## *Entering Grades K-6*

### **Program Information**

The Lower School Summer Programs offer a diverse range of enrichment and academic reinforcement courses to students entering grades (EG) Kindergarten to 6 on the 'Iolani School campus. A variety of class durations are offered and include three-week and six-week courses. Courses are designed to meet students' needs not only in preparation for the regular school year, but also in subjects of interest and opportunities for exploration, self-expression and creativity.

'Iolani Summer Programs welcomes 'Iolani and visiting students to experience the ONE TEAM ethos that shapes and defines our programs which foster educational excellence and personal growth in an environment that values collaboration, humility, and respect for all community members.

Before registering for classes, we kindly ask that you carefully read through the Summer Catalogue and Handbook with your child to learn more about our programs and their requirements.

Courses with limited enrollment eligibility are noted in the course description. You may enroll in either Session 1 OR Session 2 classes, not both as curriculum will repeat, unless otherwise noted in the course description.

### **Program Eligibility**

- » Lower School Summer Programs are open to current 'Iolani students who attended for the entirety of the 2023-2024 school year, accepted and enrolling 'Iolani admissions students for the 2024-2025 school year, siblings of current 'Iolani students, and visiting students
- » Eligible students should enroll in courses for the grade level they will enter in the fall 2024-2025 school year
- » Courses with limited enrollment eligibility are noted in the course description
- » Current 'Iolani students will have priority for course enrollments
- » Kindergarten courses are open to newly admitted and enrolling 'Iolani students ONLY
- » Students attending school during the regular school year in the state of Hawai'i and US mainland must turn 6 (six) years old before June 10, 2024 to register.
- » Students attending school during the regular school year outside the United States must turn 7 (seven) years old before June 10, 2024, and must complete additional forms to register. Please see the Requirements for International Students section of the Handbook.
- » Students who have been dismissed from 'Iolani for disciplinary reasons may not enroll in Summer Programs unless they have been readmitted to 'Iolani School and have approval by their Dean
- » Review additional requirements listed in the handbook

We look forward to your child being part of the 'Iolani ONE TEAM this summer!

# » Registration & Payment

## Handbook Acknowledgment

Before registering, please carefully read through the “Registration FAQ” page and other important information found in the Summer Programs Handbook at [summer.iolani.org](http://summer.iolani.org).

## How to Register

Registration for 'Iolani Summer Programs must be completed online via the Summer Programs Registration Portal found on the website ([summer.iolani.org](http://summer.iolani.org)). No formal application is required for Summer Programs; simply register online on your assigned date and time for eligible courses.

Registrations will not be accepted by walk-in, email, telephone or fax. Registrations received prior to your child's assigned date and time, as well as incomplete registrations, will not be accepted. Registration fills quickly and program spaces are limited, so we recommend registering at the opening time.

## Course Selection

Please register your child for the grade level they will be **entering** in the fall.

Courses with limited enrollment eligibility are noted in the course description. Current 'Iolani students will have priority for all course enrollments. You may enroll in either Session 1 OR Session 2 classes, not both, as curriculum will repeat, unless otherwise noted in the course description.

Lower School Summer Programs operate similar to a regular school day. Students must have a **full morning** schedule with classes from 7:30 am - 11:40 am, and must be picked up immediately after class ends, unless they have afternoon classes scheduled.

Lower School students may not register for afternoon classes only, they must have a full morning schedule in order to take afternoon classes.

As you prepare your child's summer class schedule, it is recommended that you carefully determine a list of preferred classes, along with 1-2 alternate classes in the event the first choice class is unavailable at the time of registration.

Please use the “Course Planning Worksheet” as a tool to map out your child's class schedule and preferences.

## Waitlists

Maximum class sizes range from 12 to 24 students, and courses tend to fill quickly during registration. If your child is signed up on the waitlist, there is no guarantee of placement in the course. Waitlists are processed as space becomes available. The Summer Programs Office will notify the parent/guardian via email if the student clears the waitlist or if unable to accommodate the waitlist request up to the start date of the program. Classes with exceptionally long waitlists will no longer be accessible on the Registration Portal. Please read the Handbook for additional details.

## Tuition and Fees

The tuition payment in full is due at the time of online registration. You may pay by Visa, Mastercard, or American Express during online registration. Class prices are listed with the courses. Registration is not complete until paid for and submitted through the Registration Portal. Upon submission, you will receive a confirmation email.

## Withdrawal and Refund Policy

Students or parents who initiate course withdrawals after submitting their registration will be subject to a refund based on the date when the Summer Programs Office receives written notification from parents for the student's withdrawal. Any changes should be submitted via email to [LSSummer@iolani.org](mailto:LSSummer@iolani.org) (gr. K-6). Once the registration has been processed, the maximum amount of refund will be 50% of each course.

The following schedule determines the amount of the refund:

- 50% refund through Thursday, May 9
- No refunds starting Friday, May 10

There are no refunds or prorated billing for course time missed. The course fee applies regardless of how many days a child participates in the program. There will be no refunds for unused days.

## Course Additions and Changes

Any requested changes, including adding classes or Meal Plan, should be submitted via email to [LSSummer@iolani.org](mailto:LSSummer@iolani.org) (gr. K-6). Please DO NOT go back into the Registration Portal to add classes as this may affect the initial selection of classes. Change requests are subject to approval.

Students or parents who initiate course changes (replacing one course for another, requesting time changes) after submitting their registration will be charged \$50.00 for each change requested. Course changes after the course begins will incur a \$100.00 charge. No course changes permitted after the first two meetings of the course.

Courses cannot be dropped or changed online. Please email [LSSummer@iolani.org](mailto:LSSummer@iolani.org) (gr. K-6) with your child's full name, grade and details of your change request.

## Canceled Courses

Courses may be canceled due to insufficient enrollment or at the discretion of the Summer Programs Office. If this occurs, parents will be notified via email and we will assist you in finding an alternative course for your child, if space is available.

## Late Registration

Online registration will close on Friday, May 10 for all courses and programs. Please contact [LSSummer@iolani.org](mailto:LSSummer@iolani.org) with the student's name, grade level, and desired course if you would like to register after May 10. Online registration will not be available after that date.

If there is space in the desired course after the registration close date, a \$100.00 late fee per course will be assessed prior to course placement.

Meal Plan will not be available for purchase after Friday, May 10.

# » Registration & Payment

## 2024 SUMMER REGISTRATION DATES

Registration will open at 12 p.m. (noon), Hawai'i Standard Time

---

### Current 'Iolani Student Registration

**2/21/24** Wednesday: entering grades 7 and 8

**2/23/24** Friday: entering grade 9

**2/27/24** Tuesday: entering grades 10-12

**2/29/24** Thursday: entering grades 4-6

**3/5/24** Tuesday: entering grades 2 and 3

**3/7/24** Thursday: entering grade 1

### Visiting Student Registration (attending school in the United States)

**3/14/24** Thursday: Siblings of current 'Iolani students (Grades 1-12) and Newly enrolling 'Iolani grades 6-12 students

**3/26/24** Tuesday: grades 1-3

**3/28/24** Thursday: grades 4-6

**4/2/24** Tuesday: grades 7-12

**4/16/24** Tuesday: Newly enrolling 'Iolani Kindergarten students

**You may continue to register for classes after the grade level opening date (subject to availability).**

**\*Students attending school outside the United States must submit Pre-Registration documents and use the Registration Appointment Date issued upon approval. Please see the Requirements for International Students in the Summer Handbook.**

**Registration will close on Friday, May 10 for ALL summer programs. No refunds starting Friday, May 10.**

# » K-1 Morning Courses

## Kick Start Kindergarten

**6 weeks (June 10 - July 19) 7:30 am - 11:25 am**  
**\$1,010**

\*Open to newly enrolling 'Iolani Kindergarten students for the 2024 - 2025 School Year ONLY

This class will uncover some of the wonder involved in the day-to-day life of Kindergarten at 'Iolani School. Students will explore and begin to understand classroom expectations via art, music, math, writing, and reading. Since Kindergarten is the entry point to a formal education, students will begin to understand the etiquette required for a successful learning experience as an 'Iolani Raider. Students will develop meaningful work habits through persistence and will practice readiness by applying past knowledge to new situations. Your child will participate in a classroom that supports creating, imagining, and innovating. Kindergarten, here I come!

## Entering Grade 1

**6 weeks (June 10 - July 19) 7:30 am - 11:40 am**  
**\$1,010**

Entering Grade 1 offers incoming first graders a chance to build upon the fundamentals developed during the school year to ensure a smooth transition into the next grade level. The primary goal of this course is to establish the solid foundation required for entering first grade using engaging content in an interactive format designed to help students develop a love of reading and a passion for math!

The morning is scheduled into separate instructional times focused on language arts and math. Rising grade 1 students will engage in activities to sharpen their language arts skills such as handwriting, sight word recognition, decoding words, and reading comprehension. The math curriculum emphasizes counting exploration, comparing numbers, recognizing number patterns and other concepts using manipulatives and hands on strategies to make learning math fun. Opportunities to work with Common Core Strategies are incorporated throughout the duration of this class.

## Keiki O Ka Lā Kindergarten-Grade 1

**Session 1 (June 10 - June 28) 7:30 am - 11:40 am**  
**Session 2 (July 1 - July 19) 7:30 am - 11:40 am**  
**\$575**

Students may enroll in BOTH sessions.

Keiki o Ka La - the Sunshine Kids! We are the Sunshine Kids! Our program incorporates daily opportunities which focus on working as One Team, while exploring a variety of topics and themes. Lessons will intertwine science experiments, arts and crafts projects, music, geography, math, and language arts. We will explore our 'Iolani campus as we participate in outdoor adventures such as hugging trees, cloud watching, bug hunting, and bird walks. Children will enjoy learning more about our special island home as we share legends, knowledge of plants, animals, and Hawaiian games. Daily discussions will focus on brainteasers and problem solving strategies that continue to enable our keiki to build a healthy mind and body. We are Keiki O Ka Lā! Watch us shine!

## Discover Hawai'i Grade 1

**Session 1 (June 10 - June 28) 7:30 am - 11:40 am**  
**Session 2 (July 1 - July 19) 7:30 am - 11:40 am**  
**\$595**

E komo mai! Welcome to Discover Hawai'i, a course that combines Hawaiian culture and history with reading, writing, and science. Learn about each of the eight major islands and their unique features. The students will gain an appreciation of the land and how they can mālama (take care) of it for our future. Join us as we embark on a three-week journey to discover what makes our island home so special.

## Happy Hands, Happy Hearts Grade 1

**Session 1 (June 10 - June 28) 7:30 am - 11:40 am**  
**Session 2 (July 1 - July 19) 7:30 am - 11:40 am**  
**\$575**

Welcome to a fun summer exploration that nurtures young hands and hearts. Learners will embark on a journey of discovery through hands-on crafts like threading beads, cutting and pasting, that will refine their fine motor skills, including hand-eye coordination and finger dexterity. Students will also participate in interactive games and engaging activities to promote wellness and mindfulness, encourage positive social interactions and collaboration, and develop their problem-solving skills.

## Power Up with STEAM Grade 1

**Session 1 (June 10 - June 28) 7:30 am - 11:40 am**  
**Session 2 (July 1 - July 19) 7:30 am - 11:40 am**  
**\$575**

Young builders will harness the power of STEAM (science, technology, engineering, art, math) to address both real-life challenges and those from storybooks. Employing the engineering and design process, students will construct a new bridge for the Billy Goats Gruff and devise creative solutions for challenges within the K-1 Community. Additionally, students will gain proficiency in utilizing green screen technology and engage in scientific experiments, math problem-solving, and imaginative art projects to further power up their skills.

# » Grades 2-3 Morning Courses

## Entering Grade 2 - Language Arts

6 weeks (June 10 - July 19) 7:30 am - 9:25 am

OR 9:45 am - 11:40 am

**\$575**

Entering Grade 2 Language Arts offers incoming second graders a chance to build upon the fundamentals developed during the school year to ensure a smooth transition into the next grade level. The primary goal of this course is to establish the solid foundation required for entering second grade using engaging content in an interactive format design to help students develop a love for reading and writing.

Our language arts goal is for summer students to develop a love of reading and writing that is strong enough to keep pencils and journals in their hands all through the summer months and straight into second grade! Reading and writing are reciprocal processes, therefore instruction is taught together.

## Entering Grade 2 - Math

6 weeks (June 10 - July 19) 7:30 am - 9:25 am

OR 9:45 am - 11:40 am

**\$575**

Entering Grade 2 Math offers incoming second graders a chance to build upon the fundamentals developed during the school year to ensure a smooth transition into the next grade level. The primary goal of this course is to establish the solid foundation required for entering second grade using engaging content in an interactive format design to help students develop a passion for math.

The math curriculum emphasizes data interpretation, measuring concepts, as well as identifying, composing, and partitioning shapes. As math detectives, students will investigate and implement new strategies that they learn. Opportunities to work with Common Core Strategies are incorporated throughout the duration of this class.

## Entering Grade 3 - Language Arts

6 weeks (June 10 - July 19) 7:30 am - 9:25 am

OR 9:45 am - 11:40 am

**\$575**

Entering Grade 3 Language Arts offers incoming third graders a chance to build upon the fundamentals developed during the school year to ensure a smooth transition into the next grade level. The primary goal of this course is to establish the solid foundation required for entering third grade using engaging content in an interactive format designed to help students develop a love for reading and writing.

Language Arts units will engage students through a range of sources drawing from fiction, non-fiction, fairy tales and fantasy building foundational reading skills. Engaging with a variety of texts, students will strengthen their reading comprehension and inference skills. Students will cycle through the writing process and become more independent writers learning to apply their creative voice to their work.

## Entering Grade 3 - Math

6 weeks (June 10 - July 19) 7:30 am - 9:25 am

OR 9:45 am - 11:40 am

**\$575**

Entering Grade 3 Math offers incoming third graders a chance to build upon the fundamentals developed during the school year to ensure a smooth transition into the next grade level. The primary goal of this course is to establish the solid foundation required for entering third grade using engaging content in an interactive format designed to help students develop a passion for math.

Incoming third graders will learn the importance of place value and how it connects to all areas of mathematics. Basic rounding will be reinforced, along with foundational computation skills for addition and subtraction. They will explore various problem solving strategies, discovering there are a myriad of ways to arrive at a reasonable solution to solve the mystery of the word puzzle. Opportunities to work with Singapore Math and Common Core Strategies are incorporated throughout the duration of this class.

## Breaks R4 Kidz Grade 2-3

Session 1 (June 10 - June 28) 9:45 am - 11:40 am

Session 2 (July 1 - July 19) 9:45 am - 11:40 am

**\$480**

Students may enroll in BOTH sessions. Families all around the world are learning about the newest event being added to the 2024 Paris Olympic Games - a fun nostalgic blast from the past we know as Break Dance or (Breakin). Breaks R4 Kidz is a culturally immersive program that paints a picture of the origins of Hip-hop culture coming from Bronx NY to Hawaii through the Art of Breakin. At the end of the session your child will be thoroughly educated in the four core elements of Hip-hop which are Breakin, Dj, Rap, and Urban Art. Participants will be able to display what they've learned, if they so choose, in a performance held for their fellow students. This class is presented by Breaks R4 Kidz.

## Camp S'More! Grade 2-3

Session 1 (June 10 - June 28) 7:30 am - 9:25 am

OR 9:45 am - 11:40 am

Session 2 (July 1 - July 19) 7:30 am - 9:25 am

OR 9:45 am - 11:40 am

**\$365**

Ignite your passion for reading while delving into the finest books beneath the stars! Throughout our camping-themed days, we'll fully engage in both reading and writing, emphasizing deep comprehension. And what's a camp without some enjoyable camp crafts thrown into the mix? Join your fellow campers as we follow the trail that unveils the discovery of your inner reader!

# » Grades 2-3 Morning Courses

## Discover Hawai'i Grade 2-3

**Session 1 (June 10 - June 28) 7:30 am - 11:40 am**

**Session 2 (July 1 - July 19) 7:30 am - 11:40 am**

**\$595**

E komo mai! Welcome to Discover Hawai'i, a captivating course that seamlessly integrates Hawaiian culture and history with language arts and science. Over the course of three weeks, students will embark on a journey to explore the eight major islands, gaining insights into their unique features and cultural significance.

This immersive experience goes beyond traditional learning, offering students a chance to delve into the rich tapestry of Hawai'i's landscapes and traditions. Through a combination of classroom sessions and enriching field trips, participants will deepen their understanding of the islands' geographical, historical, and cultural aspects.

## Engineering Escapades Grade 2-3

**Session 1 (June 10 - June 28) 7:30 am - 9:25 am**

**OR 9:45 am - 11:40 am**

**Session 2 (July 1 - July 19) 7:30 am - 9:25 am**

**OR 9:45 am - 11:40 am**

**\$365**

Embark on a summer of enriching experiences with Engineering Escapades! Strengthen your critical thinking, creativity, and collaboration skills while delving into foundational engineering using LEGO Robotics. As junior innovators, participants will explore personally meaningful topics, applying the Design Thinking process to engineer a motorized model of their learning. Literacy connections will guide research and creative writing activities, seamlessly complementing STEM exploration. Get ready to dive into coding, videography, and the use of various digital platforms, all seamlessly tied into hands-on learning experiences designed to captivate and engage students with a curious mind.

## Introduction to French Grade 2-3

**Session 1 ONLY (June 10 - June 28) 7:30 am - 9:25 am**

**OR 9:45 am - 11:40 am**

**\$365**

This immersive and dynamic course is designed for elementary school beginners eager to embark on a delightful 3-week journey into the French language and culture. Through a combination of engaging activities, games, songs, cooking sessions, and both indoor and outdoor play, students will develop a solid foundation in French vocabulary and basic language skills.

## Journey Around the World Grade 2-3

**Session 1 (June 10 - June 28) 7:30 am - 9:25 am**

**OR 9:45 am - 11:40 am**

**Session 2 (July 1 - July 19) 7:30 am - 9:25 am OR 9:45 - 11:40 am**  
**\$365**

Ohayoo gozaimasu! Cómo estás? Join us on a fantastic adventure to countries around the world! This interdisciplinary course engages students on a world expedition of learning through a balanced blend of social studies, reading, writing, and creative arts. Throughout the class, students will apply their critical thinking skills as they explore geography and cultural traditions. Creative drama and music activities will enhance their understanding and appreciation of different cultures. Fun and exciting arts and crafts projects will tap students' creativity, while cooking cultural cuisines will tease their taste buds! Enrich your child's experience this summer with a journey around the world!

## Keiki Music Makers Grade 2-3

**Session 1 (June 10 - June 28) 7:30 am - 9:25 am**

**OR 9:45 am - 11:40 am**

**Session 2 (July 1 - July 19) 7:30 am - 9:25 am**

**OR 9:45 am - 11:40 am**

**\$365**

Calling all keiki with a love for music! Unleash your inner musician this summer as we explore music from world cultures, play instruments, and learn music theory. Students will participate in a variety of play-based activities such as singing, instrument playing, improvisation, composition, dancing, and teamwork-based games. The songs and games will incorporate a variety of world cultures from Japan, China, Korea, Africa, and Hawai'i. Examples of the types of instruments playing include xylophones, 'ukulele, hand drums, and other percussion instruments. This course will inspire the joy of music and a strong sense of community, musical appreciation, and cultural understanding among our keiki.

## Learn to Code - VR Adventures Grade 2-3

**Session 1 (June 10 - June 28) 7:30 am - 9:25 am**

**OR 9:45 am - 11:40 am**

**Session 2 (July 1 - July 19) 7:30 am - 9:25 am**

**OR 9:45 am - 11:40 am**

**\$425**

Step into the world of virtual reality (VR)! This innovative and engaging course introduces students to the basics of coding. Students will learn the basics of coding and unlock their creative capabilities by learning how to build their own virtual worlds, characters, and interactive experiences. Whether your child dreams of becoming a game developer, digital artist, or simply wants to explore the wonders of VR technology, this summer coding course offers a unique opportunity for students to dive into the exciting world of VR and unleash their imagination like never before. Join us for an unforgettable journey of creativity, exploration, and endless possibilities in the immersive realm of VR coding!

This course is brought to you by Keiki Coders. No prior coding experience necessary. All equipment provided. Please email [hello@keikicoders.com](mailto:hello@keikicoders.com) for questions about our course.

# » Grades 2-3 Morning Courses

## Magnificent Movers Grade 2-3

**Session 1 (June 10 - June 28) 7:30 am - 9:25 am**

**OR 9:45 am - 11:40 am**

**Session 2 (July 1 - July 19) 7:30 am - 9:25 am**

**OR 9:45 am - 11:40 am**

**\$365**

"5, 6, 7, 8!" Get your body moving and your creative juices flowing in this class focusing all about movement and dance. Students will practice coordination, and flexibility while also learning about and doing various dance styles throughout the weeks. Students will also learn about the various elements of creative dance and be given countless opportunities to exercise their creativity. The class will culminate with an exciting performance where students will demonstrate all that they've learned, as well as showcase some of their own choreography.

## Marvelous Math Grade 2-3

**Session 1 (June 10 - June 28) 7:30 am - 9:25 am**

**OR 9:45 am - 11:40 am**

**Session 2 (July 1 - July 19) 7:30 am - 9:25 am**

**OR 9:45 am - 11:40 am**

**\$365**

Explore the world of mathematics through problem-solving, collaboration, and daily Number Talks. Students will explore and enhance their understanding of addition and subtraction through hands-on activities and will refine their fluency, logic, and reasoning through an action-packed summer of fun!

## My First Lemonade Stand Grade 2-3

**Session 2 ONLY (July 1 - July 19) 7:30 am - 9:25 am**

**\$560**

Learn how to make sweet and tangy lemonade - and make money doing it! Experiment with recipes, design flyers, learn how to count money, make change and tally your profits. Then, in a showcase finale event, launch your lemonade stand and sell, sell, sell, and raise funds for a charity students select! This class is presented by SPARK Business Academy.

## Pokemon Masters Card League Grade 2-3

**Session 1 (June 10 - June 28) 9:45 am - 11:40 am**

**Session 2 (July 1 - July 19) 9:45 am - 11:40 am**

**\$465**

Calling all Pokémon trainers, collectors and fanatics! Prepare yourselves to evolve to the next level as you learn the official rules of the Pokémon Trading Card game, play and build your very own deck and battle to earn powerful cards and strategic advantages against your opponents. Then boost your design and photography skills as you capture amazing images of wild Pokémon and design a custom printed Pokémon card to add to your collection. Trainers will also learn investing tips and tricks to turn their card collection into a Pokémon goldmine! All participants will receive their own deck, additional cards, and a custom Pokémon card to take home. This class is presented by Wrenn Okada Photography + Design.

## STEM Design with LEGO Grade 2-3

**Session 1 (June 10 - June 28) 9:45 am - 11:40 am**

**Session 2 (July 1 - July 19) 9:45 am - 11:40 am**

**\$465**

Motors, gears, axels and bricks! Oh my! Students will master their engineering and design skills with tens of thousands of LEGO components while applying real world concepts in physics, engineering, design and architecture. Students will collaborate and build like never before, and explore their wildest designs in a supportive environment while building STEM-based LEGO projects such as Mechanized Walkers, Motorized Tanks, Conveyor Belts, 10-foot tall Skyscrapers and much more! New and returning students will learn through play to design and engineer at the next level and all materials will be provided. Session 1 and 2 will feature the same curriculum. This class is presented by Wrenn Okada Photography & Design.

## Summer ARTlab Grade 2-3

**Session 1 (June 10 - June 28) 7:30 am - 9:25 am**

**OR 9:45 am - 11:40 am**

**Session 2 (July 1 - July 19) 7:30 am - 9:25 am**

**OR 9:45 - 11:40 am**

**\$380**

Experience ARTlab! Taking inspiration from popular illustrators and famous artists, students will learn about and use the seven elements of art to explore their imaginations and express their creativity. Students will record what they learn in an art journal, do art projects every day, and reflect upon their masterpieces. A robust art portfolio will be the end result of a fun and engaging 3 weeks! (Please sign up for just one session. Optional: extra large T-shirt, art smock or apron)

## Under the Sea Grade 2-3

**Session 1 (June 10 - June 28) 7:30 am - 9:25 am**

**OR 9:45 am - 11:40 am**

**Session 2 (July 1 - July 19) 7:30 am - 9:25 am**

**OR 9:45 am - 11:40 am**

**\$380**

Plunge into the depths and uncover the secrets of oceanic creatures. Learn about their habitats and discover ways to ensure the safety of our oceans. Delve into the intricacies of our island ecosystem, uncovering the unique features that make Hawaiian waters so extraordinary! Through engaging projects and activities, students will seamlessly blend reading, writing, science, and art to gain a profound understanding of the wonders within our captivating underwater world.

# » Grades 4-6 Morning Courses

## Entering Grade 4 - Language Arts

**6 weeks (June 10 - July 19) 7:30 am - 9:25 am**

**OR 9:45 am - 11:40 am**

**\$575**

Entering Grade 4 Language Arts offers incoming fourth graders a chance to build upon the language arts fundamentals developed during the school year to ensure a smooth transition into the next grade level. The primary goal of this course is to establish the solid foundation required for entering fourth grade using engaging content in an interactive format designed to help students develop a love for reading and writing.

Students apply themselves to read with purpose, understanding, accuracy, and expression to become stronger readers. Lessons teach students to identify main ideas and to use context to decipher unknown vocabulary. Students are introduced to identifying and writing topic sentences as well as supporting details to better understand the main idea. With guidance and assistance, students apply the planning and editing process to different types of writing, including narrative, informational writing, and opinion.

## Entering Grade 4 - Math

**6 weeks (June 10 - July 19) 7:30 am - 9:25 am**

**OR 9:45 am - 11:40 am**

**\$575**

Entering Grade 4 Math offers incoming fourth graders a chance to build upon the math fundamentals developed during the school year to ensure a smooth transition into the next grade level. The primary goal of this course is to establish the solid foundation required for entering fourth grade using engaging content in an interactive format designed to help students develop a passion for math.

Students improve their math skills by applying appropriate interpretation strategies to solve word problems. The four basic operations are reinforced and students also use rounding and estimation to solve problems. The review of equations helps to prepare students for fourth grade. Opportunities to work with Common Core strategies are incorporated throughout the duration of this class.

## Entering Grade 5 - Language Arts

**6 weeks (June 10 - July 19) 7:30 am - 9:25 am**

**OR 9:45 am - 11:40 am**

**\$575**

Entering Grade 5 Language Arts offers incoming fifth graders a chance to build upon the language arts fundamentals developed during the school year to ensure a smooth transition into the next grade level. The primary goal of this course is to establish the solid foundation required for entering fifth grade using engaging content in an interactive format designed to help students develop a love for reading and writing.

Reading activities promote students' abilities in sifting through information to find important and relevant parts of the text to summarize ideas. Using the summer required reading text for all 'Iolani entering fifth graders, students review and apply reading strategies in preparation for the school year. Students will also practice narrative writing, learning key concepts to improve their essay and idea-based writing. Learning about different memoir structures, students learn to focus on strengthening their expository and narrative writing skills.

## Entering Grade 5 - Math

**6 weeks (June 10 - July 19) 7:30 am - 9:25 am**

**OR 9:45 am - 11:40 am**

**\$575**

Entering Grade 5 Math offers incoming fifth graders a chance to build upon the math fundamentals developed during the school year to ensure a smooth transition into the next grade level. The primary goal of this course is to establish the solid foundation required for entering fifth grade using engaging content in an interactive format designed to help students develop a passion for math.

A strong basis for fifth grade math will be reinforced with a focus on multiplying and dividing up to four digits by one or two digits and fluently adding and subtracting multi-digit whole numbers using the standard algorithm. Opportunities to work with Common Core Strategies are incorporated throughout the duration of this class.

# » Grades 4-6 Morning Courses

## Entering Grade 6 - Language Arts

**6 weeks (June 10 - July 19) 7:30 am - 9:25 am**

**OR 9:45 am - 11:40 am**

**\$575**

Entering Grade 6 Language Arts offers rising sixth graders a chance to build upon the language arts fundamentals developed during the school year. The primary goal of this course is to establish the solid foundation required for entering the sixth grade using engaging content in an interactive format designed to help students develop a further love and understanding for reading and writing.

Reading activities that promote analysis, interpretation, outlining and note-taking will be addressed. Book clubs and summer reading will help students review and apply reading strategies to prepare for sixth grade. Focus will also be on reviewing key concepts to improve their writing skills.

## Entering Grade 6 - Math

**6 weeks (June 10 - July 19) 7:30 am - 9:25 am**

**OR 9:45 am - 11:40 am**

**\$575**

Entering Grade 6 Math offers incoming sixth graders a chance to build upon the math fundamentals developed during the school year. The primary goal of this course is to establish the solid foundation required for entering sixth grade using engaging content in an interactive format designed to help students develop a passion for math. Students will review fractions and decimals in math while strengthening their problem-solving skills. Opportunities to work with Common Core Strategies are incorporated throughout the class.

## Kick Start 6

**6 weeks (June 10 - July 19) 7:30 am - 11:40 am**

**\$1,010**

Reserved for rising and newly enrolled 'Iolani grade 6 students. This class will include the essential review and skill formation needed to begin the sixth grade at 'Iolani School. Students will strengthen skills for reading and writing related to both fiction and non-fiction. Analysis, interpretation, outlining, and notetaking will be emphasized through Social Studies and Language Arts. Students will review fractions and decimals in math while strengthening their problem-solving skills. In science, students will practice their measurement skills and apply their creative skills to a variety of engineering design and STEM projects. A comprehensive orientation to Google Classroom and iPad usage will be an important part of this class. Students will meet new friends, get familiar with the campus, and learn all about being a Raider! All books and materials are included in the course fee.

## Adventures in Minecraft Grade 4-6

**Session 1 (June 10 - June 28) 7:30 am - 9:25 am**

**OR 9:45 am - 11:40 am**

**Session 2 (July 1 - July 19) 7:30 am - 9:25 am**

**OR 9:45 am - 11:40 am**

**\$380**

Students may enroll in BOTH sessions. Students should select only one class time per Session.

Adventurers will use Minecraft to explore and build in a virtual world while learning about science, technology, engineering, and math (STEM) concepts. Students will work on a variety of projects that challenge them to use their creativity and problem-solving skills to design and build complex structures, take a voyage on the Hokulea, travel to Mars as they build their own NASA rockets, build a thriving economy and world government, and much more. This class is perfect for both Minecraft newbies and enthusiasts alike and for students who are interested in learning about STEM in a fun and interactive way. No prior Minecraft experience is required and each class offers new and different challenges and projects for returning students.

## Artful Equations Grade 4-6

**Session 1 (June 10 - June 28) 7:30 am - 9:25 am**

**OR 9:45 am - 11:40 am**

**Session 2 (July 1 - July 19) 7:30 am - 9:25 am**

**OR 9:45 am - 11:40 am**

**\$380**

In Artful Equations, students embark on an exciting journey where mathematical concepts and artistic expression come together in perfect harmony. Through hands-on activities, collaborative projects, and thought-provoking challenges, students will discover the beauty and magic that emerges when math and art join forces. This course goes beyond traditional classroom boundaries, encouraging students to embrace the marvel that happens when math and art collaborate. By the end of the class, students will not only have enhanced their mathematical skills but will have also discovered the limitless possibilities that arise when creativity and logic intertwine. Join us on this enchanting adventure, where Artful Equations opens the door to a world where numbers and colors dance together, creating a symphony of learning and expression.

# » Grades 4-6 Morning Courses

## Artistic Design Adventure Grade 4-6

Session 1 (June 10 - June 28) 7:30 am - 9:25 am

OR 9:45 am - 11:40 am

Session 2 (July 1 - July 19) 7:30 am - 9:25 am

OR 9:45 am - 11:40 am

**\$380**

Designers will embark on a creative journey as we explore various facets of design including laser cutting, sewing, sticker-making, and digital animation. Students will dive into the world of laser technology as they learn how to transform their ideas into laser-cut masterpieces. While unraveling the basics of sewing, students will discover how to hand-stitch and use sewing machines to develop fine motor skills as they craft items from various fabric materials. Students will also have the opportunity to express their creativity through sticker design and digital animation by utilizing graphic design and animation software to bring their ideas to life. Bring your enthusiasm and let's get curious, creative, and excited about exploring new artistry techniques and technologies!

## Breaks R4 Kidz Grade 4-6

Session 1 (June 10 - June 28) 7:30 am - 9:25 am

Session 2 (July 1 - July 19) 7:30 am - 9:25 am

**\$480**

Students may enroll in BOTH sessions. Families all around the world are learning about the newest event being added to the 2024 Paris Olympic Games - a fun nostalgic blast from the past we know as Break Dance or (Breakin). Breaks R4 Kidz is a culturally immersive program that paints a picture of the origins of Hip-hop culture coming from Bronx NY to Hawaii through the Art of Breakin. At the end of the session your child will be thoroughly educated in the four core elements of Hip-hop which are Breakin, DJ, Rap, and Urban Art. Participants will be able to display what they've learned, if they so choose, in a performance held for their fellow students. This class is presented by Breaks R4 Kidz.

## Budding Entrepreneurs Grade 4-6

Session 1 ONLY (June 10 - June 28) 9:45 am - 11:40 am

**\$560**

This program empowers students with an entrepreneurial mindset to develop a plan for their very own business ideas, drawing from such disciplines as marketing, finance and strategy, in a supportive environment fostering teamwork. From designing marketing flyers to estimating profits, students have fun while developing business savvy! This class is presented by SPARK Business Academy.

## Code Mode Grade 4-6

Session 1 (June 10 - June 28) 7:30 am - 9:25 am

OR 9:45 am - 11:40 am

Session 2 (July 1 - July 19) 7:30 am - 9:25 am

OR 9:45 am - 11:40 am

**\$380**

Love playing video games and solving puzzles? Imagine being able to talk to a computer in its own language! Coding is what it's all about. Basic coding helps students refine their design, logic and problem-solving abilities, and allows them to express ideas in creative ways. As a coder, you'll learn to use different languages to create projects like the games and apps you enjoy. Join us as we get into Code Mode!

\* For NEW students only. Students who took the class in prior summers should not enroll.

## Comic Canvas Chronicles: Your Graphic Story Unleashed Grade 4-6

Session 1 (June 10 - June 28) 7:30 am - 9:25 am

OR 9:45 am - 11:40 am

Session 2 (July 1 - July 19) 7:30 am - 9:25 am

OR 9:45 am - 11:40 am

**\$365**

Unlock the secrets of graphic storytelling in this dynamic course. Immerse yourself in a world where creativity knows no bounds as we guide you through the art of crafting your own graphic narrative. From character design to plot development, you'll explore the fundamentals of sequential storytelling and gain hands-on experience in bringing your ideas to life on the comic canvas. Join us for an exhilarating journey where your imagination takes center stage, and your unique graphic story is unleashed. This course is perfect for aspiring graphic novelists, illustrators, and anyone eager to delve into the captivating realm of visual storytelling. Discover the power of your creative voice!

## CS'Iolani Grade 4-6

Session 1 (June 10 - June 28) 7:30 am - 9:25 am

OR 9:45 am - 11:40 am

Session 2 (July 1 - July 19) 7:30 am - 9:25 am

OR 9:45 am - 11:40 am

**\$365**

Calling all junior detectives, super sleuths and future Crime Scene Investigators (CSI)! Do you want to test your skills at solving mysteries? Then this is the course for you! This class will feature fun-filled and hands-on science activities that allow students to play detective, explore forensic science, and crack encrypted messages. Students will discover the skills needed to be a fantastic forensic scientist through a series of "who done it" investigations. Students will collaborate in teams as they are transformed into super sleuths, investigating fingerprints, evaluating shoe prints, and analyzing evidence in order to solve the crime.

# » Grades 4-6 Morning Courses

## Elementary Musical Theatre Grade 4-6

**Session 1 ONLY (June 10 - June 28) 7:30 am - 9:25 am OR 9:45 am - 11:40 am**

**\$380**

This fun-filled course is designed to introduce students to the fundamentals of musical theatre. This class is a great starting point for young performers, and also will allow experienced performers to continue to develop the skills needed to be a musical theatre artist! In this class, students will experience the joy of singing, dancing, acting, and building community with each other. Students will participate in acting exercises, vocal drills, improv games, and learn a variety of songs from various musicals. A final performance at the end of the session will allow students the opportunity to showcase their work!

## Finance Club Grade 4 -6

**Session 2 ONLY (July 1 - July 19) 9:45 am - 11:40 am**

**\$560**

Learn how to manage your money in this program promoting essential life skills! Set your financial goals, develop a budget from scratch, shop for a credit card and calculate the monthly cost of your dream car. Students learn about mortgages, FICO scores, taxes and the dangers of piling up debt. Through simulations and hands-on activities, students explore financial decisions they will have to make for their future. This class is presented by SPARK Business Academy.

## Groove and Move: Choreography Workshop Grade 4-6

**Session 1 (June 10- June 28) 7:30 am - 9:25 am**

**OR 9:45 am - 11:40 am**

**Session 2 (July 1 - July 19) 7:30 am - 9:25 am**

**OR 9:45 am - 11:40 am**

**\$365**

Get ready to dive into the world of dance with "Groove and Move." This workshop is perfect for anyone passionate about movement and eager to explore the vibrant realms of hip hop and TikTok choreography. Whether you're a seasoned dancer or a newcomer to the dance floor, this class welcomes all levels of experience. Join us for a dance-filled experience that will leave you inspired, confident, and ready to conquer the dance floor. Let's groove and move together!

## Hawai'i PhotoVentures Grade 4-6

**Session 1 (June 10 - June 28) 7:30 am - 9:25 am**

**Session 2 (July 1 - July 19) 7:30 am - 9:25 am**

**\$465**

Hawai'i PhotoVentures will introduce students into the awe-inspiring world of photography! Students will see the world in a fresh and unique perspective using the state-of-the-art Professional Sony Mirrorless Cameras, while developing skills in the arts of portrait, landscape, product and macro photography. Students will learn the complete editing process through Adobe Lightroom and finish off the session with a LEGO® Stop Motion Movie. Principles in composition, lighting, rule of thirds, indoor vs outdoor photography and much more will be explored while students shoot, edit, print and showcase their work in a take-home portfolio. Students will have access to professional Sony Mirrorless Cameras, Fujifilm Instax Mini Liplay Cameras, film, lighting, props, tripods, backdrops and more. Once per week we will embark on a walking excursion to the surrounding area to explore and shoot off campus. Session 1 and 2 will feature the same curriculum. This class is presented by Wrenn Okada Photography + Design.

**\*\*For NEW students only. Students who took the class in prior summers should not enroll.**

## Introduction to French Grade 4-6

**Session 1 ONLY (June 10 - June 28) 7:30 am - 9:25 am**

**OR 9:45 am - 11:40 am**

**\$365**

This immersive and dynamic course is designed for elementary school beginners eager to embark on a delightful 3-week journey into the French language and culture. Through a combination of engaging activities, games, songs, cooking sessions, and both indoor and outdoor play, students will develop a solid foundation in French vocabulary and basic language skills.

## Learn to Code - Hacking & Cybersecurity Grade 4-6

**Session 1 (June 10 - June 28) 9:45 am - 11:40 am**

**Session 2 (July 1 - July 19) 9:45 am - 11:40 am**

**\$425**

Attention digital detectives! Are you ready to dive into the world of cybersecurity? Join us as we unlock the secrets of cyberspace and become guardians of the digital realm! Students will learn the fundamentals of coding using the popular programming language Python. This course will dive into essential cybersecurity concepts such as password protection, online safety, and understanding the importance of secure coding. Students will create and code cybersecurity applications like encryptors, decrypters, password generators, and more. Get ready to unlock the mysteries of cybersecurity in a fun and accessible learning environment! This course is brought to you by Keiki Coders. No prior coding experience necessary. All equipment provided. Please email [hello@keikicoders.com](mailto:hello@keikicoders.com) for questions about our course.

## **Learn to Code - VR Adventures Grade 4-6**

**Session 1 (June 10 - June 28) 7:30 am - 9:25 am**

**Session 2 (July 1 - July 19) 7:30 am - 9:25 am**

**\$425**

Welcome to the fascinating realm of virtual reality (VR)! Throughout the course, students will learn the fundamentals of coding and use them to bring their virtual worlds to life. From creating interactive environments to coding virtual characters and playgrounds, students will gain hands-on experience in shaping their own VR worlds with code. This course aims to foster not only coding skills but also a sense of curiosity and innovation as students delve into the captivating possibilities of virtual reality. Best of all, students will get to step inside and interact with the virtual worlds they built using VR headsets! Get ready to code, create, and step into the exciting universe of virtual reality! This course is brought to you by Keiki Coders. No prior coding experience necessary. All equipment provided. Please email [hello@keikicoders.com](mailto:hello@keikicoders.com) for questions about our course.

## **Magnificent Movers Grade 4-6**

**Session 1 (June 10 - June 28) 7:30 am - 9:25 am**

**OR 9:45 am - 11:40 am**

**Session 2 (July 1 - July 19) 7:30 am - 9:25 am**

**OR 9:45 am - 11:40 am**

**\$365**

"5, 6, 7, 8!" Get your body moving and your creative juices flowing in this class focusing all about movement and dance. Students will practice coordination, and flexibility while also learning about and doing various dance styles throughout the weeks. Students will also learn about the various elements of creative dance and be given countless opportunities to exercise their creativity. The class will culminate with an exciting performance where students will demonstrate all that they've learned, as well as showcase some of their own choreography.

## **Pokemon Masters Card League Grade 4-6**

**Session 1 (June 10 - June 28) 9:45 am - 11:40 am**

**Session 2 (July 1 - July 19) 9:45 am - 11:40 am**

**\$465**

Calling all Pokémon trainers, collectors and fanatics! Prepare yourselves to evolve to the next level as you learn the official rules of the Pokémon Trading Card game, play and build your very own deck and battle to earn powerful cards and strategic advantages against your opponents. Then boost your design and photography skills as you capture amazing images of wild Pokémon and design a custom printed Pokémon card to add to your collection. Trainers will also learn investing tips and tricks to turn their card collection into a Pokémon goldmine! All participants will receive their own deck, additional cards, and a custom Pokémon card to take home. This class is presented by Wrenn Okada Photography + Design.

## **Sew Cool Kids Gr. 4-6**

**Session 1 (June 10- June 28) 7:30 am - 9:25 am**

**Session 2 (July 1 - July 19) 7:30 am - 9:25 am**

**\$380**

Cool off this summer with our Sew Cool Kids workshop! Students will learn simple sewing techniques using both machine and hand stitching, embroidery, applique and quilting. From basic stitches to crafting trendy projects, participants will enjoy this cool and creative journey into the world of fabric and design.

## **Whispers of Olympus: Greek and Roman Mythical Odyssey Grade 4-6**

**Session 2 ONLY (July 1 - July 19) 7:30 am - 9:25 am**

**OR 9:45 am - 11:40 am**

**\$365**

Step into the captivating world of Greek and Roman mythology, where ancient stories and characters come to life. Delve into the rich tapestry of gods, goddesses, and mythical monsters that have fascinated civilizations for centuries. Through immersive experiences including reading, creative writing, engaging art projects, captivating videos, and various other activities, students will unlock the mysteries of these timeless tales. Join us on a Mythical Odyssey this summer and let the whispers of Olympus guide your exploration into the realms of ancient wonder!

## **Wizarding World Grade 4-6**

**Session 1 (June 10- June 28) 7:30 am - 9:25 am**

**OR 9:45 am - 11:40 am**

**Session 2 (July 1 - July 19) 7:30 am - 9:25 am**

**OR 9:45 am - 11:40 am**

**\$365**

Journey through the wonderful world of Harry Potter, as we experiment with potions, investigating the properties of invisibility cloaks, making wands, and much more! We will explore a variety of topics like astronomy, word origin, mythology, geography through a magical lens, and be challenged in a virtual escape room!

# » Meal Plan

The Summer Programs Meal Plan provides students one Type A hot lunch per day for Session 1 and Session 2. Menus will be posted on the summer website. Contact [cafe@iolani.org](mailto:cafe@iolani.org) for inquiries about the menu or food accommodations.

## PURCHASE

- » Summer Programs Meal Plan must be pre-purchased for Session 1 and Session 2 via the Registration Portal
- » There are no daily or a la carte options for purchase during the summer session
- » Refund requests will incur a \$25.00 processing fee up through Friday, May 10
- » Meal Plan will not be refunded after May 10, nor accepted during the regular school year
- » Regular 'Iolani school year meal cards are not valid during Summer Programs

MEAL PLAN INFORMATION			
	Dates	Grades	Price
Session 1	June 10 - June 28	K-6	\$81.25
Session 2	July 1 - July 19	K-6	\$87.50

## LOWER SCHOOL LUNCH PROCEDURES

- » **MORNING ONLY:** Students registered for morning classes ONLY must be picked up immediately at dismissal (11:25 am / 11:40 am), and are not allowed to stay for lunch
- » **HOME LUNCH:** Students are welcome to bring lunch from home
- » **SNACK BAR/CAFETERIA PURCHASES:** Similar to the school year, snack bars and cafeteria will not be available for students in kindergarten through 6th grade to make purchases
- » **DISTRIBUTION:** Following morning classes, students will be escorted to their afternoon class lunch areas where they will eat outdoors. Lunches will be distributed in lunch areas. K-3 students with a Meal Plan will have this indicated on their name tag which is distributed on the first day of school.
- » **LS LUNCH BUNCH:** Lower School students with Upper School siblings are allowed to join the supervised Lunch Bunch group (11:40 am - 12:30 pm) until their siblings are finished with morning classes at 12:30 pm. Contact the Lower School Summer Office to add your child to the LS Lunch Bunch.

# » Grades K-1 Afternoon Courses

## Kindergarten Adventures

**Session 1 (June 10 - June 28) 12:30 pm - 2:25 pm; 2:45 pm - 5:00 pm**

**Session 2 (July 1 - July 19) 12:30 pm - 2:25 pm; 2:45 pm - 5:00 pm**

**\$365**

Students may enroll in BOTH sessions and BOTH afternoon periods. Join us for Kindergarten Adventures! Indoor and outdoor play, arts and crafts, organized games, and storytelling are all parts of this fun program. Teachers and assistants supervise students throughout the afternoon.

If selecting the **12:30 pm** class, students should bring a resting mat.

If selecting the **2:45 pm** class, students should bring an afternoon snack, and may be picked up at Autoline anytime between 3:45 pm - 5:00 pm.

Limited to newly enrolling 'Iolani Kindergarten students who are also enrolled in a morning class.

## Kindergarten Design Fun

**6 weeks (June 10 - July 19) 12:30 pm - 5:00 pm**

**\$1,030**

Design Fun Kindergarten is a class in which students engage in the Engineering Design Process through hands-on learning experiences. Students will ask questions, plan, create, experiment, and improve upon their projects. Topics include simple machines, aviation, STEM challenges, shapes, and 3 Rs (reduce, reuse, recycle). A variety of fiction and nonfiction books will supplement instruction to further these topics. Students will have an exciting summer filled with wonderment and creativity! If you would like to become a young engineer, this class is for you!

Class instruction ends at 4:30pm, supervision provided after class until 5:00 pm.

Limited to newly enrolling 'Iolani Kindergarten students who are also enrolled in a morning class.

## Breaks R4 Kidz Grade K-1

**Session 1 (June 10 - June 28) 12:30 pm - 2:25 pm**

**Session 2 (July 1 - July 19) 12:30 pm - 2:25 pm**

**\$480**

Students may enroll in BOTH sessions. Families all around the world are learning about the newest event being added to the 2024 Paris Olympic Games - a fun nostalgic blast from the past we know as Break Dance or (Breakin). Breaks R4 Kidz is a culturally immersive program that paints a picture of the origins of Hip-hop culture coming from Bronx NY to Hawaii through the Art of Breakin. At the end of the session your child will be thoroughly educated in the four core elements of Hip-hop which are Breakin, Dj, Rap, and Urban Art. Participants will be able to display what they've learned, if they so choose, in a performance held for their fellow students. This class is presented by Breaks R4 Kidz.

## LEGO® ENGINEERING by Bricks 4 Kidz Grade K-1

**Session 1 (June 10 - June 28) 12:30 pm - 2:25 pm**

**Session 2 (July 1 - July 19) 12:30 pm - 2:25 pm**

**\$625**

Students may enroll in BOTH sessions. Our BRICKS 4 KIDZ® summer school program introduces kids to concepts of engineering, coding, architecture and mechanics using LEGO® bricks! Students learn how to build machines, gadgets, buildings, vehicles and other one-of-a-kind models designed by BRICKS 4 KIDZ®. They will build new projects each day using our proprietary Bricks 4 Kidz instructions and specialized LEGO® kits. Students will develop problem solving and critical thinking skills while tapping into their creative imagination! Students will have lots of learning fun! Models for Session 1 will be different from Session 2. This class is presented by BRICKS 4 KIDZ®.

Limited to newly enrolling 'Iolani Kindergarten and Grade 1 students who are also enrolled in a morning class.

## Red Ball Tennis + ASC Grade K-1

**Session 1 (June 10 - June 28) 12:30 pm - 2:25 pm OR 2:45 pm - 5:00 pm**

**Session 2 (July 1 - July 19) 12:30 pm - 2:25 pm OR 2:45 pm - 5:00 pm**

**\$430**

Students may enroll in BOTH sessions. This course is offered to Kindergarten and 1st grade students and designed to make learning fun. The emphasis is on fundamental balance, movement, hand-eye coordination, and stroke development through group activities and games. Small rackets, nets, and low compression red balls are used on a 36' court to enhance the learning process. Students should wear sunblock, athletic clothes, and non-skid, non-marking athletic shoes. Please bring a reusable water bottle and racket (rackets will be provided as needed). For additional information and questions, please contact [hsomerville@iolani.org](mailto:hsomerville@iolani.org).

This class includes a 45-minute tennis lesson, along with Afternoon Summer Club (ASC) activities and supervision after class. ASC will include indoor and outdoor play, arts and crafts, organized games, and movies. Teachers and assistants supervise students throughout the afternoon.

If selecting the **12:30 pm** class, students may be picked up anytime at Autoline between 1:30 pm - 2:25 pm, unless they have a following afternoon class.

If selecting the **2:45 pm** class, students may be picked up at Autoline anytime between 3:45 pm - 5:00 pm.

Limited to students who are also enrolled in a morning class.

# » Grades K-1 Afternoon Courses

## Afternoon Adventures Grade 1

**Session 1 (June 10 - June 28) 12:30 pm - 2:25 pm; 2:45 pm - 5:00 pm**

**Session 2 (July 1 - July 19) 12:30 pm - 2:25 pm; 2:45 pm - 5:00 pm**

**\$365**

Students may enroll in BOTH sessions and BOTH afternoon periods. Join us for Afternoon Adventures! Indoor and outdoor play, arts and crafts, organized games, and storytelling are all parts of this fun and exciting program. Teachers and assistants supervise students throughout the afternoon. Students should bring an afternoon snack if enrolling in this class.

If selecting the **2:45 pm** class, students may be picked up at Autoline anytime between 3:45 pm - 5:00 pm.

Limited to students who are also enrolled in a morning class.

## Bearable Experiences Grade 1

**Session 2 ONLY (July 1 - July 19) 12:30 pm - 2:25 pm**

**\$365**

Discover the wonderful world of bears in this class that focuses on oral communication, reading, listening, math, science, writing, music and art through the theme of bears. Students learn about the habits and the environments of different kinds of bears through integrated lessons. The course includes fun projects, singing, dance, and movement. We're BEARY excited to have you join us!

Limited to students who are also enrolled in a morning class.

## Beginning Coding with Scratch Jr. by Bricks 4 Kidz Grade 1

**Session 1 (June 10 - June 28) 12:30 pm - 2:25 pm**

**Session 2 (July 1 - July 19) 12:30 pm - 2:25 pm**

**\$625**

Students may enroll in BOTH sessions. Introductory programming course that enables young children to create their own interactive stories and games. Children snap together graphical programming blocks to make characters move, jump, dance, and sing. Children can modify characters in the paint editor and add their own voices and sounds to make their characters come to life. Children will learn how to code their own simple video games to play and learn how they are developed. Encourages creativity, systematic thinking and problem solving. Tablets will be supplied. Models for Session 1 will be different from Session 2. This class is presented by BRICKS 4 KIDZ®.

Limited to students who are also enrolled in a morning class.

## Design Fun Grade 1

**Session 1 (June 10 - June 28) 12:30 pm - 5:00 pm**

**Session 2 (July 1 - July 19) 12:30 pm - 5:00 pm**

**\$595**

Students may enroll in BOTH sessions. In Design Fun grade 1, students will engage in hands-on activities, creating structures, instruments, booklets, and other artwork to document their learning. Our course will cover topics such as the elements of design, music and sound, matter, light and shadows, wind and clouds, and health and fitness. Students will learn about these subjects through literature and will work with a partner to design and craft many of their creations. This class is a great opportunity for your child to have an exciting educational experience while exploring their creative side!

Class instruction ends at 4:30pm, supervision provided after class until 5:00 pm.

Limited to students who are also enrolled in a morning class.

# » Grades 2-3 Afternoon Courses

## Afternoon Summer Club (ASC) Grade 2-3 \*new\*

**Session 1 (June 10 - June 28) 2:45 pm - 5:00 pm**

**Session 2 (July 1 - July 19) 2:45 pm - 5:00 pm**

**\$365**

Students may enroll in BOTH sessions. 'Iolani Summer Programs understands that many parents need full-day programming. We are excited to offer Afternoon Summer Club to help. Afternoon Summer Club (ASC) is a very casual program providing a safe place to hangout until 5:00 PM. Indoor and outdoor play, arts and crafts, organized games, and movies are all parts of this fun and exciting program. Teachers and assistants supervise students throughout the afternoon.

Students should bring an afternoon snack and may be picked up anytime between 3:45 pm - 5:00 pm. ASC is the preferred class option if students need to be picked up at different times on various days of the week.

Limited to students who are also enrolled in a morning class.

## Design Fun Grade 2-3

**Session 1 (June 10 - June 28) 12:30 pm - 5:00 pm**

**Session 2 (July 1 - July 19) 12:30 pm - 5:00 pm**

**\$595**

Students may enroll in BOTH sessions. Design Fun is a project-based class where students use their imagination and critical thinking to build and create! Students are encouraged to build a wide range of exciting projects. Over three weeks, the students will work both individually and collaboratively to learn about the engineering design process through planning, testing, and modifying their projects. Teachers also incorporate children's books with the activities and the students use problem-solving skills to re-create structures from these stories. Learning takes place in and outside of the classroom, allowing the students to use their skills in real-life situations. Throughout the summer your child will be bringing home his or her projects, inspiring many children to continue their building at home. Come and build with us! Curriculum, activities, and lessons will differ each session, and update every year; students are encouraged to take Design Fun as both entering second and third graders.

Class instruction ends at 4:30pm, supervision provided after class until 5:00 pm.

Limited to students who are also enrolled in a morning class.

## Fun Fitness Grade 2-3

**Session 1 (June 10 - June 28) 12:30 pm - 2:25 pm**

**Session 2 (July 1 - July 19) 12:30 pm - 2:25 pm**

**\$365**

Students may enroll in BOTH sessions. Come join the fitness fun as we learn a new sport each week! Team sports are not only a great way to stay active and healthy, but also help with the building blocks of social and emotional development for young people. We will learn the skills and practice strategies for sports such as soccer, kickball, spikeball, and ultimate frisbee, and engage in friendly competition.

Limited to students who are also enrolled in a morning class.

## Gymnastics and Acrobatics with Circus Olina Grade 2-3

**Session 1 (June 10 - June 28) 12:30 pm - 2:25 pm**

**Session 2 (July 1 - July 19) 12:30 pm - 2:25 pm**

**\$465**

Students may enroll in BOTH sessions. Want your child to learn how to safely do somersaults, cartwheels, handstands, partner acrobatics and even how to build human pyramids, then this course is for you! A human pyramid is an acrobatic formation, a group act that involves coordination, timing and trust in each other! In this course we include fun activities and games to build a good foundation of trust and teamwork in each other. Course is designed to teach flexibility, strength, coordination and body awareness using gymnastic & acrobatics skills with a circus twist in a fun and creative way!

If you have any questions regarding this course, please contact Circus Olina directly via [circusolina@gmail.com](mailto:circusolina@gmail.com).

Limited to students who are also enrolled in a morning class.

## Learn to Swim + ASC Grade 2-3

**Session 1 (June 10 - June 28) 12:30 pm - 2:25 pm**

**OR 2:45 pm - 5:00 pm**

**Session 2 (July 1 - July 19) 12:30 pm - 2:25 pm**

**OR 2:45 pm - 5:00 pm**

**\$385**

Students may enroll in BOTH sessions. The swimming program provides instruction to students entering grades 2 through 3. Students are placed according to ability and advance at their own rate. The main goals are to promote water safety and build stroke foundations. Children should bring their own towel, goggles, swimsuit, and sunblock. Additionally, they must be able to apply their own sunblock as well as change in and out of their own bathing suit.

This class includes a 50-minute swim lesson, along with Afternoon Summer Club (ASC) activities and supervision before and after class. ASC will include indoor and outdoor play, arts and crafts, organized games, and movies. Teachers and assistants supervise students throughout the afternoon.

If selecting the 12:30 pm class, students will be divided into groups that will rotate their lesson time. Students must be picked up immediately at the end of class (2:25 pm) at Kamoku Street Autoline, unless they have a following afternoon class.

If selecting the 2:45 pm class, students may be picked up at Autoline anytime between 3:45 pm - 5:00 pm.

Limited to students who are also enrolled in a morning class.

## Magnificent Movers Grade 2-3

**Session 1 (June 10- June 28) 12:30 pm - 2:25 pm**

**Session 2 (July 1 - July 19) 12:30 pm - 2:25 pm**

**\$365**

"5, 6, 7, 8!" Get your body moving and your creative juices flowing in this class focusing all about movement and dance. Students will practice coordination, and flexibility while also learning about and doing various dance styles throughout the weeks. Students will also learn about the various elements of creative dance and be given countless opportunities to exercise their creativity. The class will culminate with an exciting performance where students will demonstrate all that they've learned, as well as showcase some of their own choreography.

Limited to students who are also enrolled in a morning class.

## Mastering the Art of Fancy Writing Grade 2-3

**Session 1 (June 10- June 28) 12:30 pm - 2:25 pm**

**Session 2 (July 1 - July 19) 12:30 pm - 2:25 pm**

**\$365**

Welcome to this whimsical and enchanting course designed for creative young minds. This class is a delightful exploration of the world of beautiful and expressive writing, where students will embark on a journey to enhance their handwriting skills and discover the joy of fancy writing. Students will engage in fun art projects on this enchanting adventure that encourages young writers to express themselves with style and creativity. Join us in this magical journey where letters come to life, and every stroke tells a story!

## Movement Fun with Circus Olina Grade 2-3

**Session 1 (June 10 - June 28) 2:45 pm - 5:00 pm**

**Session 2 (July 1 - July 19) 2:45 pm - 5:00 pm**

**\$475**

Students may enroll in BOTH sessions. In this course your child will be moving a lot! The course combines fun games, stretching exercises, jump roping, hula hooping, balance and coordination activities. Our PE-style games will challenge everyone's agility, speed, and teamwork skills. Furthermore, your child will get introduced to different circus disciplines like juggling, spinning plates, Chinese yo-yo, walking across the balance beam / tightrope and so much more. All activities are designed in a creative, fun, and engaging way. All these activities help children improve their muscle tone, increase balance, and develop better equilibrium reactions. Join us for a fun and engaging course! If you have any questions regarding this course, please contact Circus Olina directly via [circusolina@gmail.com](mailto:circusolina@gmail.com).

Limited to students who are also enrolled in a morning class.

## Orange Ball Tennis + ASC Grade 2-3

**Session (June 10 - June 28) 12:30 pm - 2:25 pm**

**OR 2:45 pm - 5:00 pm**

**Session 2 (July 1 - July 19) 12:30 pm - 2:25 pm**

**OR 2:45 pm - 5:00 pm**

**\$430**

Students may enroll in BOTH sessions. This course is offered to 2nd and 3rd grade students and designed to make learning tennis fun. The emphasis is on fundamental balance, movement, hand-eye coordination, and stroke development through group activities and games. Age appropriate sized court, rackets, nets, and low compression orange balls are used to enhance the learning process.

Students should wear sunblock, athletic clothes, hat, and non-skid, non-marking athletic shoes. Please bring a reusable water bottle and racket (rackets will be provided as needed). For additional information and questions, please contact [hsomerville@iolani.org](mailto:hsomerville@iolani.org).

This class includes a 45-minute tennis lesson, along with Afternoon Summer Club (ASC) activities and supervision before and after class. ASC will include indoor and outdoor play, arts and crafts, organized games, and movies. Teachers and assistants supervise students throughout the afternoon.

If selecting the **12:30 pm** class, students may be picked up at Autoline anytime between 1:30 pm - 2:25 pm, unless they have a following afternoon class.

If selecting the **2:45 pm** class, students may be picked up at Autoline anytime between 3:45 pm - 5:00 pm.

Limited to students who are also enrolled in a morning class.

## Sensational STEM FUN-damentals Grade 2-3

**Session 1 (June 10 - June 28) 12:30 pm - 2:25 pm**

**Session 2 (July 1 - July 19) 12:30 pm - 2:25 pm**

**\$380**

Welcome to an exciting journey where science, technology, engineering, and mathematics (STEM) converge in a fusion of creativity and exploration. Calling all future scientists, engineers, and mathematicians! In this dynamic course, students will embark on a hands-on adventure that encourages creative thinking, problem-solving, and the development of critical skills. Get ready to uncover the wonders of science and mathematics through a hands-on, collaborative, and dynamic learning experience. Whether you're tinkering with experiments or solving real-world problems, this course is designed to ignite your curiosity and fuel your journey into the realms of STEM discovery. We can't wait to begin our adventures together!

Limited to students who are also enrolled in a morning class.

# » Grades 4-6 Afternoon Courses

## **Adventures in Minecraft Grade 4-6**

**Session 1 (June 10 - June 28) 12:30 pm - 2:25 pm**

**Session 2 (July 1 - July 19) 12:30 pm - 2:25 pm**

**\$380**

Students may enroll in BOTH sessions. Students should select only one class time per Session.

In this exciting summer class, students will use Minecraft to explore and build in a virtual world while learning about science, technology, engineering, and math (STEM) concepts. Students will work on a variety of projects that challenge them to use their creativity and problem-solving skills to design and build complex structures, take a voyage on the Hokulea, travel to Mars as they build their own NASA rockets, build a thriving economy and world government and much more. This class is perfect for both Minecraft newbies and enthusiasts alike and for students who are interested in learning about STEM in a fun and interactive way. No prior Minecraft experience is required and each class offers new and different challenges and projects for returning students. Limited to students who are also enrolled in a morning class.

## **Afternoon Summer Club (ASC) Grade 4-6 \*new\***

**Session 1 (June 10 - June 28) 2:45 pm - 5:00 pm**

**Session 2 (July 1 - July 19) 2:45 pm - 5:00 pm**

**\$365**

Students may enroll in BOTH sessions. 'Iolani Summer Programs understands that many parents need full-day programming. We are excited to offer Afternoon Summer Club to help. Afternoon Summer Club (ASC) is a very casual program providing a safe place to hangout until 5:00 PM. Indoor and outdoor play, arts and crafts, organized games, and movies are all parts of this fun and exciting program. Teachers and assistants supervise students throughout the afternoon. Students should bring an afternoon snack if enrolling in this class. Students may be picked up at Autoline at any time during the duration of ASC. ASC is the preferred class option if students need to be picked up at different times on various days of the week.

Limited to students who are also enrolled in a morning class.

## **Band Ensemble Grades 5-6**

**Session 1 ONLY (June 10 - June 28) 12:30 pm - 2:25 pm**

**\$380**

Join us for an exciting musical journey! This second-level band course is designed for students (with at least one year of study or more) who are eager to continue developing their skill on their concert band instrument (like flute, clarinet, trumpet, trombone, percussion, etc.). Students will learn the fundamentals of music theory and the essentials of playing together as a band in a fun, dynamic and supportive environment. Instrument rental inquiries may be emailed to [pad@iolani.org](mailto:pad@iolani.org).

Limited to students who are also enrolled in a morning class.

## **Basketball Basics Grade 4-6**

**Session 1 ONLY (June 10 - June 28) 12:30 pm - 2:25 pm**

**\$365**

Welcome to Basketball Basics, an exciting and engaging class designed to introduce students to the fundamentals of basketball. Whether you're a beginner eager to learn the basics or a budding basketball enthusiast looking to refine your skills, this course is the perfect opportunity to dribble, shoot, and score your way to success. This class focuses on building a strong foundation in basketball fundamentals. From dribbling techniques, shooting motion and footwork/defensive movements, students will develop these essential skills needed to aid them on the basketball court. Whether you're aiming to become the next basketball star or simply looking to have fun while staying active, Basketball Basics is the perfect introduction to the exciting world of basketball. Join us on the court for a thrilling journey of skill development, teamwork, and sportsmanship. Let's dribble, shoot, and score together! Limited to students who are also enrolled in a morning class.

## **Design Fun Grade 4-6**

**Session 1 (June 10 - June 28) 12:30 pm - 5:00 pm**

**Session 2 (July 1 - July 19) 12:30 pm - 5:00 pm**

**\$595**

Students may enroll in BOTH sessions. Join us for Design Fun! In this projects-based class, students are introduced to the Maker System of building projects. Students use materials to plan, design, build, and test authentic applications to problems that they encounter in the real world. Each week of the course has specific themes like: Structures, Helpful Tools, Aviation Week, Flying Objects, Garden Products, and more. Students are led through a problem and given choices of materials to solve the problem. Projects are built collaboratively in small groups or independently to produce solutions. Fascinated with building, taking things apart, and seeing how things work? If you answered with an emphatic "YES!", then you are a natural engineer and this is the class for you! Class instruction ends at 4:30pm, supervision provided after class until 5:00 pm.

Limited to students who are also enrolled in a morning class.

## **Fun Fitness Grade 4-6**

**Session 1 (June 10 - June 28) 12:30 pm - 2:25 pm**

**Session 2 (July 1 - July 19) 12:30 pm - 2:25 pm**

**\$365**

Students may enroll in BOTH sessions. Come join the fitness fun as we learn a new sport each week! Team sports are not only a great way to stay active and healthy, but also help with the building blocks of social and emotional development for young people. We will learn the skills and practice strategies for sports such as soccer, kickball, spikeball, and ultimate frisbee, and engage in friendly competition.

Limited to students who are also enrolled in a morning class.

# » Grades 4-6 Afternoon Courses

## Game Crafters Grade 4-6

**Session 1 (June 10 - June 28) 12:30 pm - 2:25 pm**

**Session 2 (July 1 - July 19) 12:30 pm - 2:25 pm**

**\$365**

Join this epic journey into the realms of digital and physical gaming! We will explore the blocky universe of Minecraft, race through the colorful tracks of Mario Kart, battle it out in epic Smash Bros showdowns, and play wildly fun mini-games in Mario Party while we learn the creative art of board game design. Gamers will engage in creative problem solving, strategic thinking, and practice good sportsmanship during game play and develop an understanding of game mechanics and game design as they go through the process of building their own board game. Unleash your creativity and gear up for an adventure where pixels and game pieces come together in a spectacular fusion of fun and learning!

Limited to students who are also enrolled in a morning class.

## Green Ball Tennis + ASC Grade 4-6

**Session (June 10 - June 28) 12:30 pm - 2:25 pm**

**OR 2:45 pm - 5:00 pm**

**Session 2 (July 1 - July 19) 12:30 pm - 2:25 pm**

**OR 2:45 pm - 5:00 pm**

**\$430**

Students may enroll in BOTH sessions. This course is offered to students grades 4 through 6 who are interested in developing the technical skills to play in organized team competition. The emphasis is on fundamental balance, movement, hand-eye coordination, and stroke development through instruction and games. The full size court will be used with the low compression green ball.

Students should wear sunblock, athletic clothes, hat, and non-skid, non-marking athletic shoes. Please bring a reusable water bottle and racket (racket will be provided as needed). For additional information and questions, please contact [hsmerville@iolani.org](mailto:hsmerville@iolani.org).

This class includes a 45-minute tennis lesson, along with Afternoon Summer Club (ASC) activities and supervision before and after class. ASC will include indoor and outdoor play, arts and crafts, organized games, and movies. Teachers and assistants supervise students throughout the afternoon.

If selecting the 12:30 pm class, students may be picked up at Autoline anytime between 1:30 pm - 2:25 pm, unless they have a following afternoon class.

If selecting the 2:45 pm class, students may be picked up at Autoline anytime between 3:45 pm - 5:00 pm.

Limited to students who are also enrolled in a morning class.

## **Magic Makers Grade 4-6**

**Session 1 (June 10 - June 28) 12:30 pm - 2:25 pm**

**Session 2 (July 1 - July 19) 12:30 pm - 2:25 pm**

**\$380**

Unlock the secrets of spellbinding performances in Magic Makers, an enchanting class tailored for grades 4-6! Dive into the basics of magic where creativity, imagination, and STEM elements converge. Students will cultivate their magical identity, mastering the art of performance and storytelling. As they journey through this mystical experience, budding magicians will leave family and friends in awe, sprinkling their world with moments of wonder. Join us for an exploration of the magical arts, where every participant transforms into a Magic Maker, sharing the gift of enchantment with those around them.

Limited to students who are also enrolled in a morning class.

## **Magnificent Movers Grade 4-6**

**Session 1 (June 10 - June 28) 12:30 pm - 2:25 pm**

**Session 2 (July 1 - July 19) 12:30 pm - 2:25 pm**

**\$365**

"5, 6, 7, 8!" Get your body moving and your creative juices flowing in this class focusing all about movement and dance. Students will practice coordination, and flexibility while also learning about and doing various dance styles throughout the weeks. Students will also learn about the various elements of creative dance and be given countless opportunities to exercise their creativity. The class will culminate with an exciting performance where students will demonstrate all that they've learned, as well as showcase some of their own choreography.

Limited to students who are also enrolled in a morning class.

## **Movement Fun with Circus Olina Grade 4-6**

**Session 1 (June 10 - June 28) 2:45 pm - 5:00 pm**

**Session 2 (July 1 - July 19) 2:45 pm - 5:00 pm**

**\$475**

Students may enroll in BOTH sessions. In this course your child will be moving a lot! The course combines fun games, stretching exercises, jump roping, hula hooping, balance and coordination activities. Our PE-style games will challenge everyone's agility, speed, and teamwork skills. Furthermore, your child will get introduced to different circus disciplines like juggling, spinning plates, Chinese yo-yo, walking across the balance beam / tightrope and so much more. All activities are designed in a creative, fun, and engaging way. All these activities help children improve their muscle tone, increase balance, and develop better equilibrium reactions. Join us for a fun and engaging course! If you have any questions regarding this course, please contact Circus Olina directly via [circusolina@gmail.com](mailto:circusolina@gmail.com).

Limited to students who are also enrolled in a morning class.

## **Strings for Success (Level 2) + ASC Grade 4-6**

**Session 1 ONLY (June 10 - June 28) 12:30 pm - 2:25 pm**

**\$390**

Performing Arts Department approval required before registration (contact [summerorchestra@iolani.org](mailto:summerorchestra@iolani.org))

This class is open to violinists, violists, cellists, and double bassists with 1-2 years of study on their instrument, and Intermediate level students (2-4 years of study). Instructors will place students according to ability during the first two days of class.

Taught by one of our distinguished 'Iolani Orchestra faculty, beginning-intermediate level musicians will learn challenging solos while focusing on note-reading, bass/harmony lines, and development of proper posture/technique. Intermediate level students will learn challenging pieces while focusing on note-reading, ensemble skills, and development of proper instrument facility/technique. Playing consistently during the summer helps to set-up students for success in their school programs and private lessons for the following academic year. Students are responsible for providing their own instruments.

This class includes a 1-hour music lesson, along with Afternoon Summer Club (ASC) activities and supervision before and after class. ASC will include indoor and outdoor play, arts and crafts, organized games, and movies. Teachers and assistants supervise students throughout the afternoon.

Limited to students who are also enrolled in a morning class.

## **Let's Go Holoholo! Grades K - 6**

**Week 7 July 22 - July 26 (8:00 am - 4:00 pm)**

**Week 8 July 29 - August 2 (8:00 am - 4:00 pm)**

**\$650**

E holoholo kākou! Discover amazing locations around our beautiful island home during an unforgettable one-week summer adventure! Your child will enjoy outdoor excursions and on campus activities, building friendships along the way. Children must be able to apply their own sunblock and bug spray, as well as change in and out of their own bathing suit. This one week adventure includes the cost of all activities, lunch, and an afternoon snack. No morning snack is provided. Please provide your child with appropriate clothing and footwear for each day, sunscreen, hat, and refillable water bottle. More detailed information will be provided prior to the start of the program. Activities will differ each week.

## **Wonder of Circus Arts with Circus Olina Grades 2 - 6**

**Week 7 July 22 - July 26 (8:00 am - 2:00 pm)**

**Week 8 July 29 - August 2 (8:00 am - 2:00 pm)**

**\$575**

Become a circus artist for the week! Don't miss out on this incredible opportunity to discover your inner circus artist! Join us for a week-long adventure into the exciting world of circus arts. Throughout the week, students will have the chance to learn a wide variety of wonderful skills. From juggling to spinning plates, Chinese yo-yo to acting, clowning to acrobatics, and even the thrill of tight roping, we will cover it all! Our instructors will guide and teach students step by step, whether they are beginners or have some previous experience, our program is designed to cater to all skill levels. Students will collaborate with each other and create a performance. At the end of the week family and friends are invited to attend our fun circus performance, where students will showcase their newfound skills. If you have any questions regarding this course, please contact Circus Olina directly via [circusolina@gmail.com](mailto:circusolina@gmail.com).

## **Pokémon Masters Ultimate STEM Camp Grades 2-6**

**Week 7 ONLY July 22 - July 26 (8:00 am - 2:00 pm)**

**\$560**

Calling all Pokémon trainers, collectors and fanatics for the ultimate STEM camp experience featuring Pokémon and LEGO®! Prepare yourselves to evolve to the next level as you learn the official rules of the Pokémon Trading Card game, play and build your very own deck and battle to earn powerful cards and strategic advantages against your opponents. Then boost your design skills by creating a custom laser engraved Pokémon coin to add to your collection. Trainers will also learn investing tips and tricks to turn their card collection into a Pokémon goldmine! Then continue your journey by leveling up your engineering skills with tens of thousands of LEGO components while applying real world concepts in physics, design and architecture. Collaborate and build like never before, while building STEMbased LEGO projects such as motorized Pokémon Battle Walkers, colossal Gigantamax Pokémon, a mechanized Pokéball Factory, the infamous Battle Tower, and much more! All materials will be provided and all participants will take home a 60-card tournament regulation deck, a custom laser engraved coin, card sleeves and additional rare and competitive Pokémon cards. All participants, whether fans of the franchise or not, are sure to have a blast! This class is presented by Wrenn Okada Photography + Design.

## **Artistic Design Adventure Grade 4-6**

**Week 7 July 22 - July 26 (8:00 am - 2:00 pm)**

**Week 8 July 29 - August 2 (8:00 am - 2:00 pm)**

**\$650**

Designers will embark on a creative journey as we explore various facets of design including laser cutting, sewing, sticker-making, and digital animation. Students will dive into the world of laser technology as they learn how to transform their ideas into laser-cut masterpieces. While unraveling the basics of sewing, students will discover how to hand-stitch and use sewing machines to develop fine motor skills as they craft items from various fabric materials. Students will also have the opportunity to express their creativity through sticker design and digital animation by utilizing graphic design and animation software to bring their ideas to life. Bring your enthusiasm and let's get curious, creative, and excited about exploring new artistry techniques and technologies. Note: We will be using the same software and machines during both weeks, so students can take what they have learned in Week 7 and amplify their skills by creating more complex designs in Week 8

## **AI Bootcamp Grades 5 - 6**

**Week 7 July 22 - July 26 (8:00 am - 2:00 pm)**

**Week 8 July 29 - August 2 (8:00 am - 2:00 pm)**

**\$650**

Safely dive into the dynamic world of AI (artificial intelligence) in this introductory fun exploration tailored for students. In this engaging one-week course, participants will receive guided hands-on experience with the latest AI tools used in education and beyond. Topics will include asking smart questions for the instructor to send to chatGPT and learning support tools, exploring innovative art and image generation technologies. This AI Bootcamp is your gateway to understanding AI, while under the guiding safety of a supervising teacher. Whether you're just curious about AI or aspiring to becoming an early adopter to new ways of learning, this workshop is an exciting opportunity to experiment first-hand with emerging technology. Students may enroll in both Week 7 and Week 8.
