- Create an account on Ravenna at www.ravenna-hub.com. Keep your login and password handy as they are your gateway to the entire application process. If you are a two parent household, please list both parents when setting up your account. Single parent households should note any additional parent by listing them in a second household, as appropriate.
- Complete the online application through Ravenna and submit with application fee (\$125) by October 30, 2019.
- Your child is required to attend two test sessions. The Individual Aptitude Assessment is scheduled for a weekday morning. Parents are taken on a brief campus tour during the hour your child is testing. The second visit, the Group Readiness session, is scheduled for a Saturday morning and runs for ninety minutes. While your child is testing, parents will attend an informational program. You will receive notification of these assigned test dates and times by *email*.
- In Ravenna, please complete and submit the Parent Questionnaire *as soon as possible*.
- Follow the instructions on Ravenna to upload child's birth certificate and first semester report card/progress report (if available) by January 31, 2020. If you are a trimester school, please upload the first trimester report and when available, your second trimester report.
- After November 30, follow the instructions on Ravenna to delegate at least one Teacher Reference Report (teacher email needed), due January 31, 2020.
