music-making!

## Math Olympics, Jr. Grade 2-3

**Time: 7:30 am - 9:25 am OR 9:45 am - 11:40 am**
**June Term $385**
**July Term $285**

Bring your energy and One Team spirit for Math Olympics! In this high-energy camp, students compete in wild and wacky math events that build fluency, logic, and sportsmanship. From relay races with numbers to estimation tournaments and logic obstacle courses, every champion discovers just how fun math can be!

## Movement Fun with Circus Olina Grade 2-3*

**Time: 9:45 am - 11:40 am**
**June Term $475**
**July Term $390**

***Students may enroll in both sessions.***

In this course your child will be moving a lot! The course combines fun games, stretching exercises, jumping rope, hula hooping, balance, and coordination activities for grades 2-6. Our PE-style games will challenge everyone's agility, speed, and teamwork skills. Your child will learn different circus disciplines like juggling, spinning plates, Chinese yo-yo, walking across the balance beam, tightroping and so much more. All activities are designed in a creative, fun, and engaging way, helping children improve their muscle tone, increase balance, and develop better equilibrium reactions. Join us for a fun and engaging course! If you have any questions regarding this course, please contact Circus Olina at circusolina@gmail.com. Class presented by Circus Olina.

## Ocean Odyssey Grade 2-3

**Time: 7:30 am - 9:25 am OR 9:45 am - 11:40 am**
**June Term $400**
**July Term $300**

Plunge into the depths and uncover the secrets of oceanic creatures. Learn about their habitats and discover ways to ensure the safety of our oceans. Delve into the intricacies of our island ecosystem, uncovering the unique features that make Hawaiian waters so extraordinary! Through engaging projects and activities, students will seamlessly blend reading, writing, science, and art to gain a profound understanding of the wonders within our captivating underwater world.

## Our Island Home: Nature Explorers Grade 2-3

**Time: 7:30 am - 9:25 am OR 9:45 am - 11:40 am**
**June Term $385**
**July Term $285**

Explore the wonders of nature in Hawai'i and beyond in this course where students learn about local plants and animals, discover how to take care of our environment, and join in exciting eco-friendly activities. Through outdoor adventures, simple science experiments, and Hawaiian cultural practices, children will develop a love for nature and learn how to be good caretakers of our islands. The course combines Hawaiian knowledge with easy-to-understand global environmental ideas, perfect for nurturing young, earth-loving citizens. Students will gain a greater appreciation for Hawai'i's natural beauty and understand how it connects to the wider world.

## Passport to Discovery Grade 2-3

**Time: 7:30 am - 9:25 am OR 9:45 am - 11:40 am**
**June Term $385**
**July Term $285**

Ohayoo gozaimasu! Cómo estás? Join us on a fantastic adventure to countries around the world! This interdisciplinary course engages students on a world expedition of learning through a balanced blend of social studies, reading, writing, and creative arts. Throughout the class, students will apply their critical thinking skills as they explore geography and cultural traditions. Creative drama and music activities will enhance their understanding and appreciation of different cultures. Fun and exciting arts and crafts projects will tap students' creativity, while cooking cultural cuisines will tease their taste buds! Enrich your child's experience this summer with a passport to discovery!

## Pokemon Masters Card League Grade 2-3*

**Time: 9:45 am - 11:40 am**
**June Term $500**
**July Term $390**
***Students may enroll in both sessions.***
Calling all Pokémon Trainers, collectors, and fanatics! Your next evolution begins here! In this action-packed course, students will dive deep into the official Pokémon Trading Card Game. They'll learn gameplay rules, develop winning strategies, and build a custom deck to battle classmates and compete for powerful cards and exclusive prizes. Throughout the course, students will break open booster packs, chase rare cards, trade with classmates and learn beginner-friendly investment tips to turn their collection into a potential goldmine. Participants will take home a 60-card customized deck, card sleeves, additional competitive Pokémon cards and a rare vintage card. All materials will be provided and new decks, booster packs and prize cards will be featured in each session, so returning trainers always have something fresh to catch. Class presented by Wrenn Okada Photography + Design.

## Stop-Motion Moviemakers Grade 2-3

**Time: 7:30 am - 9:25 am OR 9:45 am - 11:40 am**
**June Term $435**
**July Term $345**
Lights, camera, animate! In this creative program, students are introduced to both clay stop-motion and software animation. To start the course, students sculpt their own clay characters and bring them to life using frame-by-frame animation techniques. Later on, students learn how to use digital animation tools on iPads to create frame-by-frame animations and movies. This class blends art, storytelling, and technology in a fun, supportive way—perfect for imaginative kids who love movies and animation. All levels welcome. Class presented by Keiki Coders.

## Summer ARTlab Grade 2-3

**Time: 7:30 am - 9:25 am OR 9:45 am - 11:40 am**
**June Term $400**
**July Term $300**
Experience ARTlab! Taking inspiration from popular illustrators and famous artists, students will learn about and use the seven elements of art to explore their imaginations and express their creativity. Students will record what they learn in an art journal, do art projects every day, and reflect upon their masterpieces. A robust art portfolio will be the end result of a fun and engaging class session! (Optional: extra large T-shirt, art smock or apron)

## Words in Action Grade 2-3

**Time: 7:30 am - 9:25 am OR 9:45 am - 11:40 am**
**June Term $380**
**July Term $280**
Books leap off the page with drama, games, and creative projects in this lively course! Students play with stories through reader's theater, storytelling games, and imaginative book-inspired art, helping every child build confidence, teamwork, and a lasting love of reading.

# » Grades 4-6 Morning Courses

## Entering Grade 4 - Language Arts

**Time: 7:30 am - 9:25 am OR 9:45 am - 11:40 am**
**5 weeks $500**

Entering Grade 4 Language Arts helps students review and strengthen the key skills they need for a successful year in fourth grade. The course focuses on reinforcing core reading and writing abilities through engaging, interactive lessons that support confidence and enjoyment in language arts.

Students practice reading with purpose, understanding, accuracy, and expression as they work to become more skilled, thoughtful readers. They learn to identify main ideas and use context to figure out unfamiliar vocabulary, while also working with topic sentences and supporting details to better understand and explain what they read.

With guidance and support, students use the planning, drafting, and editing process for different kinds of writing, including narrative, informational, and opinion pieces, helping them grow as clear and organized writers.

## Entering Grade 4 - Math

**Time: 7:30 am - 9:25 am OR 9:45 am - 11:40 am**
**5 weeks $500**

Entering Grade 4 Math is designed to help students review and strengthen the key skills they need to feel prepared for fourth grade math. The course emphasizes solidifying core math concepts through engaging, interactive activities that support confidence and a positive attitude toward math.

Students practice applying problem-solving strategies to interpret and solve word problems, while reinforcing the four basic operations. They also use rounding and estimation to check the reasonableness of their answers and review equations to stay sharp for fourth-grade expectations. Common Core-aligned strategies are woven throughout the class, giving students multiple ways to approach problems and helping them feel ready for the challenges of the upcoming school year.

## Entering Grade 5 - Language Arts

**Time: 7:30 am - 9:25 am OR 9:45 am - 11:40 am**
**5 weeks $500**

Entering Grade 5 Language Arts helps students review and strengthen their language arts skills in preparation for fifth grade. The course reinforces core reading and writing abilities through engaging, interactive lessons that support confidence and enjoyment in literacy.

Reading activities focus on helping students sift through information, identify important and relevant details, and summarize key ideas. Using the required summer reading text for all ʻIolani entering fifth graders, students revisit and apply reading and analyzing strategies. Students also practice narrative and essay writing, concentrating on organizing ideas clearly and expressing their thinking in well-developed pieces. Through work with different memoir structures, they continue to strengthen their expository and narrative writing skills, building on what they have previously learned.

## Entering Grade 5 - Math

**Time: 7:30 am - 9:25 am OR 9:45 am - 11:40 am**
**5 weeks $500**

Entering Grade 5 Math helps students review and strengthen the math skills they have already learned so they feel prepared going into fifth grade. The class focuses on reinforcing core concepts through engaging, interactive practice that supports confidence and a positive outlook toward math.

Students revisit and solidify key skills such as multiplying and dividing up to four-digit numbers by one- or two-digit numbers, as well as fluently adding and subtracting multi-digit whole numbers using the standard algorithm. Common Core–aligned strategies are incorporated throughout to give students structured practice with approaches they already know and use.

## Entering Grade 6 - Language Arts

**Time: 7:30 am - 9:25 am OR 9:45 am - 11:40 am**
**5 weeks $500**

Entering Grade 6 Language Arts focuses on strengthening and polishing the reading and writing skills students have already developed so they feel ready for the expectations of sixth grade. The course provides structured, engaging practice that reinforces what students know while building confidence and independence as learners.

Reading work includes analysis, interpretation, outlining, and note-taking, using book clubs and the summer reading text as opportunities to review and apply familiar strategies in meaningful ways. Students also revisit key writing concepts, with an emphasis on organizing ideas, supporting them with clear details, and revising their work to improve clarity and effectiveness.

# » Grades 4-6 Morning Courses

## Entering Grade 6 - Math

**Time: 7:30 am - 9:25 am OR 9:45 am - 11:40 am**
**5 weeks $500**
Entering Grade 6 Math focuses on reviewing and strengthening the math skills students have already learned so they feel ready for sixth-grade expectations. The course emphasizes solid practice with core concepts in an engaging, interactive environment that supports confidence and a positive outlook toward math.

Students revisit key topics such as fractions and decimals while sharpening their overall problem-solving skills through a variety of structured activities and exercises. Common Core–aligned strategies are incorporated throughout the class, giving students additional practice with familiar approaches and helping them feel steady and prepared for the year ahead.

## Kick Start 6^

**Time: 7:30 am - 11:40 am**
**5 weeks $900**
Reserved for ALL rising and newly enrolled ʻIolani grade 6 students. Kick Start 6 is designed to empower the newest LEADERS of the Lower School for the important transition to sixth grade at ʻIolani School. Through fun, integrated activities, students will build the foundation and skills for academic success, nurture social and emotional well-being, and learn new ways to actively participate in the ONE TEAM culture.

Students will strengthen skills for reading and writing related to both fiction and non-fiction. Analysis, interpretation, outlining, and notetaking will be emphasized through Social Studies and Language Arts. Students will review fractions and decimals in math while strengthening their problem-solving skills. In science, students will practice their measurement skills and apply their creative skills to a variety of fun engineering design and STEM projects. A comprehensive orientation to Google Classroom and iPad usage, as well as study tips and organizational skills will be a critical part of this class.

On Fun Fridays, students will meet new friends, participate in outdoor games and activities, and become familiar with the campus and the new Kaneshiro Learning Community! All books and materials are included in the course fee.

## Animation Studio: Stop Motion Design Grade 4-6

**Time: 7:30 am - 9:25 am OR 9:45 am - 11:40 am**
**June Term $435**
**July Term $345**
This creative animation course introduces students to software-based stop-motion and frame-by-frame animation. Using beginner-friendly animation tools, students create short animated movies, scenes, and dynamic sequences such as kung-fu battles or character challenges. Students focus on storytelling, timing, and motion to make their animations smooth and expressive. The course blends creativity and technology while giving students an opportunity to create a portfolio of animations. All levels welcome. Class presented by Keiki Coders.

## Artful Math Grade 4-6

**Time: 7:30 am - 9:25 am OR 9:45 am - 11:40 am**
**June Term $380**
**July Term $280**
In this captivating course, mathematical concepts and artistic expression blend in perfect harmony. Students will uncover the hidden connections between geometry and drawing, fractions and color theory, and symmetry and design. Through hands-on activities and collaborative projects, students create stunning visual art pieces while reinforcing key math skills. From tessellations to fractals, from golden ratios to perspective drawing, each lesson reveals the beauty that emerges when logic meets creativity. Tackling new projects and challenges each day, students will sharpen their problem-solving abilities, recognize the mathematical patterns in nature, and the artistic potential in equations.

## Breaks R4 Kidz Grade 2-6*

**Time: 9:45 am - 11:40 am**
**June Term $430**
**July Term $330**
***Students may enroll in both sessions.***
The BreaksR4Kidz Summer Program turns self-improvement into a real-life video game. By connecting familiar gaming concepts of levels, skills and progression to the art of breakdancing, Coach TomSolo inspires students of all ages and backgrounds to "level up" both on and off the floor. Students will build confidence, creativity, and discipline while learning about Hawaiʻi's rich hip-hop and breaking culture. Whether your child is a gamer, artist, athlete, or musician, breaking just might be their next great adventure. Class presented by BreaksR4Kidz.
This class combines students grades 2-6.

## Checkmate Champions Grade 4-6

**Time: 9:45 am - 11:40 am**
**July Term $355**
Designers will embark on a creative journey as we explore various In Checkmate Champions, students will sharpen their minds as they learn the timeless game of chess in a fun, supportive setting. Through mini-lessons, guided practice, and plenty of gameplay, students will explore opening strategies, tactical patterns (like forks, pins, and skewers), and endgame basics. Beginners will build confidence with the rules and simple strategies, while more experienced players will deepen their understanding of planning and decision-making. Along the way, students will practice critical thinking, patience, and good sportsmanship as they compete in friendly matches and a class tournament. Class presented by Aloha Chess Academy.

# » Grades 4-6 Morning Courses

## Chinese Language & Culture: Festivals of China Grade 4-6

**Time: 7:30 am - 9:25 am OR 9:45 am - 11:40 am**
**June Term $380**

Embark on a vibrant adventure into the heart of Chinese culture through its most beloved festivals! Students will explore the history, language, and traditions of three major celebrations: the Mid-Autumn Festival, the Spring Festival (Lunar New Year), and the Lantern Festival. Hands-on activities include crafting mid-Autumn "moon cakes," writing Spring Couplets for the New Year, making classic folk crafts like tanghulu and much more! Join us on this fun cultural journey to uncover ancient history and discover the language and legends of China.

## Comic Creators Grade 4-6

**Time: 7:30 am - 9:25 am OR 9:45 am - 11:40 am**
**June Term $380**
**July Term $280**

Unlock the secrets of graphic storytelling in this dynamic course. Immerse yourself in a world where creativity knows no bounds as we guide you through the art of crafting your own graphic narrative. From character design to plot development, you'll explore the fundamentals of sequential storytelling and gain hands-on experience in bringing your ideas to life on the comic canvas. Join us for an exhilarating journey where your imagination takes center stage, and your unique graphic story is unleashed. This course is perfect for aspiring graphic novelists, illustrators, and anyone eager to delve into the captivating realm of visual storytelling. Discover the power of your creative voice!

## Community Builders: The ONE TEAM Challenge Grade 4-6

**Time: 7:30 am - 9:25 am OR 9:45 am - 11:40 am**
**June Term $380**

Students work together to build their own neighborhood, solve community challenges as a team, and learn what it means to be a leader and a good neighbor. Through hands-on projects, role-play, and group problem-solving, kids discover the power of teamwork, kindness, and civic responsibility 'Iolani One Team style.

## Crafter's Studio Grade 4-6

**Time: 7:30 am - 9:25 am OR 9:45 am - 11:40 am**
**June Term $400**
**July Term $300**

Expand your artistic toolkit in the Crafter's Studio! We will explore the intersection of art and design through projects ranging from expressive self-portraits to structural papier-mâché and air-dry clay creations. Along the way, we'll master the elements of art like texture, form, and pattern, while sharpening problem-solving skills and gaining confidence as young artists.

## Discover Korea Grade 4-6

**Time: 7:30 am - 9:25 am OR 9:45 am - 11:40 am**
**June Term $380**
**July Term $280**

Experience the vibrant world of Korean culture this summer! Our engaging course introduces students to the rich tapestry of Korean life, both traditional and modern. You'll learn basic Korean phrases and greetings, taste and prepare popular dishes, and uncover Korea's fascinating history and folklore. We'll also examine contemporary Korean entertainment, including K-pop and popular media. Through hands-on activities, you'll create traditional arts and crafts, gaining a deeper appreciation for Korean cultural practices. From ancient palaces to bustling markets, kimchi to K-dramas, this class offers a fun and comprehensive introduction to the Land of the Morning Calm. Join us to experience the unique blend of tradition and innovation that defines Korea today!

## DIY Dreams Grade 4-6

**Time: 9:45 am - 11:40 am**
**June Term $400**

In DIY Dreams, students will explore a variety of hands-on crafts as they bring their creative ideas to life. Throughout the session, they'll learn beginner-friendly crochet, simple hand-sewing techniques, and a range of paper crafts such as cards, mini-books, and decorative art. Projects may include making small crochet accessories, stitched felt creations, and personalized paper keepsakes. Students will practice following step-by-step instructions, planning their designs, and adding their own unique touches to each project. This class is perfect for makers who enjoy working with their hands and want to try different types of crafting in a fun, supportive environment.

## E-Sports Academy: Play, Compete, Dominate Grade 4-6

**Time: 7:30 am - 9:25 am OR 9:45 am - 11:40 am**
**June Term $380**

Take your competitive gaming skills to the next level! We will focus on mastering popular Nintendo Switch titles like Super Smash Bros. and Mario Kart. Students will not only sharpen gameplay strategies, develop communication, and build team cohesion, but will also gain invaluable real-world experience through Competition Planning Teams. These teams will fully design and execute a weekly tournament—from game selection and rule-setting to designing promotional posters and creating custom trophies in our design-tech lab. Grow as a player, leader, and designer as you experience the excitement of competitive Esports and leave a lasting mark on the Academy. Are you ready to dominate the arena and run the show?

# » Grades 4-6 Morning Courses

## Go Green! Grade 4-6

**Time: 7:30 am - 9:25 am OR 9:45 am - 11:40 am**
**June Term $380**
**July Term $280**

Explore eco-friendly choices in our daily lives that help take care of our earth in this "less screen, more green" class. Students will learn about topics like reducing waste, reusing materials, and saving energy in fun, age-appropriate ways. During hands-on "Green Time" activities with plants and nature-inspired arts and crafts, they'll put devices aside to dig in, create, and connect with the natural world. Students will discover small changes they can make at home and at school to live more sustainably and become everyday Earth helpers.

## Groove Academy Grade 4-6

**Time: 9:45 am - 11:40 am**
**June Term $385**
**July Term $285**

Get ready to move, groove, and express yourself through exciting styles of dance in Groove Academy! Each week focuses on a new style, allowing students to build coordination, flexibility, and confidence while learning fun choreography. Alongside dance techniques, students will explore the creative elements of movement and even have the chance to create their own routines. The class culminates in a lively performance where students will showcase their skills and creativity for family and friends. Groove Academy is the perfect blend of fun, self-expression, and teamwork. All skill levels are welcome. Instruction and choreography will be tailored to suit the dancer's age and experience level. This class combines students grades 2-6.

## Hawai'i PhotoVentures Grade 4-6

**Time: 7:30 am - 9:25 am**
**June Term $500**
**July Term $390**

Hawaii PhotoVentures will introduce students into the awe-inspiring world of photography! Students will see the world in a fresh and unique perspective using the state-of-the-art Professional Sony Mirrorless Cameras, while developing skills in the arts of portrait, landscape, product and street photography. Students will learn the complete editing process through Adobe Lightroom and principles in composition, studio lighting, rule of thirds, indoor vs outdoor photography and much more will be explored while students shoot, edit, print and showcase their work in a take-home portfolio. Students will have access to professional Sony Mirrorless Cameras, lighting, props, tripods, backdrops and more. Once per week we will embark on a walking excursion to the surrounding area to explore and shoot off campus. All photography equipment and materials are provided, and the same curriculum will be taught in both sessions. Students will take home prints of their favorite photos along with a digital gallery of all their work. Class presented by Wrenn Okada Photography + Design.

***For NEW students only. Students who took the class in prior summers should not enroll.*

## Keiki Cooking Lab: Bento & Beyond Grade 4-6

**Time: 9:45 am - 11:40 am**
**June Term $585**

Welcome to Keiki Cooking Lab: Bento & Beyond, where young culinary enthusiasts embark on a delicious journey through the flavors of Japan and Asia! In this immersive, hands-on cooking course, students will explore vibrant food traditions while learning the artistry, creativity, and techniques behind beloved regional dishes. Budding chefs will practice essential kitchen skills and safety, discover the cultural history and science behind ingredients, and express their creativity through thoughtful preparation and presentation. From popular favorites such as Orange Chicken, Yakisoba, Boba Drinks and Sushi Rolls, this session features brand-new recipes and exciting flavors to explore. All cooking equipment and ingredients are provided. No peanuts, tree nuts, shellfish, or raw seafood/meat will be consumed in this class; however, wheat, gluten, soy, sesame, dairy, eggs, meat, and fish may be consumed. Class presented by Wrenn Okada Photography + Design.

## Keiki Cooking Lab: Local Grinds & Western Finds Grade 4-6

**Time: 9:45 am - 11:40 am**
**July Term $450**

Welcome to Keiki Cooking Lab: Local Grinds & Western Finds, where young culinary enthusiasts embark on a delicious journey through the flavors of Hawai'i and classic Western cuisine! In this immersive, hands-on cooking course, students will explore beloved local dishes alongside popular American and Western favorites, learning the techniques and creativity behind comfort foods and island classics. Budding chefs will practice essential kitchen skills and safety, discover the cultural history and science behind ingredients, and express their creativity through cooking and presentation. From preparing local grinds like Chicken Katsu and Spam Musubi to Western favorites such as Pasta Bolognese and Crepes, this class features brand-new recipes and exciting flavors to explore. All cooking equipment and ingredients are provided. No peanuts, tree nuts, shellfish, or raw seafood/meat will be consumed in this class; however, wheat, gluten, soy, sesame, dairy, eggs, meat, and fish may be consumed. Class presented by Wrenn Okada Photography + Design.

## Legends of Olympus Grade 4-6

**Time: 7:30 am - 9:25 am OR 9:45 am - 11:40 am**
**June Term $380**

Mythology captures the imaginations of young minds with its origins in folklore and creative explanations for understanding life. Students will explore ancient stories and characters while studying both Greek and Roman mythology, meeting gods, goddesses, heroes, and monsters along the way. Through reading and writing elements, art, videos, and other hands-on activities and projects, students will bring these legends to life and consider what the myths reveal about courage, choices, and consequences.

# » Grades 4-6 Morning Courses

## Life Skills 101 Grade 4-6

**Time: 7:30 am - 9:25 am OR 9:45 am - 11:40 am**
**June Term $385**
**July Term $300**

Get ready for an exciting journey of self-discovery and practical learning in this dynamic course designed to boost independence, confidence, and essential abilities that will serve students well in all aspects of life. Through engaging, hands-on activities, students will master a range of valuable skills such as organizing personal spaces, learning to take care of household chores, developing study habits, and practicing mindfulness. They'll enhance their social and emotional regulation skills, build executive functioning abilities, and learn to tackle household tasks with ease. Real-world scenarios and fun group projects make learning both enjoyable and effective. Join us for a summer of growth, laughter, and skill-building that will set the foundation for success at home, in school, and beyond!

## Living Aloha: Community, Culture and Service Grade 4-6

**Time: 7:30 am - 11:40 am**
**July Term $450**

Immerse yourself in the rich tapestry of Hawaiian traditions, values, and contemporary social issues. This course weaves together cultural education and social awareness, fostering a sense of kuleana (responsibility) toward Hawai'i's land, people, and future. Students will first explore a specific theme such as land stewardship, community resilience, or language and identity through classroom learning, discussion, and historical and cultural sources. They will deepen their understanding with experiential learning on field trips to culturally significant sites across O'ahu, where they will connect with cultural practitioners, community organizations, and local leaders.

Through this blend of focused study and real-world experiences, participants will examine current social challenges through Hawaiian cultural and historical lenses, contribute to service-learning projects that support local communities, and reflect on their own role in creating positive change. This course offers a unique opportunity to deepen understanding of Hawaiian culture and contemporary issues while making a meaningful impact on our island home, preparing students to be informed and engaged members of our community.

## Logic & Reasoning Grade 4-6

**Time: 9:45 am - 11:40 am**
**June Term $380**
**July Term $280**

Sharpen your thinking skills this summer with puzzles, games, and brainteasers that stretch your mind in fun ways. Students will tackle riddles, strategy games, logic grids, and real-world problem-solving challenges while learning how to spot patterns, make strong arguments, and explain their reasoning clearly. This upbeat, hands-on class builds confidence, persistence, and a love for thinking outside the box.

## Master of the Miniverse Grade 4-6

**Time: 7:30 am - 9:25 am OR 9:45 am - 11:40 am**
**July Term $325**

Ignite your imagination and let's build a realistic miniature scene while exploring scale and proportion! Students will utilize digital fabrication tools to create their miniature spaces. The laser cutter provides structural elements and supports the ability to make custom walls or unique flooring patterns and 3D printing allows students to design specific accessories or furniture-like pieces they may not be able to build with clay. Students will blend these digital components with cardboard and upcycled materials, while learning needle felting techniques to create unique, soft details, resulting in a realistic miniature space of their choice.

## Math Marvels Grade 4-6

**Time: 7:30 am - 9:25 am OR 9:45 am - 11:40 am**
**June Term $380**
**July Term $280**

Get ready to be wowed when we transform math into an adventure playground! Through daily Number Talks, hands-on activities, and collaborative problem-solving, students will boost their math skills while having a blast. Young mathematicians will sharpen multiplication and division skills with fun, real-world challenges, develop problem-solving strategies through puzzles and games, and improve mental math abilities. From creating geometric art to solving math mysteries, Math Marvels offers a summer full of "aha!" moments. Students will build confidence in their math abilities, enhance logical thinking while reinforcing fraction and decimal concepts and discover the joy of mathematical reasoning.

## Math Olympics Grade 4-6

**Time: 7:30 am - 9:25 am OR 9:45 am - 11:40 am**
**June Term $380**
**July Term $280**

Get ready to bring your energy and One Team spirit to the Math Olympics! In this fast-paced class, students tackle more challenging math events that build fluency, problem-solving, and strategic thinking. From mental math relays and multi-step word problem challenges to estimation tournaments and logic "decathlons," competitors work both independently and in teams. Along the way, students practice good sportsmanship, build confidence, and discover just how exciting and empowering math can be.

# » Grades 4-6 Morning Courses

## Minecraft Worlds & Wonders Grade 4-6

**Time: 7:30 am - 9:25 am OR 9:45 am - 11:40 am**
**June Term $380**
**July Term $280**

In Minecraft Worlds & Wonders, students will journey through imaginative virtual landscapes while exploring STEM concepts. Adventurers will tackle a series of themed quests such as voyaging with the Hōkūle'a, designing NASA-inspired rockets for a mission to Mars, and building thriving cities with their own economies and systems of government. They will use creativity, collaboration, and problem-solving skills to design and build complex structures and interactive worlds. This class welcomes both Minecraft beginners and experienced players, and each session offers fresh challenges and projects so returning students can continue to discover new wonders.

## Mission: Spy Academy Grade 4-6

**Time: 7:30 am - 9:25 am OR 9:45 am - 11:40 am**
**June Term $380**
**July Term $280**

Welcome to Spy Academy, where students become secret agents in training! Young spies will develop skills in problem-solving, critical thinking, and teamwork through fun and interactive missions. From cracking secret codes and creating disguises to building gadgets and mastering stealthy maneuvers, students will explore the exciting world of espionage. Each day brings new challenges, culminating in a final mission where agents put their skills to the test. Are you ready to accept the mission?

## Movement Fun with Circus Olina Grade 4-6*

**Time: 9:45 am - 11:40 am**
**June Term $475**
**July Term $390**

***Students may enroll in both sessions.***

In this course your child will be moving a lot! The course combines fun games, stretching exercises, jumping rope, hula hooping, balance, and coordination activities for grades 2-6. Our PE-style games will challenge everyone's agility, speed, and teamwork skills. Your child will learn different circus disciplines like juggling, spinning plates, Chinese yo-yo, walking across the balance beam, tightroping and so much more. All activities are designed in a creative, fun, and engaging way, helping children improve their muscle tone, increase balance, and develop better equilibrium reactions. Join us for a fun and engaging course! If you have any questions regarding this course, please contact Circus Olina at circusolina@gmail.com. Class presented by Circus Olina.

## Pitch Perfect Grade 4-6

**Time: 9:45 am - 11:40 am**
**June Term $380**
**July Term $280**

Calling all young singers! Join us for an exciting singing / choir experience designed for students who love music and want to explore their voices. We'll sing songs from a variety of styles, including pop hits, songs from movies or Broadway, African rhythms, Gospel harmonies, and the beautiful melodies of Hawaiian music. Best of all, if you have songs YOU want to sing, student input is welcome! Most of our singing will be done as a group, but there may also be opportunities for brave soloists.Our time together will also include music games to sharpen your listening skills and make learning to read music fun. Whether you're a seasoned performer or just discovering your love of singing, this class is for everyone who wants to have fun, make friends, and create amazing music together. Don't miss this chance to share your voice and let it shine!

## Playmakers: Improv, Acting & Storytelling Grade 4-6

**Time: 7:30 am - 9:25 am OR 9:45 am - 11:40 am**
**June Term $380**
**July Term $280**

Step into the world of theatre where students will explore the essential tools of acting through improvisation, character building, and collaborative storytelling. They will practice confidence, quick thinking, voice and movement, and the art of listening on stage. Students will also write and devise original short scenes and monologues as they learn how stories are crafted for the stage. This class emphasizes creative risk-taking, teamwork, and communication. No singing or dance experience required! The session culminates in a final performance showcase featuring original work created by the students.

## Pokemon Masters Card League Grade 4-6

**Time: 9:45 am - 11:40 am**
**June Term $500**
**July Term $390**

Calling all Pokémon trainers, collectors and fanatics! Prepare yourselves to evolve to the next level as you learn the official rules of the Pokémon Trading Card game, play and build your very own deck and battle to earn powerful and strategic advantages against your opponents. Then boost your design and photography skills as you capture amazing images of wild Pokémon and design a custom printed Pokémon card to add to your collection. Trainers will also learn investing tips, acquire vintage cards, open packs and trade with each other to turn their card collection into a Pokémon goldmine! All materials will be provided and participants will take home a 60-card tournament regulation deck, card sleeves, additional rare and competitive cards, a vintage card and a custom designed Pokémon card. New decks, custom card designs, prize cards and vintage cards will be featured every session. Class presented by Wrenn Okada Photography + Design. This class combines students grades 2-6.

# » Grades 4-6 Morning Courses

## Roblox Code Masters Grade 4-6

**Time: 7:30 am - 9:25 am OR 9:45 am - 11:40 am**
**June Term $435**
**July Term $345**

Learn to code with Roblox! Using Roblox Studio and the Lua programming language, students code their own characters to move, battle, and respond during gameplay. They design and create obstacle courses (obbys), training arenas, and interactive challenges that test both skill and strategy. Along the way, they develop problem-solving skills, creativity, and confidence as game designers. Best of all, students will get to collaborate, test, and share their creations with their friends. All levels welcome. Visit keikicoders.com/roblox for full details. Class presented by Keiki Coders.

## Speak Up! The Art of Debate and Public Speaking Grade 4-6

**Time: 9:45 am - 11:40 am**
**June Term $380**
**July Term $280**

Discover the power of effective communication where students will develop essential public speaking skills through interactive activities, fun challenges, and supportive feedback. From crafting compelling stories to delivering persuasive arguments, young speakers will gain confidence, improve clarity, and learn to connect with their audience. Students will develop the tools to express themselves confidently in any setting, preparing them for success in school, future careers, and beyond.

## Video Games Design by Bricks4Kidz Grade 4-6

**Time: 9:45 am - 11:40 am**
**June Term $545**
**July Term $420**

Join us for an exciting and creative summer where you'll learn to design your very own video games! Using Scratch 3.0, students will hone their problem-solving skills while systematically creating games, stories, and more. Beginners will grasp the fundamentals of programming in an engaging manner. By developing interactive projects, learners will cultivate logical thinking and problem-solving abilities, which are vital skills both in programming and everyday life. This approach bridges the gap between creative expression and computational thinking, making it a perfect fit for classroom learning. Students will enjoy discovering how their favorite video games are made as they embark on the journey to create their own games. Class presented by Bricks4Kidz.

## ¡Viva el Español! Grade 4-6

**Time: 7:30 am - 9:25 am OR 9:45 am - 11:40 am**
**June Term $380**
**July Term $280**

This course offers a taste of the Spanish language and culture, sharing a little bit of everything from food to music, language, and traditional arts and crafts to introduce young explorers to the 21 countries of the Spanish-speaking world. Students will learn simple greetings, everyday phrases, and basic vocabulary while discovering famous celebrations, landmarks, and traditions from different Spanish-speaking countries. Through games, stories, songs, and hands-on projects, students will build curiosity and confidence as they explore how people live, speak, and celebrate across this diverse global community. No prior experience is necessary.

## Voices of Courage Grade 4-6

**Time: 7:30 am - 9:25 am OR 9:45 am - 11:40 am**
**June Term $380**
**July Term $280**

In this language arts class, students explore novels, short stories, and graphic texts featuring protagonists who face real challenges at home, at school, and in their communities. Through close reading, discussion, and creative projects (like character journals, comic strips, and short scripts), students examine how characters show courage, empathy, leadership, and resilience. They will compare and reflect on their own strengths while practicing key Language Arts skills such as citing evidence, analyzing character traits and themes, and writing thoughtful responses. Fun group activities and choice-based projects help every student see themselves as the hero of their own story.

## Wizarding World Grade 4-6

**Time: 7:30 am - 9:25 am OR 9:45 am - 11:40 am**
**June Term $380**
**July Term $280**

Journey through the wonderful world of Harry Potter, as we experiment with potions, investigating the properties of invisibility cloaks, making wands, and much more! We will explore a variety of topics like astronomy, word origin, mythology, geography through a magical lens, and be challenged in a virtual escape room!

# » Lunch and Dining Services

The Lunch Period (11:40am - 12:30pm) is reserved for students staying for afternoon classes.
Students may bring home lunch, or purchase the Meal Plan during online registration for a nutritious hot lunch every day (see below for details).

» Grades K-1 will eat lunch in the K/1 Community - Meal Plan lunches will be delivered
» Grades 2-6 will eat lunch in the Tsai Dining Hall
» **Morning-Only Students:** Grade 1-6 students not enrolled in afternoon classes must be picked up immediately after their morning classes and not allowed to stay for lunch.
» **Lunch Bunch:** Supervised lunch period (11:40 am to 12:30 pm) is available for Lower School students waiting for Upper School siblings to finish their morning classes. Contact the Lower School Summer Office to register your child.
» Snack Bar and food cash purchases are NOT allowed for Lower School students

## Meal Plan

» Provides students one Type A hot lunch per day (June and July Terms available)
» Students check in with Lunch Attendant in the Tsai Dining Hall for Meal Plan service
» Must be pre-purchased on the Registration Portal; no cash will be accepted for Meal Plan
» Meal Plan refunds will incur a $25.00 processing fee up through May 11
» Meal Plan will not be refunded nor accepted during the regular school year
» No meal service will be provided during Auxiliary weeks
» Menus will be posted on the Summer Programs website
» Contact cafe@iolani.org for inquiries about the menu or food accommodations

| | Dates | Grade | Price |
|---|---|---|---|
| June Term | June 15 - July 2 | K-6 | $87.75 |
| July Term | July 6 - July 17 | K-6 | $67.50 |

## Kindergarten Adventures*

**Time: 12:30 pm - 2:25 pm; 2:45 pm - 5:00 pm**
**June Term $385**
**July Term $280**
***Students may enroll in both sessions and both afternoon periods.***
Join us for Kindergarten Adventures! Indoor and outdoor play, arts and crafts, and organized games are all parts of this fun program. Teachers and assistants supervise students throughout the afternoon.

**2:45 pm** class students should bring an afternoon snack. Afternoon pick up is available at Autoline anytime between 3:45 pm - 5:00 pm.

*Limited to ʻIolani Kindergarten applicants for the 2026-2027 School Year enrolled in morning classes.*

## Kindergarten Design Fun

**Time: 12:30 pm - 5:00 pm**
**5 weeks $1,000**
Design Fun Kindergarten is a class in which students engage in the Engineering Design Process through hands-on learning experiences. Students will ask questions, plan, create, experiment, and improve upon their projects. Topics include simple machines, aviation, STEM challenges, shapes, and 3 Rs (reduce, reuse, recycle). A variety of fiction and nonfiction books will supplement instruction to further these topics. Students will have an exciting summer filled with wonderment and creativity! If you would like to become a young engineer, this class is for you!

Afternoon pick up is available at Autoline anytime between 4:30 pm - 5:00 pm.

*Limited to ʻIolani Kindergarten applicants for the 2026-2027 School Year enrolled in morning classes.*

## Breaks R4 Kidz Grade K-1*

**Time: 12:30 pm - 2:25 pm**
**June Term $430**
**July Term $330**
***Students may enroll in both sessions.***
The BreaksR4Kidz Summer Program turns self-improvement into a real-life video game. By connecting familiar gaming concepts of levels, skills and progression to the art of breakdancing, Coach TomSolo inspires students of all ages and backgrounds to "level up" both on and off the floor. Students will build confidence, creativity, and discipline while learning about Hawaiʻi's rich hip-hop and breaking culture. Whether your child is a gamer, artist, athlete, or musician, breaking just might be their next great adventure. This class combines students grades K-1. Class presented by Breaks R4 Kidz. Limited to students enrolled in morning classes.

## LEGO® ENGINEERING by Bricks 4 Kidz Grade K-1*

**Time: 12:30 pm - 2:25 pm**
**June Term $635**
**July Term $475**
***Students may enroll in both sessions. Different models for June and July Terms.***

Developed by educators, architects, and engineering professionals, the Future Engineers curriculum by BRICKS 4 KIDZ® introduces children to the principles of engineering, architecture, physics, and mechanics using LEGO® bricks. Children will enhance critical thinking, collaboration, innovation, communication skills, and more. Unleash your child's potential with the power of LEGO® and STEM! Who knows? They may create the next groundbreaking innovation! Class presented by BRICKS4KIDZ®.

*Limited to ʻIolani Kindergarten applicants for the 2026-27 School Year enrolled in morning classes.*

## Red Ball Tennis PLUS Grade K-1*

**Time: 12:30 pm - 2:25 pm OR 2:45 pm - 5:00 pm**
**June Term $535**
**July Term $350**
***Students may enroll in both sessions.***
This course is offered to Kindergarten and 1st grade students and designed to make learning fun. The emphasis is on fundamental balance, movement, hand-eye coordination, and stroke development through group activities and games. Small rackets, nets, and low compression red balls are used on a 36′ court to enhance the learning process. Students should wear athletic clothes, and non-skid, non-marking athletic shoes, and apply their own sunblock. Please bring a reusable water bottle and racket (rackets will be provided as needed).
Contact hsomerville@iolani.org for more information.

This class includes a 45-minute tennis lesson, PLUS supervised outdoor play, arts and crafts, organized games and occasional video clips for relaxed afternoon down time.

**2:45 pm** class students afternoon pick up is available at Autoline anytime between 3:45 pm - 5:00 pm.

*Limited to students enrolled in morning classes.*

## Beginning Coding with Bricks4Kidz Grade 1*

**Time: 12:30 pm - 2:25 pm**
**June Term $635**
**July Term $475**
***Students may enroll in both sessions. Different projects for June and July Terms.**
Make coding fun! We hope to spark creativity and help develop systematic thinking and analyzing for our youngest coders. By learning how to make short stories, animations, and games using Scratch, they will learn how to code. We hope they will have so much fun with Scratch that they will continue to play with it outside of our classroom. The ability to code is a key component of technology education today. Our coding program will teach students important strategies to enhance their logic and problem-solving skills, as well as help them work toward becoming technological innovators of tomorrow. Students will be introduced to basic coding with a fun, user-friendly Scratch Jr. coding software. Encourage their imagination and storytelling creativity! Class presented by BRICKS4KIDZ®.

*Limited to students enrolled in morning classes.*

## Design Fun Grade 1

**Time: 12:30 pm - 5:00 pm**
**5 weeks $1,000**
In Design Fun grade 1, students will engage in hands-on activities, creating structures, instruments, booklets, and other artwork to document their learning. Our course will cover topics such as the elements of design, music and sound, matter, light and shadows, wind and clouds, and health and fitness. Students will learn about these subjects through literature and will work with a partner to design and craft many of their creations. This class is a great opportunity for your child to have an exciting educational experience while exploring their creative side!

Afternoon pick up is available at Autoline anytime between 4:30 pm - 5:00 pm.

*Limited to students enrolled in morning classes.*

## Learn to Swim PLUS Grade 1*

**Time: 12:30 pm - 2:25 pm**
**June Term $535**
**July Term $350**
***Students may enroll in both sessions.**
The swimming program provides instruction to students entering grade 1. Students are placed according to ability and advance at their own rate. The main goals are to promote water safety and build stroke foundations. Children should bring their own towel, goggles, and swimsuit. They must be able to apply their own sunblock as well as change in and out of their own bathing suit.

Each class includes a 45-minute swim lesson PLUS supervised outdoor play, arts and crafts, organized games and occasional movies for relaxed afternoon down time.

*Limited to students enrolled in morning classes.*

# » Grades 2-3 Afternoon Courses

## Chill Craft Club: Diamond Art & Color Magic Grade 2-3

**Time: 12:30 pm - 2:25 pm**
**June Term $435**
**July Term $345**

Ready to join the Chill Craft Club? This is a relaxed, creative space where kids can unwind while making fun, hands-on craft projects like diamond art and color by number. Students work at their own pace, enjoying the satisfaction of creating art they can take home and share. Activities encourage focus and creativity in a calm, supportive environment. This class is perfect for kids who enjoy crafting without pressure and benefit from quieter creative time. A great balance to more high-energy summer programs. Visit keikicoders.com/ccc1 for full details. Class presented by Keiki Coders.

*Limited to students enrolled in morning classes.*

## Design Fun Grade 2-3

**Time: 12:30 pm - 2:25 pm**
**5 Weeks $500**

Design Fun is a project-based class where students use their imagination and critical thinking to build and create! Students are encouraged to build a wide range of exciting projects working individually and collaboratively to learn about the engineering design process through planning, testing, and modifying their projects. Teachers also incorporate children's books with the activities and the students use problem-solving skills to re-create structures from these stories. Learning takes place in and outside of the classroom, allowing the students to use their skills in real-life situations. Throughout the summer your child will be bringing home his or her projects, inspiring many children to continue their building at home. Come and build with us! Curriculum, activities, and lessons will differ each session, and update every year; students are encouraged to take Design Fun as both entering second and third graders.

## Flag Football Fun Grade 2-3*

**Time: 12:30 pm - 2:25 pm**
**June Term $405**
**July Term $315**
***Students may enroll in both sessions.***

This course is a fun, welcoming introduction to flag football. Players will learn a variety of football skills including passing, catching, running routes, and basic gameplay through age-appropriate drills and games. Emphasis is placed on participation, teamwork, and sportsmanship. Students are immersed in a supportive environment and stay active while learning how to work together and support teammates. A great entry-level sports class for energetic kids who enjoy movement and team play. Class presented by Keiki Athletes.

*Limited to students enrolled in morning classes.*

## Fun Fitness Grade 2-3*

**Time: 12:30 pm - 2:25 pm**
**June Term $385**
**July Term $285**
***Students may enroll in both sessions.***

Come join the fitness fun as we learn a new sport each week! Team sports are not only a great way to stay active and healthy, but also help with the building blocks of social and emotional development for young people. We will learn the skills and practice strategies for sports such as soccer, kickball, or dodgeball and engage in friendly competition.

*Limited to students enrolled in morning classes.*

## Groove Academy Grade 2-3

**Time: 12:30 pm - 2:25 pm**
**June Term $380**
**July Term $280**

Get ready to move, groove, and express yourself in Groove Academy! This high-energy summer dance class introduces students to the exciting styles of dance. Each week focuses on a new style, allowing students to build coordination, flexibility, and confidence while learning fun choreography. Alongside dance techniques, students will explore the creative elements of movement and even have the chance to create their own routines. The class culminates in a lively performance where students will showcase their skills and creativity for family and friends. Groove Academy is the perfect blend of fun, self-expression, and teamwork. All skill levels are welcome. Instruction and choreography will be tailored to suit the dancer's age and experience level. This class combines students grades 2-6.

*Limited to students enrolled in morning classes.*

## Gymnastics and Acrobatics with Circus Olina Grade 2-3*

**Time: 12:30 pm - 2:25 pm**
**June Term $475**
**July Term $390**
***Students may enroll in both sessions.***

Want your child to learn how to safely do somersaults, cartwheels, handstands, bridge/kickover, partner acrobatics and even how to build human pyramids? This course is designed to teach flexibility, strength, coordination and body awareness using gymnastics & acrobatics skills with a circus twist in a fun and creative way! A human pyramid is an acrobatic formation group act that involves coordination, timing and trust in each other! In this course we include fun activities and games to build a good foundation of trust and teamwork in each other. If you have any questions regarding this course, please contact Circus Olina at circusolina@gmail.com. Class presented by Circus Olina. This class combines students grades 2-6.

*Limited to students enrolled in morning classes.*

## Learn to Swim PLUS Grade 2-3*

**Time: 12:30 pm - 2:25 pm**
**June Term $535**
**July Term $350**
***Students may enroll in both sessions.***
The swimming program provides instruction to students entering grades 2 through 3. Students are placed according to ability and advance at their own rate. The main goals are to promote water safety and build stroke foundations. Children should bring their own towel, goggles, and swimsuit. They must be able to apply their own sunblock as well as change in and out of their own bathing suit.

Each class includes a 45-minute swim lesson PLUS supervised outdoor play, arts and crafts, organized games and occasional movies for relaxed afternoon down time. Students are divided into two groups by grade level and skill and rotate activities after each lesson.

*Limited to students enrolled in morning classes.*

## Learn to Swim PLUS Grade 2-3*

**Time: 2:45 pm - 5:00 pm <Class A or Class B>**
**June Term $535**
**July Term $350**
***Students may enroll in both sessions.***
The swimming program provides instruction to students entering grades 2 through 3. Students are placed according to ability and advance at their own rate. The main goals are to promote water safety and build stroke foundations. Children should bring their own towel, goggles, and swimsuit. They must be able to apply their own sunblock as well as change in and out of their own bathing suit.

Each class includes a 45-minute swim lesson PLUS supervised outdoor play, arts and crafts, organized games and occasional movies for relaxed afternoon down time. To accommodate more students while maintaining pool safety standards and proper supervision ratios, an additional later afternoon class will be offered. Spaces fill on a first-come, first-registered basis.

**CLASS A Schedule**
2:45 pm - 3:30 pm Swim Lesson
3:30 pm - 3:45 pm Shower, change, return to Lower School
3:45 pm - 5:00 pm PLUS activities or pick up at Autoline

**CLASS B Schedule**
2:45 pm - 3:30 pm PLUS activities
3:30 pm - 4:15 pm Swim Lesson
4:15 pm - 4:30 pm Shower, change, return to Lower School
4:30 pm - 5:00 pm Pick up at Autoline

*Limited to students enrolled in morning classes.*

## LEGO Robobuilders Grade 2-3

**Time: 12:30 pm - 2:25 pm**
**June Term $500**
**July Term $390**
LEGO® RoboBuilders is a playful, hands-on introduction to robotics, coding, artificial intelligence and engineering designed specifically for curious creators in grades 2 and 3. Using the newly released LEGO® Education Computer Science & AI Kit, students will build interactive creations and learn how to make them move, react, and make simple "smart" decisions through beginner-friendly coding. In addition to robotics, young engineers will explore exciting LEGO® STEM-based engineering projects using motors, gears, and creative building challenges inspired by real-world physics and design. From moving machines and problem-solving builds to imaginative projects that combine structure, motion and code, students will learn sequencing, logic, patterns, sensors, mechanics, and cause-and-effect through play. Emphasis is placed on creativity, teamwork, and confidence-building as students collaborate and bring their ideas to life. No prior experience is needed, just big ideas and imagination. All materials are provided, and the same curriculum will be taught in both sessions. Class presented by Wrenn Okada Photography + Design.

## Orange Ball Tennis PLUS Grade 2-3*

**Time: 12:30 pm - 2:25 pm OR 2:45 pm - 5:00 pm**
**June Term $535**
**July Term $350**
***Students may enroll in both sessions.***
This course is offered to 2nd and 3rd grade students and designed to make learning tennis fun. The emphasis is on fundamental balance, movement, hand-eye coordination, and stroke development through group activities and games. Age appropriate sized court, rackets, nets, and low compression orange balls are used to enhance the learning process.

Students should wear athletic clothes, and non-skid, non-marking athletic shoes, and apply their own sunblock. Please bring a reusable water bottle and racket (rackets will be provided as needed). Contact hsomerville@iolani.org for more information.

This class includes a 45-minute tennis lesson, PLUS supervised outdoor play, arts and crafts, organized games and occasional videos or movies for relaxed afternoon down time.

**2:45 pm** class students afternoon pick up is available at Autoline anytime between 3:45 pm - 5:00 pm.

*Limited to students enrolled in morning classes.*

# » Grades 2-3 Afternoon Courses

## Ride the Unicycle – Jump the Rope! Grade 2-3*

**Time: 2:45 pm - 5:00 pm**
**June Term $475**
**July Term $390**
***Students may enroll in both sessions.***

This camp is all about fun and fitness. Coordination, balance, and endurance are the key components if it comes to learning how to ride a unicycle and jump roping. Learning to ride a unicycle might seem impossible at first, but we teach you how to get started, find your core strength and use the right techniques to improve quickly. Learn tricks like backwards riding, idling or star pose with a friend. You will also learn a variety of jump rope skills, single rope tricks, partner tricks, long rope jumps and group routines. Learning jump rope tricks and unicycling is challenging, a great exercise and most importantly it is fun! This course is intended for all skill levels, from beginners to advanced. You can't jump rope or unicycle? This course will teach you both! You are already great in unicycling and jump roping? Join our course and learn how to combine the two! If you have any questions regarding this course, please contact Circus Olina at circusolina@gmail.com. Class presented by Circus Olina. This class combines students grades 2-6.

*Limited to students enrolled in morning classes.*

## STEM FUN-damentals Grade 2-3

**Time: 12:30 pm - 2:25 pm**
**June Term $385**
**July Term $285**

Welcome to an exciting journey where science, technology, engineering, and mathematics (STEM) converge in a fusion of creativity and exploration. Calling all future scientists, engineers, and mathematicians! In this dynamic course, students will embark on a hands-on adventure that encourages creative thinking, problem-solving, and the development of critical skills. Get ready to uncover the wonders of science and mathematics through a hands-on, collaborative, and dynamic learning experience. Whether you're tinkering with experiments or solving real-world problems, this course is designed to ignite your curiosity and fuel your journey into the realms of STEM discovery. We can't wait to begin our adventures together!

*Limited to students enrolled in morning classes.*

## Summer Quest Grade 2-3*

**Time: 2:45 pm - 5:00 pm**
**June Term $370**
**July Term $300**
***Students may enroll in both sessions.***

Step into an exciting journey of discovery and fun with Summer Quest! This dynamic program offers a rotating schedule of engaging grade-level appropriate activities designed to spark curiosity and creativity. Each week, students will explore a new world of hands-on experiences, like crafting, mastering chess, or solving puzzles. Outdoor enthusiasts will love our action-packed challenges, while budding scientists will thrive in our STEM activities, building and tackling engineering projects. With our "Anything Goes" days, kids might find themselves gardening, dancing, or even hosting a trivia show!

Summer Quest provides a perfect blend of learning and play, and is the preferred class option if students need to leave campus at various times throughout the afternoon. Afternoon pick up is available at Autoline anytime between 3:45 pm - 5:00 pm.

*Limited to students enrolled in morning classes.*

# » Grades 4-6 Afternoon Courses

## Animation Studio: Stop Motion Design Grade 4-6

**Time: 12:30 pm - 2:25 pm**
**June Term $435**
**July Term $345**

This creative animation course introduces students to software-based stop-motion and frame-by-frame animation. Using beginner-friendly animation tools, students create short animated movies, scenes, and dynamic sequences such as kung-fu battles or character challenges. Students focus on storytelling, timing, and motion to make their animations smooth and expressive. The course blends creativity and technology while giving students an opportunity to create a portfolio of animations. All levels welcome. Class presented by Keiki Coders.

*Limited to students enrolled in morning classes.*

## Band Ensemble Grades 5-6

**Time: 12:30 pm - 2:25 pm**
**June Term $385**

Join us for an exciting musical journey! This second-level band course is designed for students (with at least one year of study or more) who are eager to continue developing their skill on their concert band instrument (like flute, clarinet, trumpet, trombone, percussion, etc.). Students will learn the fundamentals of music theory and the essentials of playing together as a band in a fun, dynamic and supportive environment. Instrument rental inquiries may be emailed to pad@iolani.org. This class combines students grades 5-7.

*Limited to students enrolled in morning classes.*

## Baseball Camp Grade 4-6*

**Time: 12:30 pm - 2:25 pm**
**June Term $385**
**July Term $285**
***Students may enroll in both sessions.***

Participants should have prior experience in organized baseball (minimum 1-2 years recommended). Equipment required: baseball glove, helmet, bat, cleats (optional).

The ʻIolani Way of playing baseball teaches that true success is built on more than natural athletic ability and talent, emphasizing discipline, precision, and commitment to playing as "One Team". Players will develop strong fundamentals and technical mastery, learning how to out-execute opponents through preparation, consistency, and smart decision-making. This approach empowers athletes to compete with confidence and skill, proving that success comes from excellence in execution, not just size or strength.

*Limited to students enrolled in morning classes.*

## Basketball Basics Grade 4-6*

**Time: 12:30 pm - 2:25 pm**
**June Term $385**
**July Term $285**
***Students may enroll in both sessions.***

Welcome to Basketball Basics, where students are introduced to the fundamentals of basketball. From dribbling techniques, shooting motion and footwork/defensive movements, students will develop these essential skills for the basketball court. Whether you're a beginner eager to learn the basics or looking to refine your basketball skills, join us on the court and grow your teamwork and sportsmanship. Let's dribble, shoot, and score together!

*Limited to students enrolled in morning classes.*

## Design Fun Grade 4-6

**Time: 12:30 pm - 2:25 pm**
**5 weeks $500**

Join us for Design Fun! In this projects-based class, students are introduced to the Maker System of building projects. Students use materials to plan, design, build, and test authentic applications to problems that they encounter in the real world. Each week of the course has specific themes like: Structures, Helpful Tools, Aviation Week, Flying Objects, Garden Products, and more. Students are led through a problem and given choices of materials to solve the problem. Projects are built collaboratively in small groups or independently to produce solutions. Fascinated with building, taking things apart, and seeing how things work? If you answered with an emphatic "YES!", then you are a natural engineer and this is the class for you!

*Limited to students enrolled in morning classes.*

## First LEGO League Grade 5-6

**Time: 12:30 pm - 2:25 pm**
**5 weeks $500**

Limited to ʻIolani students entering 5th and 6th grades enrolled in morning classes.

Fuel your curiosity and teamwork skills in this competition style FIRST® LEGO® League (FLL) summer program. Students will build and program LEGO robots to complete themed missions, practice problem-solving, and learn the basics of coding and engineering. Along the way, they'll develop collaboration, communication, and creativity as they work in teams to design, test, and improve their robots. Teams will also work together to design and build an Innovation Project that helps to solve global problems while focusing on community solutions. The session concludes with a friendly FLL-style challenge to showcase what they've learned. This course is recommended for students that may be interested in applying for the Lower School Competitive Robotics FLL team

*Limited to students enrolled in morning classes.*

## Flag Football League Grade 4-6*

**Time: 12:30 pm - 2:25 pm**
**June Term $405**
**July Term $315**
***Students may enroll in both sessions.***
Down, set, hike! Flag Football League is a fun, inclusive program for players of all experience levels. The class introduces the fundamentals of flag football through structured activities and game play that emphasize teamwork, communication, and confidence. Pass, run, and learn what it takes to be a stellar player and a great teammate. Class presented by Keiki Athletes.

*Limited to students enrolled in morning classes.*

## Fun Fitness Grade 4-6*

**Time: 12:30 pm - 2:25 pm**
**June Term $385**
**July Term $285**
***Students may enroll in both sessions.***
Come join the fitness fun as we learn a new sport each week! Team sports are not only a great way to stay active and healthy, but also help with the building blocks of social and emotional development for young people. We will learn the skills and practice strategies for sports such as soccer, kickball, or dodgeball and engage in friendly competition.

*Limited to students enrolled in morning classes.*

## Green Ball Tennis PLUS Grade 4-6*

**Time: 12:30 pm - 2:25 pm OR 2:45 pm - 5:00 pm**
**June Term $535**
**July Term $350**
***Students may enroll in both sessions.***
This course is offered to students grades 4 through 6 who are interested in developing the technical skills to play in organized team competition. The emphasis is on fundamental balance, movement, hand-eye coordination, and stroke development through instruction and games. The full size court will be used with the low compression green ball.

Students should wear athletic clothes, and non-skid, non-marking athletic shoes, and apply their own sunblock. Please bring a reusable water bottle and racket (rackets will be provided as needed). Contact hsomerville@iolani.org for more information.

This class includes a 45-minute tennis lesson, PLUS supervised outdoor play, arts and crafts, organized games and occasional videos or movies for relaxed afternoon down time.

**2:45 pm** class students afternoon pick up is available at Autoline anytime between 3:45 pm - 5:00 pm.

*Limited to students enrolled in morning classes.*

## Groove Academy Grade 4-6

**Time: 12:30 pm - 2:25 pm**
**June Term $380**
**July Term $280**
Get ready to move, groove, and express yourself in Groove Academy! This high-energy summer dance class introduces students to the exciting styles of dance. Each week focuses on a new style, allowing students to build coordination, flexibility, and confidence while learning fun choreography. Alongside dance techniques, students will explore the creative elements of movement and even have the chance to create their own routines. The class culminates in a lively performance where students will showcase their skills and creativity for family and friends. Groove Academy is the perfect blend of fun, self-expression, and teamwork. All skill levels are welcome. Instruction and choreography will be tailored to suit the dancer's age and experience level.

*Limited to students enrolled in morning classes. This class combines students grades 2-6.*

## Gymnastics and Acrobatics with Circus Olina Grade 4-6*

**Time: 12:30 pm - 2:25 pm**
**June Term $475**
**July Term $390**
***Students may enroll in both sessions.***
Want your child to learn how to safely do somersaults, cartwheels, handstands, bridge/kickover, partner acrobatics and even how to build human pyramids? This course is designed to teach flexibility, strength, coordination and body awareness using gymnastics & acrobatics skills with a circus twist in a fun and creative way! A human pyramid is an acrobatic formation group act that involves coordination, timing and trust in each other! In this course we include fun activities and games to build a good foundation of trust and teamwork in each other. If you have any questions regarding this course, please contact Circus Olina at circusolina@gmail.com. Class presented by Circus Olina. This class combines students grades 2-6.

## Illusion Academy Grade 4-6

**Time: 12:30 pm - 2:25 pm**
**June Term $400**
**July Term $300**

Unlock the secrets of spellbinding performances in Illusion Academy, an enchanting class tailored for grades 4-6! Dive into the basics of magic where creativity, imagination, and STEM elements converge. Students will cultivate their magical identity, mastering the art of performance and storytelling. As they journey through this mystical experience, budding magicians will leave family and friends in awe, sprinkling their world with moments of wonder. Join us for an exploration of the magical arts, where every participant transforms into a Magic Maker, sharing the gift of enchantment with those around them.

*Limited to students enrolled in morning classes.*

## Keiki Cooking Lab: Bento & Beyond Grade 4-6

**Time: 12:30 pm - 2:25 pm**
**June Term $585**

Welcome to Keiki Cooking Lab: Bento & Beyond, where young culinary enthusiasts embark on a delicious journey through the flavors of Japan and Asia! In this immersive, hands-on cooking course, students will explore vibrant food traditions while learning the artistry, creativity, and techniques behind beloved regional dishes. Budding chefs will practice essential kitchen skills and safety, discover the cultural history and science behind ingredients, and express their creativity through thoughtful preparation and presentation. From popular favorites such as Orange Chicken, Yakisoba, Boba Drinks and Sushi Rolls, this session features brand-new recipes and exciting flavors to explore. **All cooking equipment and ingredients are provided.** No peanuts, tree nuts, shellfish, or raw seafood/meat will be consumed in this class; however, wheat, gluten, soy, sesame, dairy, eggs, meat, and fish may be consumed. Class presented by Wrenn Okada Photography + Design.

*Limited to students enrolled in morning classes.*

## Keiki Cooking Lab: Local Grinds & Western Finds Grade 4-6

**Time: 12:30 pm - 2:25 pm**
**July Term $450**

Welcome to Keiki Cooking Lab: Local Grinds & Western Finds, where young culinary enthusiasts embark on a delicious journey through the flavors of Hawai'i and classic Western cuisine! In this immersive, hands-on cooking course, students will explore beloved local dishes alongside popular American and Western favorites, learning the techniques and creativity behind comfort foods and island classics. Budding chefs will practice essential kitchen skills and safety, discover the cultural history and science behind ingredients, and express their creativity through cooking and presentation. From preparing local grinds like Chicken Katsu and Spam Musubi to Western favorites such as Pasta Bolognese and Crepes, this class features brand-new recipes and exciting flavors to explore. **All cooking equipment and ingredients are provided**. No peanuts, tree nuts, shellfish, or raw seafood/meat will be consumed in this class; however, wheat, gluten, soy, sesame, dairy, eggs, meat, and fish may be consumed. Class presented by Wrenn Okada Photography + Design.

## Minecraft Worlds & Wonders Grade 4-6

**Time: 12:30 pm - 2:25 pm**
**June Term $380**
**July Term $280**
In Minecraft Worlds & Wonders, students will journey through imaginative virtual landscapes while exploring key science, technology, engineering, and math (STEM) concepts. Adventurers will tackle a series of themed quests—such as voyaging with the Hōkūleʻa, designing NASA-inspired rockets for a mission to Mars, and building thriving cities with their own economies and systems of government. Along the way, they will use creativity, collaboration, and problem-solving skills to design and build complex structures and interactive worlds. This class welcomes both Minecraft beginners and experienced players, and each session offers fresh challenges and projects so returning students can continue to discover new wonders.

*Limited to students enrolled in morning classes.*

## Ride the Unicycle – Jump the Rope! Grade 4-6*

**Time: 2:45 pm - 5:00 pm**
**June Term $475**
**July Term $390**
***Students may enroll in both sessions.***

This camp is all about fun and fitness. Coordination, balance, and endurance are the key components if it comes to learning how to ride a unicycle and jump roping. Learning to ride a unicycle might seem impossible at first, but we teach you how to get started, find your core strength and use the right techniques to improve quickly. ## Strings for Success PLUS Grade 4-6*

**Time: 12:30 pm - 2:25 pm**
**June Term $385**
**July Term $285**
***Students may enroll in both sessions.***
This class is open to violinists, violists, cellists, and double bassists with 1–2 years of study on their instrument, and Intermediate level students (2-4 years of study). Instructors will place students according to ability during the first two days of class.

Taught by one of our distinguished 'Iolani Orchestra faculty, beginning-intermediate level musicians will learn challenging solos while focusing on note-reading, bass/harmony lines, and development of proper posture/technique. Intermediate level students will learn challenging pieces while focusing on note-reading, ensemble skills, and development of proper instrument facility/technique. Playing consistently during the summer helps to set-up students for success in their school programs and private lessons for the following academic year. Students are responsible for providing their own instruments.

This class includes a 1-hour music lesson PLUS supervised outdoor play, arts and crafts, organized games and occasional videos or movies for relaxed afternoon down time.

*Limited to students enrolled in morning classes.This class combines students grades 4-7.*

## Summer Quest Grade 4-6*

**Time: 2:45 pm - 5:00 pm**
**June Term $370**
**July Term $300**
***Students may enroll in both sessions.***
Step into an exciting journey of discovery and fun with Summer Quest! This dynamic program offers a rotating schedule of engaging grade-level appropriate activities designed to spark curiosity and creativity. Each week, students will explore a new world of hands-on experiences, like crafting, mastering chess, or solving puzzles. Outdoor enthusiasts will love our action-packed challenges, while budding scientists will thrive in our STEM activities, building and tackling engineering projects. With our "Anything Goes" days, kids might find themselves gardening, dancing, or even hosting a trivia show!

Summer Quest provides a perfect blend of learning and play, and is the preferred class option if students need to leave campus at various times throughout the afternoon. Afternoon pick up is available at Autoline anytime between 3:45 pm - 5:00 pm.

*Limited to students enrolled in morning classes.*

## Let's Go Holoholo! Grades K-6

**Time: 8:00 am - 4:00 pm**
**July 20 - July 24**
**$850**

E holoholo kākou! Discover amazing locations around our beautiful island home during an unforgettable one-week summer adventure! Your child will enjoy outdoor excursions and on campus activities, building friendships along the way. Children must be able to apply their own sunblock and bug spray, as well as change in and out of their own bathing suit. This one week adventure includes the cost of all activities and lunch. Please provide your child with appropriate clothing and footwear for each day, sunscreen, hat, refillable water bottle, and a healthy snack. More detailed information will be provided prior to the start of the program.

## Discover the Wonder of Circus Art Grades 2-6

**Time: 8:00 am - 2:00 pm**
**July 20 - July 24**
**$590**

Become a circus artist for the week! Don't miss out on this incredible opportunity to discover your inner circus artist! Join us for a week-long adventure into the exciting world of circus arts. Students will have the chance to learn a wide variety of wonderful skills. From juggling to spinning plates, from Chinese yo-yo to acting, from clowning to acrobatics, and even the thrill of tight roping, we will cover it all! Our instructors will guide and teach students step by step, whether they are beginners or have some previous experience, our program is designed to cater to all skill levels. Students will collaborate with each other and create a performance. At the end of the week family and friends are invited to attend our fun circus performance, where students will showcase their newfound skills. If you have any questions regarding this course, please contact Circus Olina at circusolina@gmail.com. Class presented by Circus Olina.

## Pokémon Masters Ultimate STEM Camp Grades 2-6

**Time: 8:00 am - 2:00 pm**
**July 20 - July 24**
**$560**

Calling all Pokémon trainers, collectors and fanatics for the ultimate STEM camp experience featuring Pokémon and LEGO®! Prepare yourselves to evolve to the next level as you learn the official rules of the Pokémon Trading Card game, play and build your very own deck and battle to earn powerful cards and strategic advantages against your opponents. Trainers will also learn investing tips, acquire vintage cards, open packs and trade each other to turn their card collection into a Pokémon goldmine! Then continue your journey by leveling up your engineering skills with tens of thousands of LEGO components while applying real world concepts in physics, design and architecture. Collaborate and build like never before, while building STEM-based LEGO projects such as motorized Pokémon Battle Walkers, colossal Mega Evolution Pokémon, a mechanized Pokéball Factory, the infamous Battle Tower, and much more! Participants will take home a 60-card customized deck, card sleeves, additional competitive Pokémon cards and a rare vintage card. All materials will be provided and new decks, booster packs and prize cards will be featured in each session, so returning trainers always have something fresh to catch. Whether a fan of the franchise or not, you are sure to have a blast! Class presented by Wrenn Okada Photography + Design.

## Keiki Cooking Lab: A Full-Course Kitchen Camp Grade 3-6

**Time: 8:00 am - 2:00 pm**
**July 20 - July 24**
**$595**

Keiki Cooking Lab: A Full-Course Kitchen Camp is an immersive, all-day culinary experience where young chefs spend the day cooking from start to finish, just like a real kitchen team. Campers will take on ambitious, from-scratch cooking projects that unfold over several hours, learning patience, technique, and teamwork along the way. Signature dishes may include building ramen from broth to bowl, crafting fresh handmade pasta, preparing slow-simmered local favorites, and creating a rich chocolate tart cake, giving students a true taste of what it means to cook a full-course meal. Throughout the day, students will practice essential kitchen skills, explore ingredients and flavors, and gain confidence as they chop, knead, simmer, and assemble their creations. Each day features a new dish and a meaningful hands-on cooking experience designed to keep students engaged from morning to afternoon. No peanuts, tree nuts, shellfish, or raw seafood or meat will be consumed in this class; however, wheat, gluten, soy, sesame, dairy, eggs, meat, and fish may be consumed. All cooking equipment and ingredients are provided. Class presented by Wrenn Okada Photography + Design.
