

## 'IOLANI SCHOOL 2018-2019

### EXTRA HELP SESSIONS

*In addition to helping students during common free periods, lunch, and before school, each department has designated days where extra help is provided to students. This department-specific extra help time is allocated as follows:*

Monday	Faculty and department meetings, no designated extra help session
Tuesday	Math/World Language
Wednesday	English/Science
Thursday	History
Friday	No department designated extra help session

### HOMEWORK GUIDELINES

While acknowledging that strict adherence to time allotments is virtually impossible, the following guidelines are offered for homework on the designated days class meet:

Grades 7-8	20 minutes per subject
Grades 9-12	30-40 minutes per subject
AP Courses	60 minutes per AP subject

### ATTENDANCE

Parents of sick or tardy students should call Mrs. Ohira (943-2207) to report an absence between 7:00am-8:00am. When arriving to school tardy, students must check in at the attendance window. **Students who arrive late to school due to illness must check into the infirmary and will be given an unexcused tardy unless they bring in a doctor's clearance dated that morning. An unexcused tardy may result in academic penalties.**
