After School Programs General Information

We are pleased to offer After School Programs (ASP) for the 2022–23 school year, including After School Care (ASC). Students who register for ASP will automatically be enrolled in ASC for that day. You do not need to register or pay for ASC on days you are scheduled for ASP. Students must attend the full school day in order to attend ASP or ASC. Students who are unable to be picked up during the designated Lower School dismissal times should register for ASP or ASC. Students must be supervised at all times and will not be allowed to wait unattended for their rides after school.

ASP are listed in this catalogue and **do not** include private music lessons, Iolani-sponsored club activities or sports, including but not limited to Iolani Dance Team, Swim Club, private tennis lessons, scouts, CSAL, school events, and school clubs.

Iolani's ASC operating policies have been modified to be in compliance with evolving governmental guidelines and the Department of Human Services (DHS) licensure requirements, as well as Iolani School's COVID-19 guidelines, found in the **COVID-19 PANDEMIC OPERATING POLICIES & PROCEDURES** section of the ASP Family Handbook at www.iolani.org/after-school-programs.

Should Iolani School announce additional days off or early dismissal days, ASP will not be held, and you will be notified of schedule changes. Class pricing accounts for special schedules and school holidays.

Registration Information

Handbook Acknowledgment

Before registering, please carefully read through the After School Programs Handbook, found at www.iolani.org/after-school-programs.

How to Register

After School Programs registration must be completed online using the My Backpack portal found at Iolani's website (www.iolani.org/after-school-programs). Registrations will not be accepted by telephone, email, fax, or walk-in. Registrations received prior to your child's assigned date and time as well as incomplete registrations will not be accepted. Registration fills quickly and program spaces are limited, so we recommend registering at the opening time.

You may check the status of your selected courses three to five business days after registration. The course status will change from "Submitted" to "Scheduled" if the student's enrollment is confirmed.

Waitlist

The maximum class sizes range from 12 to 20 students. We limit the number of children who can participate so that the activity itself is both fun and manageable. Classes tend to fill quickly during registration. If your child is placed on the waitlist, there is no guarantee of placement in the course. Waitlists are processed as space becomes available. The Special Programs Office will notify the parent/guardian if unable to accommodate the waitlist request up to the start date of the program.

Tuition and Fees

Tuition payment in full is due at the time of registration. You may pay by Visa, American Express, or Mastercard.

Withdrawal and Refund Policies

Students or parents who initiate course withdrawals after submitting their registration will be subject to a refund based on the date when the Special Programs Office receives written email notification from parents for the child's withdrawal.

Once the registration has been processed, the maximum amount of refund will be 50% of each course. The following schedule determines the amount of the refund:

- 50% refund until Thursday, January 5, 2023
- No refunds will be made after Friday, January 6, 2023

There are no refunds or prorated billing for course time missed. The course fee applies regardless of how many days a child participates in the program. There will be no refunds for unused days.

Course Changes

Students or parents who initiate course changes (replacing one course for another, requesting time changes) after submitting their registration will be charged \$50 for each change requested. No course changes will take place after two meetings of the course.

Courses cannot be dropped or changed online via My Backpack. Please email SPO@iolani.org for any changes to the schedule. Include your child's full name and the changes you would like to make.

Canceled Courses

Courses may be canceled due to insufficient enrollment. If this occurs, parents will be notified via email and we will assist you in finding an alternative class, if available, for your child.

Late Registration

For After School Programs registrations outside the registration dates, please email spo@iolani.org; a late fee of \$75 will be charged if space is available.

After School Care

(For 'Iolani students only)

ASC is dedicated to providing a safe, well-supervised, and relaxed environment for 'Iolani students grades Kindergarten through 6. After school activities include arts and crafts, storytelling, and staff-led indoor and outdoor games.

Students practice and build their communication skills with their peers in a non-classroom setting, learn how to work and play collaboratively, grow their friendships, and foster confidence in themselves. Students grades 2 and up will have a designated homework time in which they should work on their assignments or silently read a book.

Hours

ASC is offered from the end of the school day to 5:30 pm on full school days. No care is provided on holidays, vacations, early dismissal days, or other school days off (see Spring Program Dates).

Registration

Students who register for an After School Program (ASP) will automatically be enrolled in After School Care (ASC) for that day. You do not need to register or pay for ASC on days you are scheduled for programs.

Daily Drop-In Service

Daily Drop-In Service is available for students in grades Kindergarten through 6, at a cost of \$17 per day. Drop-In Service provides ASC for students on an occasional basis. If

you need Drop-In Service, please contact 808-943-2242 or asc@iolani.org by 12:00 p.m. on the day the service is needed. Drop-In Services will be billed monthly.

Operations

Students are expected to report to ASC immediately after they are released from school, check-in, and follow the directions of the staff. Teachers or staff will escort students to their ASP at the designated times. Snacks will not be provided, however, students are encouraged to bring a healthy snack from home.

'Iolani's ASC operating policies have been modified to be in compliance with evolving governmental guidelines and the Department of Human Services (DHS) licensure requirements as well as 'Iolani School's COVID-19 guidelines, found in the **COVID-19 PANDEMIC OPERATING POLICIES & PROCEDURES** section of the ASP Family Handbook at www.iolani.org/after-school-programs. We will continue to update families as these procedures are expected to evolve based on ongoing risk assessment and informed best practices to keep our students, employees, and families safe.

After School Programs

After School Programs (ASP) support the mission of 'Iolani School by offering engaging classes and enlisting a team of trained teachers and staff. Students who register for ASP will automatically be enrolled in ASC for that day. You do not need to register or pay for ASC on days you are scheduled for programs.

Example: If registered for Jazz class on Thursdays, your child will check in to ASC after school at dismissal. Students will be escorted to and from Jazz class, and remain in ASC until their ride arrives.

ASP are listed in this catalogue and **do not** include private music lessons, 'Iolani-sponsored club activities or sports, including, but not limited to 'Iolani Dance Team, Swim Club, private tennis lessons, scouts, CSAL, robotics, school events, and school clubs. Contact these programs directly for more information.

Tennis

Welcome to the 'Iolani tennis program where students of all ages and skill levels learn to play “the sport for a lifetime” in a fun and nurturing environment. The many benefits tennis provides include the physical and psychological development of the student where challenges engage the body and mind. Perseverance, problem solving, and learning to work with others are traits formed through the process. In order to ensure proper safety measures and social distancing, class sizes will be smaller with a smaller student to coach ratio. Coaches will wear PPE during instruction and hand sanitizer will be available to students before and after class.

The 'Iolani tennis classes are part of a developmental pathway where students matriculate from one skill level to the next as they make progress. Group class offerings range from Kindergarten through the Upper School where the size of the court, racket, and ball are age and skill appropriate. We have adopted the USTA “10 and under tennis” format where the play area and rackets start off small for younger students and progressively get larger as students age up.

The tennis programs have been established with three phases, taking into account the age and experience of each student. Each phase will focus on technical fundamentals, patterns of play, and match play appropriate for the skill level. The phases are as follows:

1. Beginner – Advanced Beginner (0–3 years experience, grades K–6)
 - a. Classes are offered up to two times per week to students just starting the sport with 0–2 years of experience. There will be a maximum of 12 students per class to ensure student to coach ratio of 6:1
 - b. Red Ball Lessons (K–1)
 - c. Orange Ball Lessons (2–3)
 - d. Green Ball Lessons (4–6)
2. Intermediate – Advanced Intermediate (3+ years experience, grades 7–9)
 - a. Classes are offered twice a week to those who aspire to play on ILH tennis teams. There will be a maximum of 12 students per class to ensure a coach to student ratio of 6:1.
 - b. Yellow Ball Lessons (7–9)

Students should wear athletic shoes and bring a water bottle and tennis racket, if available. Tennis rackets will be provided as needed. Please see individual course descriptions for more details.

PRIVATE LESSONS

Private lessons are offered to those students who request one on one instruction. Fundamental stroke production, foot work, and point development are the three areas of training focused on in private training.

The following are the time options and rates.

Time	Rate
1 hour	\$65.00
3/4 hour	\$50.00
1/2 hour	\$35.00

CONTACT INFORMATION

For any questions related to small group or private lessons, please contact Henry Somerville, Director of Tennis, at hsomerville@iolani.org.

Private tennis lessons are not affiliated with After School Programs. ASC is not included for those signed up for private tennis lessons and escorting is not provided. Please make arrangements to have your child escorted to private tennis lessons.

Learn to Swim

The after school Learn to Swim Program provides basic swim instruction to students grades 1-6. Students are grouped according to ability during the first week of class and advance at their own rate. The main goals are to promote water safety and build stroke foundations. Children should bring their own towel, goggles, swimsuit, and sunblock. Additionally, they must be able to apply their own sunblock as well as change in and out of their own bathing suit. Learn to Swim includes enrollment in After School Care on BOTH Tuesdays and Thursdays for the selected semester. Students grades 1-6 may enroll in both fall and spring sessions. Enrollment in each class is limited.

'IOLANI SWIM CLUB

For advanced swimmers, please contact the 'Iolani Swim Club at (808) 943-2289 or IolaniSwimClub.Info@gmail.com.

'Iolani Swim Club and Prep Swim Club are not affiliated with After School Programs. After School Care is not included for those in the 'Iolani Swim Club and Prep Swim Club, and escorting is not provided. Please make arrangements to have your child escorted to practices and events.

Performing Arts

After School Performing Arts Programs provide students an opportunity to explore music and various dance forms such as ballet, gymnastics, hula and jazz. All dance students are expected to be prompt for class, dressed appropriately with hair pulled back neatly. Beginners may come in P.E. clothes on the first day of class. See individual course descriptions for more details and requirements. For questions regarding After School Performing Arts Programs, email Cyrenne Okimura at okimura@iolani.org.

Please note that we are planning for a Spring Dance Showcase in May 2023. All dance classes will participate, including Hula, Ballet, Jazz, Technique and Gymnastics. A \$25 costume fee is included in the course cost.

‘IOLANI DANCE TEAM

Questions regarding the ‘Iolani Dance Team may be emailed to Cyrenne Okimura at okimura@iolani.org.

MUSIC LESSONS

Contact the Performing Arts Department (pad@iolani.org) for information on private music lessons.

‘Iolani Dance Team and private music lessons are not affiliated with After School Programs. ASC is not included for those signed up for ‘Iolani Dance Team nor private music lessons and escorting is not provided. Please make arrangements to have your child escorted to these activities.
