WELCOME

‘Iolani Summer Programs is pleased to offer an exciting array of classes in 2021, both on-campus and online.

- On-Campus Programs are available to current ‘Iolani students who attended for the entirety of the 2020–2021 school year, accepted ‘Iolani admissions students for the 2021–2022 school year, as well as siblings of ‘Iolani students enrolled in the 2021–2022 school year.
- Online Programs are open to all students (please review online program eligibility criteria in the handbook)
- A welcome packet will be emailed to all registered families and will include details regarding our programs in **MAY 2021**

Please note that on-campus classes may be moved to online instruction at ‘Iolani School’s sole discretion as the COVID-19 pandemic evolves. Although it is our desire and intent to provide on-campus instruction for the entire summer, circumstances may necessitate school operations to be moved online.

FIRST DAY

2021 Summer Programs classes will begin on Monday, June 14, 2021.

On-Campus Programs

Classrooms will open five minutes before the scheduled start time. Please review the school map with your child; note Lower School classroom numbers are preceded by a dash (i.e., -C-101). Students should report to the room as indicated on their schedule. On the first day of classes, students should arrive at least fifteen minutes before their first class. Traffic is heavy and can be frustrating. **Please read the handbook section, Traffic and Autolines.**

ALL students (entering grades K–12) must be dropped off and picked up at their designated Autoline, communicated in the welcome packet.

For questions and guidance on the first day, students should look for school employees with orange vests on. They will be scattered across campus in key locations

including the entrance to campus and school offices. They can assist you with course locations, directions to classrooms, registration information, and any other questions you may have. **Please do not ask parking assistants questions as it holds up traffic and the Autoline.**

Visitors (including parents) will not be permitted on campus during Summer Programs without prior and written approval from the Summer Directors or the School’s Senior Administrative team. All approved visitors will need to check in with Security, complete a health check and adhere to all PPE and social distancing requirements while on campus.

Online Programs

Students should utilize their Zoom Scheduler and log into their Zoom classes a few minutes before the scheduled start time on the first day. Teachers will then provide details on when students are required to log in and the class schedule.

4. How do I register?

Registration for 'Iolani Summer Programs must be completed on 'Iolani's website via the My Backpack program at www.iolani.org/summer. 'Iolani families should use their preassigned/existing user name while **non-'Iolani families will have to create a new username each year**. Registrations will not be accepted by telephone, fax, email, or walk in. Registrations received prior to your child's assigned date and time (see above) as well as incomplete registrations will not be accepted.

No formal application is required for summer day programs; simply register online at your assigned date and time. Applications for the summer residential program are available [online](#). Please register your child for the grade level they will be **entering** in the fall.

Courses with limited enrollment eligibility are noted in the course description. Current 'Iolani students will have priority for all course enrollments.

Payment in full is due at the time of registration. You may pay by Visa, Mastercard, or American Express online. Registration is not complete until paid for and submitted through the My Backpack program. At that time your registration will receive a timestamp and you will receive a confirmation email.

5. What happens if I register early or for the incorrect program?

Early registrations or registrations for the incorrect program will not be accepted. You will be notified by email, your child will be dropped from the course(s), and we will process a refund for the amount paid, less a three percent charge for an expedited credit card refund. You will be able to register again at your designated date and time.

6. Do I need a teacher/department approval to register for classes?

For 'Iolani students, credit courses may require department approval. Approval requirements for other courses are indicated in the course descriptions.

Students who have been dismissed from 'Iolani for disciplinary reasons may not enroll in Summer Programs unless they have been readmitted to 'Iolani School and have approval by their Dean.

7. The course I want is full and is listed as waitlisted, what does this mean?

Maximum class sizes range from 12 to 18 students, and courses tend to fill quickly during registration. Classes with exceptionally long waitlists will be removed from the registration website and listed under closed courses online.

If your child's **first choice** is listed as **waitlisted** during registration, we recommend that you do waitlist the course, for which you will not be charged.

If **another choice** is open at that time that your child would like to take, you may register and pay for that course to ensure they have a full schedule. However, the refund and cancellation policy will apply should you choose to drop or change any course you register and pay for.

There is no guaranteed placement in waitlisted courses. Waitlist order is defined by registration timestamps and is processed as space becomes available. This process will begin in late April. Should a space become available for your child in their waitlisted course, we will notify you through email, up to the start date of the program. If you approve this change, we will make the change without fees.

REGISTRATION FAQ

8. How will I know if I am registered?

You may check the status of your selected courses two to three business days after registration. The course status will change from “Submitted” to “Scheduled” if the student’s enrollment is confirmed.

The Summer Programs Office will notify the parent/guardian if unable to accommodate the registration. Current ‘Iolani students will have priority for course enrollments.

You may view your child’s schedule in My Backpack. Class schedules will be emailed registrants to the email address provided on the registration form in May.

9. What if I want to change or withdraw from a course after I register?

Any changes should be submitted through email to spo@iolani.org. Please **DO NOT** go back into My Backpack to do so; this will reset your timestamp.

Students or parents who initiate **course changes** (replacing one course for another, requesting time changes) after submitting their registration will be charged \$50.00 for each change requested. Course changes after the course begins will incur a \$75.00 charge. No course changes permitted after the second meeting of the course.

Students or parents who initiate course **withdrawals** after submitting their registration will be subject to a refund based on the date when the Summer Programs Office receives written email notification from parents for the student’s withdrawal. Once the registration has been processed, the maximum amount of refund will be 50% of each course.

The following schedule determines the amount of the refund:

- 50% refund until Thursday, May 6, 2021
- No refunds starting Friday, May 7, 2021

Courses **cannot** be dropped or changed online. Please email spo@iolani.org for any changes to the summer schedule. Include your child’s full name and any changes you would like to make.

10. What happens if I register late?

Please contact spo@iolani.org with the student’s name, grade level, and desired course if you would like to register after Friday, May 7, 2021. Online registration will not be available after that date.

If there is space in the desired course after the registration close date, a \$75.00 late fee per course will be assessed and the child will be placed in the course.

Meal cards will not be available for purchase after Friday, May 7, 2021.

For information regarding the Summer Residential Program for students ages 11–16, please visit www.iolani.org/summer/summer-residential-programs or contact Matt Rinkin, Director of Residential Summer Programs at mrinkin@iolani.org.

Upper School (7-12)

These policies and procedures apply to all Upper School Summer Programs students, including those enrolled in online and on-campus programs.

AUDITING COURSES

'Iolani students may choose NOT to include their summer work in credit classes or courses with letter grades on their transcripts, but instead audit the course. However, the decision to audit must be made by **Friday, June 25, 2021, 4:00 p.m.** and is not reversible after this time. Unless an Audit Request Form is downloaded from our website (www.iolani.org/summer), completed by the student and parent and returned by email to spo@iolani.org, the grade and credit will be recorded on the transcript. **The deadline to submit an Audit Request Form to the Summer Programs Office is June 25, 2021.**

CREDIT COURSES

Attendance Policy

Students enrolled in credit courses, including P.E., may have a maximum of three excused absences to remain eligible for credit. See the Attendance section below for more details.

Transcripts

All non-'Iolani and admissions students entering grades 9-12 enrolled in credit courses are required to complete the transcript request form for their 'Iolani Summer

Programs course(s) (available for download on the website: www.iolani.org/summer), regardless of whether they intend to have a transcript sent or not. Completing the form will authorize 'Iolani School to send the final grade(s) transcript to the school listed on the form, if indicated. The transcript will reflect every course taken during the summer. **The deadline to submit a Transcript Request form to the Summer Programs Office is June 25, 2021.**

Students in graded courses and S/U graded classes do not need to complete a transcript form unless they would like their records sent to their school.

GRADING PROCEDURES

Satisfactory/Unsatisfactory (S/U) Courses

Be aware that the passing grade is 60%. Please note that for a S/U course, there is only S or U; there is no S+ or S-.

Letter Grades

For graded courses, grades are converted according to the following scale:

A+	98-100	B+	88-89	C+	78-79	D+	68-69	E	0-59
A	92-97	B	82-87	C	72-77	D	62-67		
A-	90-91	B-	80-81	C-	70-71	D-	60-61		

'Iolani does not give a grade of F; the failing grade is E.

UPPER SCHOOL

Interims

If a student's performance is unsatisfactory prior to grading periods, weekly interim reports may be written. Email notification will be provided.

Three Week Courses

Grades will be calculated on a weekly basis. At the end of the third week, a final grade will be calculated and a comment will be written for each student.

Six Week Courses

At the end of each three week period (Marking Period 1 and Marking Period 2), the student's grades will be calculated and a comment will be written (except for P/ SAT & ACT Prep).

If the class has a final exam (please check the course description in the Summer Program Catalogue), the final exam will count for 20% of the final grade, and each marking period will count for 40%.

My Backpack

Interim and report cards will be available in your My Backpack account.

BEHAVIOR

'Iolani Summer Programs students and parents should be sure to read the policies and procedures below. Such rules cannot and are not intended to cover every possible example of unacceptable behavior. 'Iolani assumes that its Summer Programs students will be guided by courtesy, good judgment and mutual respect as well as by the 'Iolani School regulations.

'Iolani Summer Programs is a pleasant, comfortable community. Students and teachers come together for the specific purpose of learning. 'Iolani Summer Programs occupy a very short space of time to accomplish a great deal. Matters of discipline and unacceptable behavior are handled by the Summer Director swiftly. The Summer Director, acting upon the recommendation of the teachers, counselors, and other staff, may dismiss a student from 'Iolani Summer Programs for academic or disciplinary reasons at any time when, in the opinion of the teachers, counselors, and staff, continued study at 'Iolani Summer Programs is not in the school's or student's best interest. **'Iolani reserves the right to disenroll Summer Programs students with no refund if they exhibit unacceptable and/or disruptive behavior. Consequences of Summer Programs infractions for 'Iolani students may cause impact for the academic year.**

A school is a community. All who work within that community are expected to conduct themselves in an appropriate manner, to observe both the law of our land and the code of behavior the school sets forth, to respect the rights of others, and thereby to maintain the best possible atmosphere for learning. Attending 'Iolani as a student is a privilege, not a right. Students must abide by the rules set forth herein and are expected to conduct themselves according to the standards of the 'Iolani community. Behavior that disrupts the educational process or fails to respect the human or property rights of others is unacceptable.

The following constitute some specific forms of unacceptable behavior:

- » Academic dishonesty such as cheating, copying homework, giving one's work to others, and plagiarism
- » Assault or fighting
- » Attendance - being off campus or missing a class without permission from the school
- » Disrespect of the human or property rights of others
- » Disrespect toward an adult or another student
- » Drugs and alcohol - Promotion, possession, use, being under the influence of alcohol, tobacco, e-cigarettes, vaporizers, or drugs at school or school functions; drugs include marijuana, cocaine, any other illegal drug, or any legal drug judged by the Summer Director to be used abusively
- » Electronic Misconduct - unauthorized hacking of any electronic device (including, but not limited to, computers, cell phones, iPods, laptops and tablets); causing an electronic device or computer system to become inoperable, downloading or sending profane, obscene language and other sexual or objectionable materials, or promoting or sending derogatory, harassing, or hate messages on the computer or any electronic device
- » Fireworks - the possession or use of fireworks or other dangerous items
- » Gambling
- » Harassment - unwelcome physical, verbal, written, or electronic action that undermines the personal rights of another individual, including bullying, hazing, and sexual misconduct
- » Lying
- » Sexual activities - involvement in inappropriate physical, verbal, or electronic sexual activities
- » Theft
- » Vandalism, including graffiti

UPPER SCHOOL

Other forms of misbehavior not specifically described above will be subject to the same corrective action if, in the determination of the Summer Director, such behavior fails to respect human or property rights of others or disrupts the educational process.

In general, these rules apply to school hours within the school day. However, students identified for misconduct off campus (including those enrolled in online programs) during school hours are subject to the same rules and corrective measures that govern misconduct on campus. These rules apply also to all school functions, on or off campus, including school-sanctioned trips, regardless of the hour or day. Misconduct off campus and/or outside school hours may call into question a student's right to remain in school. In those instances, the school reserves the right to take whatever action it deems necessary, including, but not limited to, dismissal.

Process

A student who violates the rules of behavior will be referred to the Summer Director. The Summer Director will examine and discuss the charges with the student and conduct an investigation if deemed necessary. Investigations of possible infractions can be disruptive to the educational process. A thorough investigation is eventually completed as expeditiously as possible, involving as few persons as possible either within or outside of the school. During any investigation, the Summer Director may take measures to keep students apart from one another while both are on campus. If an accused student chooses not to cooperate with the school's investigation into a violation of the rules of behavior, he or she may be placed on suspension pending the findings of the investigation. If it is determined that an infraction has taken place, the Summer Director will counsel the student and determine the corrective action, if any, to be taken. Surrounding circumstances, expectations, relationships, and the age of the students involved are all factors to be weighed in any disciplinary action. In cases of dismissal for 'Iolani students, the Summer Director will consult with the Dean of Students and the Head of School.

Hearing

Students' explanations of their conduct before the Summer Director constitute a hearing.

Corrective Action

Corrective action for infractions shall be appropriately handled by the Summer Director. This may include, but not be limited to, detention, loss of privileges, required study hall, disciplinary probation, suspension and

dismissal for the summer and possibly the regular school year for 'Iolani students. For all forms of unacceptable behavior, students found to have committed infractions may be dismissed immediately. Second chances will be given only at the discretion of the Summer Director, Dean of Students or the Head of School. However, for drug, alcohol, and tobacco offenses, or for flagrant disregard for the human and property rights of others, such as theft, assault, and computer abuse, and inappropriate sexual activities, students could be dismissed immediately, barring unusual or mitigating circumstances.

A student who is dismissed for disciplinary reasons is not permitted on campus, nor may that student attend 'Iolani functions, without permission from the Dean of Students, Head of School or Summer Director.

Appeal

Appeals may be made to the Summer Director. Youngsters in this community will grow and function well where rules are stated clearly and enforced consistently. Teachers and students will perform better in an environment that is conducive to teaching and learning.

ACADEMIC HONESTY

Students must maintain academic honesty in every aspect of their academic work. In preparing school work, asking for help is possible, even desirable at times, from a parent, friend, teacher, or librarian. The goal in an assignment, however, is not only to find the right answer, but also to understand the problem. Copying assignments or giving another person a copy of one's work, whether in paper form or electronic, is academic dishonesty. Plagiarism (taking someone else's work or idea and offering it as one's own) is academic dishonesty. Examples include copying someone else's work word-for-word, paraphrasing, and borrowing ideas and putting them in different words. Cutting and pasting material found on the Internet is another common example of plagiarism.

Quizzes and examinations test a student's independent knowledge of a subject. No unauthorized help from any source may be used or be available to a student during a quiz or examination regardless of the intent to use that source. All electronic devices must be properly stowed and should not be on one's person during a quiz or examination. Giving aid to another student before, during or after a quiz or examination, or turning in for credit work previously submitted for a class, are also forms of academic dishonesty.

UPPER SCHOOL

HARASSMENT POLICY

‘Iolani School is committed to providing an environment conducive to learning and fostering mutual respect and sensitivity among all members of our school community. Harassment or any activity that interferes with this environment and/or undermines personal rights will not be tolerated. Harassment includes, but is not limited to, any unwelcome physical, verbal, written, or electronic action that undermines the personal rights of another individual.

‘Iolani School endorses and will enforce the right of everyone to participate fully in student life at the school without harassment. To that end, all members of the ‘Iolani School community are expected to respect the rights and sensitivities of others at all times and exercise sound judgment in doing so. Violators of this policy shall be subject to disciplinary action which may include expulsion.

SEXUAL MISCONDUCT POLICY

Definitions: Sexual misconduct includes both sexual assault and sexual harassment.

“Sexual assault” means any criminal sexual offense recognized by Hawai‘i law and includes unwanted touching or grabbing of sexual parts.

“Sexual harassment” is a specific type of prohibited conduct defined as behavior involving a single instance or repeated instances of unwanted sexual advances or other unwanted or offensive visual, verbal, or physical conduct of a sexual nature or based on sex or gender that unreasonably interferes with a student’s opportunity to receive an equal education. Examples include, but are not limited to: unwelcome sexual contact or advances; pressure for sexual activity; obscene or suggestive remarks or jokes; verbal or written insults or abuse of a sexual nature; display of sexually-explicit materials; spreading sexual rumors; flashing or mooning; and/or other conduct of a sexual nature which has the purpose or effect of:

- 1) causing the recipient to feel discomfort or humiliation;
- 2) interfering with the recipient’s academic performance;
- 3) creating an intimidating, offensive, or hostile environment for the recipient;
- 4) Creating a situation where an academic evaluation, status, progress, or noncurricular decisions affecting the recipient depends on his or her submitting to and/or not objecting to the behavior.

Application

If one feels sexually harassed, he/she should do the following:

- » Let the offending person(s) know that the conduct is offensive and that the behavior must stop, unless doing so may put the student feeling harassed in danger.
- » Keep a record of when, where, and how the harassing conduct occurred. Include witnesses, direct quotations, actions, evidence, and any other written communication.
- » Promptly contact someone in authority, e.g., a guidance counselor, faculty member, nurse, dean, Summer Director, or the Head of School. Identify the offending conduct and person(s) so that a thorough investigation and evaluation can be made.

Reporting Sexual Misconduct

If anyone knows or has reason to suspect that sexual misconduct has occurred they must notify a member of the faculty or staff with as much information as possible about the misconduct or the reasons for suspecting that misconduct has occurred. ‘Iolani School values the privacy and safety of its students and will respect the wishes of any person who comes forward to report an allegation of sexual misconduct to keep such a report confidential, unless disclosure is necessary to comply with the law or to ensure the safety of all students and employees of the school.

If any person comes forward in earnest to report an allegation of sexual misconduct, even if the school later determines that there is not sufficient evidence to support the allegation, or if any person honestly participates in an investigation of an allegation, any action taken in retaliation against that person is strictly prohibited and will not be tolerated. Any person found to have engaged in retaliatory actions will be subject to immediate and appropriate disciplinary action, including possible expulsion.

If the allegations include violations of other school rules, the Summer Director and/or the Head of School shall have the discretion to grant amnesty for the transgressions of a student who comes forward to report sexual misconduct.

BULLYING AND HAZING

Bullying is repeated and unwanted, aggressive behavior among students that involves a real or perceived power imbalance. Bullying includes, but is not limited to, actions such as making threats, spreading rumors, or attacking someone physically or verbally.

UPPER SCHOOL

Hazing occurs when an individual or a group of individuals use humiliating, illegal, and/or dangerous activities to initiate new members into a club, group, or team.

‘Iolani does not permit or condone bullying or hazing in any form or by any group. Bullying and hazing are detrimental to students physically and emotionally. The school will treat each case on an individual basis. The consequences will depend on the severity of the incident, regardless of whether it occurred on campus or off campus during a school sanctioned trip or event.

DAILY REGULATIONS

School should be a place of exploration, inquiry, excitement, collaboration, socialization, and learning. In order to make our school environment a place where all feel welcome and safe, we have the following expectations to guide students.

- » Students are expected to be mindful of one another, respect their teachers, classmates, and visitors, and make good choices at all times.
- » While on campus, students should not have long periods of unscheduled time. Additionally, students are not permitted on campus 20 minutes before or after their scheduled classes.
- » Public display of affection is in poor taste and inappropriate in a school environment.
- » Students must maintain appropriate noise levels and social distancing when gathering in courtyards or hallways near classrooms.
- » All books and personal belongings are to be carried by each student. They are not to be left in the corridors or on the lanais of any of the buildings. Anything left unattended will be picked up and may be claimed in the SPO. A fine of \$1.00 will be assessed for each infraction.
- » Card playing at any time is prohibited.
- » Gum chewing is prohibited.
- » For summer 2021, Upper School students are not permitted to eat on campus unless they have a scheduled snack/lunch time included in their course (see course description for more details). Teachers of these courses will determine where students eat and will monitor this lunch period, ensuring students wear their face shields for its entirety.
- » Running, jumping, and ball playing are not permitted in any classroom building.
- » Electronic devices (including, but not limited to, cell phones, iPods, laptops, and tablets) may be used during free periods and lunch. Earphones must be used when listening to music or videos. All electronic devices are to be turned off in

the library, classrooms, labs, and during field trips unless the student has specific same-day permission from the appropriate teacher or proctor.

- » Students should not play with frisbees, tennis balls, footballs, basketballs and the like on any part of the campus.
- » Students should stand when an adult enters the classroom. When spoken to by an adult, a student should reply in a clear voice referring to the person either by the last name preceded by Mr., Ms., Mrs., or Miss, Dr., or as Ma’am or Sir.
- » Students are welcome to use the grassy area immediately surrounding the Sun Yat-Sen statue; however, the Head of School’s Office and other administrative offices border this area. Loud noises and horseplay are prohibited.
- » Riding skateboards and roller blading are not permitted on campus.

DRESS STANDARDS

Dress standards for the Upper School (grades 7-12) are the same as in the regular school year and apply to both on-campus and online programs. For the summer 2021 program, the 2020-2021 school year’s temporary dress code modifications will remain in effect. Neatness, cleanliness and good taste, and attire free from offensive or distracting influences, are qualities expected of Summer Programs students.

How one dresses often depends on individual taste, economic situation, and/or family, social, religious, or cultural norms. Dress can be viewed as a means for personal expression which allows one to explore and define his/her own individuality.

However, certain basic dress standards must be followed in order to maintain a positive and productive environment which allows students to be free from

offensive or distracting influences and which provides a focused atmosphere conducive to teaching and learning.

With enrollment in ‘Iolani, students and parents agree to accept and support the dress code which reflects the standards of the school. The dress code focuses on attire and appearance which are neat and clean. Students arriving at school improperly dressed will be asked to change their clothing to conform to the dress standards of ‘Iolani. Any absence from class while a student is waiting for a change of clothes is considered unexcused and may result in academic penalties. Failure to comply with these dress standards will also result in disciplinary action, including required study hall or probation for more than three violations in one summer.

The following guidelines should provide the basis for what is considered appropriate or inappropriate attire.

For the summer 2021 program, the 2020-2021 school year’s temporary dress code modifications have been established due to the requirements of wearing Personal Protective Equipment (PPE). This school year has taught us that the benefits of wearing PPE and being in outdoor spaces are clear, however, the students are sometimes uncomfortable and hot. In addition, the lack of locker room availability can make it difficult for students in some performing arts classes and P.E. Even minimal exercise in their school clothes can make it unpleasant when they return to classrooms throughout the day. Thus, we will be instituting the following 2020-2021 temporary changes to the dress code, all of which are designed to address the challenges of heat and PPE and maintain decorum on campus:

Girls

Girls may wear ‘Iolani branded t-shirts (including class and Fair t-shirts). Girls may also wear sleeveless tops or blouses with shoulder straps **at least** three fingers wide. **This does not include** athletic tank tops or spaghetti straps. No matter the top, your backs should be fully covered.

Girls may wear shorts that reach the mid-thigh area instead of the top of the knee. This does not include short shorts (like running shorts or daisy dukes), leggings, or compression shorts.

Girls may wear sandals or slippers without backstraps.

Boys

Boys may wear ‘Iolani branded t-shirts (including class and Fair t-shirts). **This does not include** tank tops.

UPPER SCHOOL

Boys may wear sandals or slippers without backstraps.

- » [Proper Sleeveless Top/Blouse](#) (click link)

We hope that these temporary changes will bring a little relief to this challenging time.

USE OF ELECTRONIC DEVICES

By enrolling your child in any program at 'Iolani School, you agree to ['Iolani School's Data Policy](#) and consent to allow 'Iolani School to provide certain software and online services provided by the school or third-party vendors.

Technology is an important part of the educational process and 'Iolani provides students with opportunities for students to use electronic devices (including iPads, desktop computers, laptops, etc.) throughout the campus. In order to promote a safe, secure, and effective learning environment, we encourage all students to use safe practices and good judgment when using such devices. It is the students' responsibility to understand that any behavior unacceptable in person is also unacceptable when using an electronic device, whether with a personal device or a school-owned one, regardless of whether or not students are on campus.

Any student who fails to use good judgment when using an electronic device is subject to a number of penalties (which can include, but are not limited to, restricted device use, detention, suspension, or expulsion); the school policy regarding academic dishonesty applies to iPads and other electronic devices.

The following constitutes specific misuse of electronic devices. Other forms of misuse not specifically described below will be subject to the same corrective action if, in the determination of the Summer Director, such behavior fails to respect human or property rights of others or disrupts the educational process.

Electronic devices used at school should not have any apps installed, unless specifically assigned by an 'Iolani teacher, that have a description listed under its rating that is deemed as inappropriate by the school. When in doubt about an app, check with your teacher. Descriptions of apps that would be deemed inappropriate by the school include, but are not limited to, phrases such as:

- » Alcohol, Tobacco, or Drug Use or References
- » Profanity or Crude Humor
- » Cartoon or Fantasy Violence

- » Creating, sending, accessing, uploading, downloading or distributing offensive, profane, harassing, threatening, pornographic, obscene, violent or sexually explicit material is prohibited
- » Jailbreaking, unauthorized use for, and/or other modifications of an 'Iolani electronic device is not permitted

Respect

- » Only touch another person's electronic device when invited to do so by the device's owner.
- » Only use your own account and device(s) to access only your content unless you are granted permission by the owner(s).
- » Only access areas of the network you have been given permission to access. Circumventing 'Iolani's network filter or firewall is prohibited.
- » Only record content from 'Iolani (video, photos, audio) with the known consent of the person(s) being recorded.
- » Only post 'Iolani School content to the Internet with the express permission of the school.
- » Only post content about others to the Internet with their permission. Also secure permission from your parents/guardians, and the parents/guardians of others involved.
- » Keep the case on your iPad at all times, and treat it with care.
- » Do not forward or send any content not directly associated with your learning (e.g. advertisements, games, pictures); "spamming" or stealthily following someone online ("stalking") are prohibited.
- » Do not deliberately or negligently spread viruses, malware, or spyware.
- » Do not run a business or seek to make a profit using the school's network, unless you have express permission from the school to do so.
- » Do not print anything non-school related on the school's printers.

Consideration of Others

Electronic devices (including, but not limited to, cell phones, iPods, laptops, and tablets) may be used during free periods and lunch. Earphones must be used when listening to music or videos. All electronic devices are to be turned off in the Library, classrooms, labs, and during field trips unless the student has specific same-day permission from the appropriate teacher or proctor. Electronic devices must be turned off during assemblies, school-sponsored performances and chapel.

- » Do not post or send any message/picture/sound/video that is obscene, rude, harassing or insulting to anyone or any group.

UPPER SCHOOL

- » Do not attack, threaten or intimidate another student via technology (or any other means).
- » Do not take up 'Iolani network bandwidth by downloading movies, music, pictures, or by playing online games not directly connected to your learning or sanctioned by a teacher.

Honesty

Do your own work. iPads allow easy access to information online. Cite all your sources and create your own content. Reference online sources as instructed to by your teachers. Copying other people's work and submitting it as your own work, whether intentionally or unintentionally, is morally wrong. It will be considered plagiarism and will result in a response from the school.

Policies for School-Owned Devices

If a student's iPad becomes damaged or otherwise unusable, he/she should visit the Information Technology Services office to diagnose the problem; do not take it to an Apple store. 'Iolani has an internal system for repairing and maintaining school-issued iPads and devices. If a device is lost, the student should check with the Summer Programs Office or ITS to see if it has been turned in and/or use the "Find my iPad" feature by visiting iCloud.com.

'Iolani's school-issued iPad is provided to students primarily to help with studies and communication with peers. As such, homework and other school-related activities take precedence over all others, including games and non-class-related work. iPads should be kept in their cases at all times; students should treat their school-issued iPads as they would a personally owned device. Students are expected to take proper care of their iPads, chargers, and charging cables, and charge them every night. A dead battery is not an acceptable excuse for not completing an assignment.

Internet Use

Per the registration form, "Said Student to have access to the Internet and/or email account designed for educational purposes. I understand that it is impossible for 'Iolani School to eliminate access to controversial materials, and will not hold 'Iolani responsible for material acquired or strangers met on the network. Further I accept full responsibility for supervision if and when said Student's computer use is not in a school setting. This privilege may be revoked by the computer system administrator or Summer Director if use is abused by the Student."

Photographic Consent

Per the registration form, "'Iolani Staff regularly photographs students in classroom activities and on campus for use in promotional material either in print or on the 'Iolani School Website. It is 'Iolani's policy not to directly associate a child's name with a photograph of the child."

ATTENDANCE

The school pays close attention to attendance and expects students to observe the following procedures when they are absent or late. A day in a credit or academic review course in Summer Programs can be equivalent to a week in a regular semester course. All courses, enrichment, credit and academic review, in online and on-campus programs depend on the daily presence of each student.

In the case of all absences, students must obtain permission from the Summer Director by having their parents provide a written letter emailed to spo@iolani.org explaining the reason at least one week before the start of the absence. Permission to receive an excused absence will be issued at the discretion of the Summer Director. Additionally, students must email their teachers to get any missed assignments.

ABSENCES

Excused Absences

The only excused absences are for illness or serious difficulties (funeral, serious family illnesses) and is limited to three (3) excused absences for courses that earn credit. **Students with more than three (3) excused absences in credit courses will be asked to drop the course and will not earn credit.**

Once permission is granted to miss class by the Summer Director, students are required to request by email, complete and return an excused travel absence form from the SPO (spo@iolani.org) to confirm the excused absence with his/her teachers. Students are then responsible for making up their missed work. Teachers may require students to submit school work prior to their departure, or teachers may allow students to make up work upon their return. Failure to meet the teacher requirements may result in academic penalties for students, including not earning credit for the course.

UPPER SCHOOL

Unexcused Absences

Planned absences are considered unexcused and are only permitted for non-credit courses. **Students with unexcused absences should not take credit courses, as they will be asked to drop the course and will not earn credit.**

Unexcused absences in Summer Programs include but are not limited to: athletic participation, family, personal or school-sponsored trips, planned appointments including driver's license testing and other such activities.

Teachers are not responsible for providing make-up work for unexcused absences. Any unexcused absence or tardy may result in academic penalties, including but not limited to, assignments due, in-class work, quizzes, and tests.

Missing an exam, however, is a different issue. Teachers may have to rewrite tests to ensure standards for academic honesty are maintained. Proctors must also be hired for alternate exam testing. If a student must reschedule an exam due to an unexcused absence, these tests must be taken prior to the regularly scheduled exam days. Families will also be assessed proctoring fees based on the cost of proctors and the number of make-up exams taken. Families are encouraged to review the summer and course calendar and schedule planned absences when class and exams are not in session. Should a family still plan a trip when school is in session they must understand that teachers will not be able to reteach all of the missed lessons and the students will need to take responsibility for that material.

Students must attend all of their classes. Students who do not attend without permission from the nurse or Summer Director will be given detention and sent to the Summer Director for disciplinary action. Students claiming illness during the school day must report to the Infirmary if they want to be excused from class.

Notification of Absences

If a student is unable to attend school because they are ill or injured, the family should contact the Infirmary by 7:30 a.m.:

» infirmary@iolani.org or call 808-943-2249

For absences that are not caused due to illness or injury, families should contact their appropriate division by 7:30 a.m.:

» K-6- Email LSsummer@iolani.org

» 7-12- Email SPO@iolani.org

If a student has not reported to their class and if that student's parent or guardian has not previously notified the SPO of the child's absence from school, the student's teacher will mark the student as "UNRESOLVED" in our attendance program. An email will be automatically sent to that student's parents/guardians alerting them to the student's unexplained absence. The email will prompt the parents/guardians to contact the SPO regarding the student's whereabouts. Please note that from time to time, an attendance email alert will issue even though the student has indeed made it safely to school. We ask that you please, do not panic. The following may have occurred:

- » The child was tardy and did not arrive at his/her class until after attendance was taken.
- » The child was tardy and the teacher did not have time to change the child's attendance status from "Unresolved."
- » Parents/Guardians notified the school of the child's excused absence, but the teacher did not receive the notification.
- » In any case, we ask that if you receive an attendance alert that you please contact the SPO. We do want to be sure that all of our students are safe.

RETURNING TO SCHOOL

A student who is ill, and who is absent any part of the school day as a result, should not attend school that day. If the student comes to school later in the day, he/she must present a doctor's note indicating that the student is well enough to attend school, otherwise he/she will receive an unexcused absence for all missed classes and will be noted as an unexcused tardy. Students are not permitted to stay home to catch up on sleep or school work and arrive later in the day.

All students claiming illness and who arrive later in the day must first check in to the SPO by 12:00 p.m. NOON with a doctor's note in order to participate in any extracurricular activities that day (including sports practices). Any student sent home ill during the day may not participate in any extracurricular activities that day.

Upon return to school following an illness, students need to check-in at both the SPO and with the Infirmary.

Students missing part of the school day due to scheduled appointments or illness are still responsible for work due during their absence. Teachers may require students to submit work before an excused appointment. The failure to meet these requirements may result in academic penalties.

UPPER SCHOOL

If the school believes a student is chronically absent, it may require the student to submit a doctor's note upon returning to school.

DAILY HEALTH SCREENING

MANDATORY DAILY SELF-SCREENING FOR STUDENTS ATTENDING SCHOOL ON CAMPUS

All students attending school on campus will be required to do a mandatory temperature and symptom check each day before coming to school using a secured online application to confirm that he/she is fever and symptom free. This online self-screening app will also ask about any known exposure to someone that has tested positive for COVID-19. This online self-screening app will be maintained by the School, and the results of each student's daily temperature and symptom check will be disclosed to and monitored by the School. The Infirmary will be notified of any student temperature outside of normal range and/or any other affirmative response to the symptom check. The Infirmary will then contact the student's parent(s)/guardian(s) while the student remains off campus.

Each family expressly understands and agrees to perform this temperature and symptom check on their student and to accurately and truthfully report the results each day prior to coming to school. Each family understands and agrees that this is a requirement of enrollment in 'Iolani Summer Programs. Failure to perform and/or provide accurate results of this daily temperature and symptom check will result in action by the School, including but not limited to a student's disenrollment without refund.

All students absent from school will be required to remain off campus until he/she is medically cleared and authorized by the School to return.

During this time, the School will work with the student and his/her parent(s)/guardians(s) to determine and coordinate continued online instruction based on the circumstances for CREDIT COURSES ONLY. Temporary online instruction will not be available for any other course.

TARDINESS

Students with more than two (2) unexcused tardy slips in a summer will be assigned detention and may be sent to the Summer Director for disciplinary action.

On-Campus Classes

Students are to be in class at the indicated start time. No bells will ring for summer 2021. Late students are to

report to the SPO on the ground floor of Castle Building for admission slips, then report to class and present the slip to the teacher. Students without a valid reason for tardiness will be marked unexcused.

Online Classes

Students are expected to be in class within 5 minutes of the required log in time. Students without a valid reason for tardiness will be marked unexcused. If a student is tardy, the teacher may allow the student into the Zoom session when deemed appropriate and the least disruptive to ongoing class instruction or activities.

CANCELED CLASSES

Should a teacher be late to class, the class is not automatically canceled. One student should check with the SPO to find out the circumstances of the teacher's lateness. Students may not leave class without being excused by the Summer Director.

TEXTBOOKS AND SUPPLIES

Students enrolled in the Upper School should purchase their books and supplies prior to the first day of class.

- » During the six week session Autolines are designated by their pass color. Please drop off and pick up your child in your designated Autoline, which will be sent home with your Welcome Packet in May.
- » Passes are mailed home in May to families residing in Hawai'i along with student schedules. If you do not receive one, please email spo@iolani.org starting the Thursday before summer programs begin.
- » When arriving at Autoline for pick up, please hold the pass up for Autoline Assistants to read your child's name. Your child's name will be called and they will be walked to your car. PPE, including masks and face shields, must be worn by the student until they are in their car and the doors are closed.

No adult supervision will be provided after that and the Autoline Gates will be closed.** At that time, students will be taken to the Security Office at Kamoku St. Autoline Assistants will call the phone numbers listed on your registration forms to inform you that your child is being moved.

EMERGENCY PROCEDURES

In the event of a school or campus emergency, 'Iolani School will keep parents informed through a messaging service, radio broadcasts, our website (www.iolani.org), and email. The emergency broadcast station for Hawai'i is KSSK AM 590: FM 92.3. Parents may also call the Summer Programs Office at 943-2262, the Upper School Office at 949-5355 or the Lower School Office at 943-2227.

TSUNAMI WARNINGS

'Iolani School is not in a regular Tsunami Evacuation Zone, however it is in one of the recently designated Extreme Tsunami Evacuation Zones (XTEZs). The new XTEZs do not replace the current Tsunami Evacuation Zones, but rather adds a second zone for a potential extreme event. Extreme tsunamis are low-probability, once-in-a-thousand-years occurrences, but they represent the high-impact "worst-case" scenario for Honolulu. In the unlikely event of an "Extreme Tsunami Warning" the school will evacuate inland to higher ground as instructed in the Honolulu XTEZ plan.

In the event of a regular Tsunami Warning, 'Iolani School will adhere to the following procedures:

If a warning is issued by the Pacific Tsunami Warning Center through O'ahu Civil Defense Agency while school is in session, school personnel will remain with the students until parents can safely pick them up. O'ahu Civil Defense advises that parents do not leave a safe area or drive through a danger zone to pick up their child(ren) during a tsunami warning. Wait until the "All Clear" has been announced. Lower School students are to be picked up at the Autoline Gate on Lā'au Place. Upper School students are to be picked up at the Lower Gym on Kamoku Street. The school will follow instructions from the O'ahu Civil Defense Agency through local radio broadcasts. If a warning is issued before school begins, classes will be canceled and the school will be closed. O'ahu Civil Defense Agency and radio stations will be notified by the Head of School's Office.

HURRICANE/TROPICAL STORM WARNINGS

The National Weather Service issues Hurricane or Tropical Storm WATCHES 48 hours prior to storm effects. Hurricane or Tropical Storm WARNINGS are issued when one of these storms could affect O'ahu in 36 hours or less. Extreme Wind Warnings for sustained hurricane-force winds of 115 mph or greater are issued when winds are expected within an hour. When a WATCH is issued, school administrators will monitor the

storm and make decisions to close the school before the issuance of a WARNING. The timing of the closure will coincide with the end of a normal school day, if possible. If a WARNING is issued by O'ahu Civil Defense Agency while school is in session, school personnel will remain with the students until parents can safely pick them up.

Lower School students are to be picked up at the Autoline Gate on Lā'au Place. Upper School students are to be picked up at the Lower Gym on Kamoku Street. O'ahu Civil Defense Agency and radio stations will be notified by the Head of School's Office.

EARTHQUAKES

In the event of an earthquake of significant magnitude, 'Iolani School will care for students until parents can safely pick them up. Lower School students are to be picked up at the Autoline Gate on Lā'au Place. Upper School students are to be picked up at the Lower Gym on Kamoku Street. O'ahu Civil Defense Agency and radio stations will be notified by the Head of School's Office.

CAMPUS EMERGENCY

In the event of an emergency that requires campus containment or school closure, 'Iolani School will care for students until parents can safely pick them up. Lower School students are to be picked up at the Autoline Gate on Lā'au Place. Upper School students are to be picked up at the Lower Gym on Kamoku Street. Parents will be notified through phone, email, radio broadcasts, and the school website www.iolani.org as to the time when students can be picked up from school.

DRILLS

During the summer, there will be fire and containment drills. Teachers will review procedures with students beforehand.

HEALTH POLICIES AND PROCEDURES

HEALTH SERVICES

(for on-campus students ONLY)

**ON-CAMPUS SUMMER STUDENTS will follow the school year 2020–21 health protocols. Please review the [Family Handbook for Health Policies and Procedures](#) (pages 14–20). The following are highlights from the Family Handbook.

The school employs nurses and others trained in first aid to provide care when students become ill or are injured on campus. If a student is ill or injured, the parent/guardian will be notified by Infirmary staff. The Infirmary is located in the Wellness Center on the makai side of the Student Center facing the baseball field. School nurses are available from 7:30 a.m.–4:30 p.m. Monday to Friday, except school holidays. They may be contacted via email at infirmary@iolani.org or by phone at 808-943-2249.

The protocol for notifying parents when a student has visited the Infirmary follows:

- » Pink half sheet Infirmary Referral slips will be sent home via backpack for minor visits to the Infirmary for students entering grades K–6
- » Phone calls to parents/guardians for ALL major incidents and/or concerns

In the event of an emergency, an adult shall accompany the child to the source of emergency care. The adult shall stay with the child until the parent or parent’s designee assumes responsibility for the child’s care. The selection of the adult shall not compromise the supervision of the other children in the program.

LOCAL CONTACT INFORMATION

For on-campus day students, it is essential that we have a United States phone number for the parent/guardian as well as an emergency contact on file in case of emergency.

During the registration process, one must provide a United States phone number and a local, Hawai’i address for the primary guardians as well as for an emergency contact. The emergency contacts are required to be adults who can be reached during the school day. These people must:

- » Have a United States phone number;
- » Have access to a car or transportation in order to pick up your child when the school notifies you to do so; and
- » Be within 20 minutes driving distance from ‘Iolani

If at any time, your emergency contacts are unavailable or they do not respond to our calls, your child may be requested to remain at home until you can provide us with more reliable numbers. Please update LSummer@iolani.org (K–6) or spo@iolani.org (7–12) if there are any changes to your local contact information after your initial registration.

HEALTH REQUIREMENTS

All on-campus students residing outside the state of Hawai’i must submit the Summer Program Health Form completed by a U.S. licensed practitioner (MD, DO, OA, or APRN) prior to registration. This health form (including a physical examination, immunizations, and TB clearance) must be in compliance with i State Law

HEALTH POLICIES AND PROCEDURES

and 'Iolani School policy. A student's registration will not be processed until all health forms are received and approved by 'Iolani's Director of Health Services. The Summer Program Health Form can be found on our website: www.iolani.org/summer.

ILLNESS/INJURY POLICY AND PROCEDURE

If a student is unable to attend school because they are ill or injured, the family should contact the Infirmary at 808-943-2249 by 7:30 a.m.

For absences that are not caused due to illness or injury, families should contact the following appropriate division by 7:30 a.m.

K-6: Email LSsummer@iolani.org or call 808-943-2242 to report an absence.

7-12: Email SPO@iolani.org or call 808-943-2262 to report an absence.

PREVENTION

'Iolani School works diligently to provide a safe and healthy campus for students. If a child is ill, we ask for parental assistance with preventing the spread of illness by keeping children at home. Sending students to school when they are ill exposes their peers to the same illness. This behavior contributes to the spread of illness and is highly discouraged.

Conditions requiring exclusion from school include but are not limited to:

- » Temperature of 100 degrees F or higher
- » Vomiting or has vomited during the night
- » Diarrhea
- » Contagious diseases or infestations including but not limited to scabies, impetigo, conjunctivitis, live lice (ukus), varicella (chickenpox), scarlet fever, strep throat, influenza

Please notify the school nurses, via phone or email, if your child missed school or will miss school for reasons including but not limited to the list below:

- » Illness for 3 days or more
- » Physical injuries
- » Surgeries
- » Hospital/ER visits or admissions
- » Newly diagnosed conditions
- » Communicable diseases: *Chickenpox, Measles, Conjunctivitis (pink eye), Mumps, Scabies, Rubella, Influenza, Active Tuberculosis, Fifth Disease, Hand-Foot-Mouth Disease, Mononucleosis, strep throat*

PICKUP POLICY

If the Infirmary notifies a parent that a student must be picked up from school because he or she is ill, please

arrange for pick up within one hour of notification. If a parent is not available, the emergency contact will be called. This emergency contact person must also have a local 808 phone number that is on file.

RETURN TO SCHOOL FOLLOWING ILLNESS

CHECK-IN to the Infirmary, before your first class, on the first day back to school following illness or injury. Any student who has been absent for three days or more must bring a doctor's note of clearance to return to school. Students with a fever must stay home until **fever-free for 24 hours without fever-reducing medication**.

RETURN AFTER COMMUNICABLE DISEASE

Notify the Infirmary via phone or email if your child has been diagnosed with or is being tested for any communicable disease (i.e. Chicken Pox, Measles, Mumps, Rubella, Influenza, Active Tuberculosis, Fifth Disease, Hand Foot Mouth Disease, Mononucleosis, Strep Throat, Conjunctivitis [pink eye], Scabies). Any student that has been diagnosed with a communicable disease must bring a doctor's note of clearance to return to school. Students must check-in at the Infirmary before attending class with the doctor's note.

HEAD LICE/UKUS

Should head lice be discovered on your child at **home**, please notify the Infirmary via phone at (808) 943-2249 or email at infirmary@iolani.org. Should head lice be discovered during the **school day**, parents are required to pick up the child from the Infirmary. Return to school once the following steps have been completed:

- » Treat hair,
- » Remove all nits,
- » See nurse for hair check and clearance to return

MEDICATIONS

- » If a student requires prescription medication during school, please notify the nurse for specific directions and support.
- » Students who are treated for pain, either post-operatively or post-injury, must be able to function without narcotic medication while in school. Parents should speak with the nurse to be sure the medication prescribed is non-narcotic before the student's return to school.
- » All insulin-dependent diabetic students must have an action plan on file with the nurse.
- » Nurses will dispense over-the-counter medications to students with parental consent only.
- » Epi-Pens: Any student who has an epi-pen prescribed, must submit the proper paperwork to the Infirmary.

COVID-19 POLICY

COVID-19 POLICY

It is our overriding priority to ensure the continued safety and well-being of our students and families, employees and community during the COVID-19 pandemic. The following guidelines, together with our prevention strategies, are designed to safely return our students, faculty and staff to campus.

The policy applies to all aspects of instruction and school-related activities, including but not limited to participation in field trips and travel, off-campus school events, student activities and clubs, Residential Life enrollment and activities, etc.

Please note that this policy is subject to change at 'Iolani School's sole discretion as the COVID-19 pandemic evolves. Although it is our desire and intent to provide on-campus instruction for the entirety of summer programs, circumstances may necessitate school operations to be canceled or conducted online or canceled for an undefined period of time.

For any general questions regarding this policy, please contact communityhealth@iolani.org.

POSITIVE COVID-19 TEST, COVID-19 TESTING, SUSPECTED CASE, OR CLOSE CONTACT SITUATION

A student must remain off campus in the event of any of the following situations:

- » If the student or someone in his/her household tests positive for COVID-19 or is suspected of having COVID-19;
- » If the student or someone in his/her household undergoes testing for COVID-19 (please note that routine or required testing as part of an individual's job or travel must still be reported at which time specific guidance will be given based on the circumstances);
- » If the student or someone in his/her household has been in close contact with an individual infected by COVID-19;
- » If the students or someone in his/her household is advised and/or required to quarantine by any federal, State/Department of Health, and /or City law, order, or directive. This includes any State-mandated travel related quarantine; or
- » If the student returns from out-of-state travel and is not subject to a State-mandated quarantine because he/she took a 72-hour pre-travel COVID-19 test, the student must still remain off campus for 10 full days (240 hours) unless he/she receives a subsequent negative COVID-19 test taken at least 5 full days (120 hours) following his/her arrival on O'ahu.

In such an event, you are required to notify the Infirmary at infirmary@iolani.org or call 808-943-2249. The student will be required to remain off campus until he/she is medically cleared and authorized by the School to return.

During this time, the School will work with the students and his/her parent(s)/guardian(s) to determine and coordinate continued online instruction based on the circumstances for CREDIT COURSES ONLY.

EXPERIENCE SYMPTOMS OF ILLNESS

According to the Centers for Disease Control and Prevention ("CDC"), people with COVID-19 have had a wide range of symptoms reported- ranging from mild symptoms to severe illness. Symptoms may appear 2-10 days after exposure to the virus.

People with these symptoms may have COVID-19:

- » Fever or chills
- » Cough
- » Shortness of breath or difficulty breathing
- » Fatigue
- » Muscle or body aches
- » Headache
- » New loss of taste or smell
- » Sore throat
- » Congestion or runny nose
- » Nausea or vomiting
- » Diarrhea

Please refer to www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html for a list of the most current symptoms. This list does not include all possible symptoms and may be updated or revised by the CDC at any time.

If a student or someone in his/her household suspects they may have COVID-19 based on the CDC's list of symptoms, please notify the Infirmary at infirmary@iolani.org or call 808-943-2249.

The student will be required to remain off campus until he/she or the individual in his/her household is medically cleared and the student is authorized by the School to return.

During this time, the School will work with the student and his/her parent(s)/guardian(s) to determine and coordinate continued online instruction based on the circumstances for CREDIT COURSES ONLY.

COVID-19 POLICY

MANDATORY DAILY SELF-SCREENING FOR STUDENTS ATTENDING SCHOOL ON CAMPUS

All students attending school on campus will be required to do a mandatory temperature and symptom check each day before coming to school using a secured online application to confirm that he/she is fever and symptom free. This online self-screening app will also ask about any known exposure to someone that has tested positive for COVID-19. This online self-screening app will be maintained by the School, and the results of each student's daily temperature and symptom check will be disclosed to and monitored by the School. The Infirmary will be notified of any student temperature outside of normal range and/or any other affirmative response to the symptom check. The Infirmary will then contact the student's parent(s)/guardian(s) while the student remains off campus.

Each family expressly understands and agrees to perform this temperature and symptom check on their student and to accurately and truthfully report the results each day prior to coming to school. Each family understands and agrees that this is a requirement of enrollment in 'Iolani Summer Programs. Failure to perform and/or provide accurate results of this daily temperature and symptom check will result in action by the School, including but not limited to a student's disenrollment without refund.

All students absent from school will be required to remain off campus until he/she is medically cleared and authorized by the School to return.

During this time, the School will work with the student and his/her parent(s)/guardians(s) to determine and coordinate continued online instruction based on the circumstances for CREDIT COURSES ONLY.

PREVENTION STRATEGIES, INCLUDING MASKS AND FACE SHIELDS

All students are required to abide by 'Iolani School's prevention strategies, including but not limited to wearing masks and school-issued face shields as instructed while on campus or participating in school events. If a student has a disability or medical condition that may prevent him/her from wearing a mask and/or face shield, please contact Melissa Matsuda for the Lower School at mmatsuda@iolani.org or Natalie Hansen for the Upper School at nhansen@iolani.org.

LEGAL DISCLAIMER REGARDING FACE SHIELDS:

Please note that the use of face shields issued by 'Iolani School is at a student's own risk. Face shields are being provided free of charge.

Face shields are provided without any representations, warranties, or guarantees of any kind whatsoever, either express or implied, including, but not limited to, warranty of merchantability, warranty of fitness for a particular purpose, or anything related to its safety, effectiveness or performance. Further, face shields are not scientifically proven to prevent infection from Coronavirus Disease and/or SARS-CoV-2 (COVID-19) or other viruses or bacteria. **EXCEPT WHERE SPECIFICALLY PROHIBITED BY LAW, NO WARRANTIES OF ANY KIND ARE OFFERED FOR THE DESIGN OR USE OF THE FACE SHIELDS PRODUCED OR ISSUED BY 'IOLANI SCHOOL.**

By accepting and allowing your student to use such face shields, you and your student acknowledge and accept this disclaimer and agree that use of such face shield is at your student's own risk.

TRAVEL

All students attending school on campus are encouraged to avoid any non-essential out-of-state travel. Please notify Melissa Matsuda for the Lower School at mmatsuda@iolani.org or Natalie Hansen for the Upper School at nhansen@iolani.org regarding any out-of-state travel.

If a student and/or a member of his/her household travels and is subject to quarantine, the student must remain off campus until cleared to return.

Please review 'Iolani's Impact Level scale online at: www.iolani.org/2020-21.

TRANSMISSION PREVENTION STRATEGIES

Personal Protective Equipment, PPE

Our policy is face mask and shield on at all times in interior spaces. A face shield is on at all times in exterior spaces. PPE has consistently proven to be an essential step in creating a safe environment for interaction during the COVID-19 pandemic. The use of PPE is a mutual responsibility. Its use protects from both catching and spreading the virus. The School, therefore, takes the PPE use policy very seriously and as such PPE is now a part of our dress code.

The School will provide newly accepted students and siblings of currently enrolled, returning students registered for on-campus courses with 2 face masks and 1 face shield. Currently enrolled students should utilize their masks and shield from the 2020-2021 school year.

COVID-19 POLICY

As with school-issued iPads, the face shield is the property of the school and should be carefully maintained and cleaned by the student.

Students will need to have masks of their own in addition to those provided by the school. If a student chooses to provide their own mask they must adhere to ALL of the following guidelines: Face masks need to be of a singular contained face piece secured to the student's head which completely covers the mouth and nose. Pieces of clothing, like bandanas or raised t-shirts are not acceptable. Additionally, a one-way valve face mask that expels a person's breath through the valve is prohibited. Each face mask should pass the "candle test" which requires enough of a barrier around your mouth to make you unable to blow out a candle with your mask on. Face mask imagery should be minimal, if anything at all. Any imagery must be appropriate for a learning environment and not include things like inappropriate language, distractive imagery, or advertisements.

Students who have forgotten or misplaced their mask must come to their respective main offices for a temporary replacement. The school also has a supply of surgical masks. Students will be charged a fee to replace these items. Subsequent or repeated requests may result in disciplinary action consistent with the rules of the Lower and Upper Schools.

If possible, a student should wear the face shield issued by the school. If a student chooses to provide their own shield they must adhere to ALL of the following guidelines: Face shields must be clear and unmarked. Students may add a name or personalization to the frame to help them with identification, but any personalization must be appropriate to the learning environment and not include things like inappropriate language, distractive imagery, or advertisements.

Students who opt for a personal shield from home must bring those shields to their respective main offices to receive a color-coded sticker. Personal shields must be wide enough to provide side coverage (temple to temple), be long enough to cover the chin, and provide enough depth to allow a person to eat and drink without removing or compromising the effectiveness of the shield. Exceptions to the face shield rule in classes, where safety goggles are necessary for the curriculum and used in place of shields, may be granted by the appropriate director. Exceptions may also be granted for medical reasons.

The 'Iolani face shields come in 3 different sizes which are designed to accommodate everyone in our community from K-12. Each face shield has an adjustable elastic strap, which can be loosened or tightened to your personal comfort level. Face shields may be cleaned with a single alcohol swab which can be used to wipe down the inner and outer surfaces of the shield. Alcohol swabs will be provided throughout the campus. When cleaning for the first time, we recommend testing the solution on a small area in the corner of your face shield to ensure the solution does not cause any adverse effects (frosting, or scratching) to the PET plastic or the EVA foam frame. The most fragile part of your shield is the clear PET plastic. Avoid crushing or folding as these will leave stress marks.

Hand Hygiene

Proper hand hygiene is a critical aspect of preventing the spread of germs on campus and stopping their transmission to the mouth, nose and eyes. Hand sanitizing dispensers will be available at numerous spots on campus, including each individual classroom. Students will be asked to sanitize their hands upon entering each classroom, prior to eating, and periodically throughout the day while not in class. In addition to positioning hand sanitizing dispensers in multiple locations, we are also leveraging the plumbing connections typically used for drinking fountains to install additional sinks on campus to serve as outdoor hand washing stations.

Campus Cleaning and Sanitization

As is the case with hand hygiene, enhancing our campus cleaning protocol is another essential component to the preventative strategies we have implemented to mitigate the spread of germs. In addition to our traditional cleaning equipment and supplies, we have procured handheld and more industrial sized electrostatic cleaning systems and additional disinfectant sprayers/misters to increase the coverage, efficacy, and efficiency of our cleaning and sanitization procedures. We also plan on expanding our custodial staff and will be adjusting their work schedules to allow for increased personnel on campus during the school day to assist with our enhanced cleaning efforts.

COVID-19 POLICY

Classroom Cleaning and High Touch Surfaces

All classroom spaces will be deep cleaned at the end of every school day. During the school day itself, each class will be equipped with sanitizing wipes and/or sanitizing spray accompanied by paper towels that can be used in-between classes and throughout the day at the teacher's discretion to wipe down desks, chairs, and other surfaces in each room. In addition to classroom spaces, high touch surfaces around campus will be disinfected regularly throughout the day by our cleaning staff. This includes things like table tops, elevator buttons, handrails, door knobs, and many other frequently contacted surfaces.

Bathrooms

All of the bathrooms on campus will be cleaned 2-3 times per day on a rotating schedule. Where possible, physical distancing will be implemented within larger bathrooms to reduce the number of students in each bathroom at any given time. For example, in the larger bathrooms, we will restrict use to every other stall and possibly every other sink.

Air Conditioning System

Our campus is one continuous air conditioning loop that uses 2 chilled water plants to cool the circulated air. It is a closed, air-exit only system. Conditioned air is not shared between rooms. All classrooms use the closed loop air-exit only system for air conditioning. All classrooms have ducts at ceiling level—airflow is above occupants. The replacement of air conditioning filters has been increased to a monthly basis.

Locations with Exposure to a Known Case of COVID-19

In the event of a known case of COVID-19 on campus, we will identify all of the locations that the individual visited and initiate a cleaning protocol to thoroughly disinfect each space before it is opened back up for use. This process will be designed to eliminate contaminants on both surfaces and in the air by utilizing a combination of the cleaning systems and other disinfecting tools like fogging equipment and/or UV light systems.

Physical Distancing

Physical distancing is one prevention strategy within the comprehensive plan to prevent transmission and it is important. All classrooms have been mapped for physical distancing of 6 ft and extra sections and teachers have been added to make this possible. The pedestrian routes on campus have been remapped to implement one-way routes in order to reduce the density of students.

For group and/or lab work, students may work more closely with one another as long as face shields and masks are worn and sanitization practices/safety protocols are followed. Our hallways and stairwells will be marked to indicate the direction of traffic. Students will be dismissed on a staggered basis in order to allow for more time to get to the next class and to create physical space in between individuals.

Cohorting

Students will be cohorted by grade level bands and classes.

Upper School

The morning passing period is 15 minutes. Students should use that time to go directly to their next class, following all procedures outlined in this section (PPE, hand sanitizing, social distancing, etc.).

For students enrolled in afternoon classes, when released from their morning class they should immediately pick up their lunch (if applicable) and report directly to their afternoon class. There they will eat lunch in a designated area under the supervision of their teachers or teachers' aides while maintaining PPE procedures.

While free movement about the campus during free periods will not be allowed, there are specific locations besides the grade level tent that a student may go to under specific circumstances. These locations include, but are not limited to:

- » The Library, if space permits.
- » The Wellness Center, if medical attention is necessary
- » The Counseling Office, if a call slip has been received or an appointment made ahead of time
- » The Main Office, if a call slip has been received
- » College Counseling, if a call slip has been received or an appointment made ahead of time
- » Classrooms for study help by appointment

Each location will have a unique QR code for tracking purposes as well as adults who will remind students about hand hygiene, PPE and distancing.

COVID-19 POLICY

Tracking and Tracing Protocol

In the event of a known on-campus case of COVID-19, the school will implement its tracking and tracing protocol to evaluate close contacts, notify families and possibly initiate separation from the school. Separation from the school and re-entry will follow the COVID-specific policies now included in the [Family Handbook](#). The below table is a draft developed to guide tracking and tracing decisions and was created in consultation with testing services and MDs involved in testing. Tracking and tracing will involve the use of technology, school schedule and interviews.

CATEGORIES OF COVID EXPOSURE		
Category	Definition	Action
Case	Positive Test indicates this fac/staff/student has COVID-19	Isolation by State DOH protocols immediately
Household Case	Positive Test in the household of the fac/staff/student	Quarantine by State DOH protocols immediately
Exposed	Within 6ft >10-15 minutes NO PPE or improperly used PPE	Identify by combination of tracking protocol and individual interview. Exposed most likely results in separation from school but not necessarily a DOH quarantine. The school will advise on testing and how/when to be cleared to re-enter the school community.
Non-Exposed	Distanced 3-6ft, Properly used PPE Indoors: mask/shield Outdoors: shield only	Call families/faculty and staff Testing and separation from school not mandated but possible depending on circumstances
Case by Community Spread	Demonstrated person to person transmission on campus	Revisit tracking and tracing Intensify prevention protocols Categorize individuals as per above definitions and act accordingly

COVID-19 POLICY

Symptom Monitoring, Evaluation And School-reentry

It is mandatory for all members of the school community, administration, faculty, staff and students to do a daily self-screening before coming to school. Information from this screening will be entered into a school-distributed app that will function on smartphones and iPads. A login will be required. The list of self-screening questions (the school may change these questions based on circumstances) is:

- » Do you have a fever?
- » Are you experiencing a cough?
- » Are you feeling overly fatigued?
- » Are you experiencing a loss of appetite?
- » Are you experiencing muscle aches?
- » Have you lost your sense of smell or taste?
- » Please enter your temperature:
- » "Have you been in close contact to someone who tested positive or is suspected of having COVID-19?"

The school will analyze data on a daily basis in order to best support the health and wellbeing of our community. See section III of the [Family Handbook](#) COVID-specific policy for greater detail.

During school, for all members of the school community, temperatures will be taken for all visits to the infirmary and prior to athletic activities or interaction with the training staff.

Appendix III: Health Policy for [Family Handbook](#) details all health-related policies. Here is the section on reentry to the school after an illness or COVID-related event:

Student or Household-Related Travel Quarantine - WITH NO COVID-19 SYMPTOMS

Testing

Regarding COVID-19 testing, it is a finite resource in our community and appropriately available to best serve the entire community. Currently, testing centers require symptoms and an MD approval to get a test. It is recommended to get tested in the event that any COVID-19 symptoms present and it may be required as part of the process of reentering school after an absence due to a COVID-19 related event. School nurses will work with families to help coordinate necessary steps.

CAMPUS ACCESS

In general, campus access will be limited to students, faculty, and staff. Those who have official business with the School will first need to make an appointment with the appropriate office that they are visiting so that our Security personnel can assist with the visit. Upon arrival, visitors must check in with Security before entering campus. When checking in, our Security personnel will make sure visitors go through our health screening check and are wearing the appropriate PPE.

The pick-up and drop-off of students during the school day will take place at the Upper and Lower School autolines just as is the case before and after school. In instances where students are being picked up due to illness or a medical appointment, students will be escorted to autoline by a staff member.

Signage

Signage is installed throughout campus to remind students of PPE requirements and its proper use, maintain physical distancing, direct traffic with new one-way walkways and stairways and other rules, regulations and habits we will need to implement our comprehensive safety protocols.

ADDITIONAL INFORMATION FOR ONLINE PROGRAM

ONLINE LEARNING MANAGEMENT SYSTEM PLATFORMS

‘Iolani Summer Programs will use the following channels for normal day-to-day communications with parents, students, and faculty/staff. All of these systems are remotely accessible. All students and teachers should have proficient knowledge on how to use these apps. The table below describes these systems:

Channel	Audience	Description & Access
Email	Faculty, Staff, Parents, Students	Email will be used for all major communications and announcements, including those from the summer directors. Faculty will also use email to communicate, although they will use other platforms to interact with their students as well.
Google GSuite	Students across Grades 4–6 and Upper School	Google GSuite (including Gmail, Docs, Classroom, etc.) will be the platform used by teachers.
Zoom	Students across K–6 and Upper School	Zoom is an online video conferencing platform that allows for live group meetings, hosted by teachers.
Seesaw	Primarily students in grades K–3	K–3 teachers and students will use Seesaw and other web-based apps.
Public Website	General public	‘Iolani will maintain general summer information for the public at www.iolani.org/summer

How will ‘Iolani ensure that students have access to these tools from off-campus?

Most of our technology tools are not device-specific, which means students will be able to access learning through parental devices, phones, iPads, laptops, etc.

Currently enrolled and incoming ‘Iolani students will be provided a school device.

Non-‘Iolani students agreed to tech requirements when registering to provide their own, capable device (see the Requirements to Register section above for details).

Non-‘Iolani students and teachers will be given a temporary summer ‘Iolani email address to be used exclusively for all communication with students, faculty, staff and families.

TEN GUIDELINES FOR PARENTS SUPPORTING ONLINE LEARNING

Parents will need to think differently about how to support their child during online Summer Programs; how to create structures and routines that allow their child to be successful; and how to monitor and support their child's learning. Some students will thrive with online learning, while others may struggle. The ten guidelines provided below are intended to help parents think about what they can do to help their child find success in an online learning environment.

1—Establish routines and expectations

From the first day of 'Iolani Summer Programs, parents need to establish routines and expectations. 'Iolani encourages parents to set regular hours for their child's school work. Students should plan to follow their assigned schedule, using the individualized Zoom meeting schedule. Keep normal bedtime routines for younger children and expect the same from your Upper School-aged students, too. (Don't let them stay up late and sleep in!) Your child should move regularly and take periodic breaks as they study. It is important that parents set these expectations for how their child will spend their days before the start of Summer Programs.

2—Define the physical space for your child's study

Your child may have a regular place for doing homework under normal circumstances, but this space may or may not be suitable for online Summer Programs. We encourage families to establish a space/location where the child will learn. This should be a public/family space, not in a child's bedroom. It should be a place that can be quiet and have a strong wireless internet signal, if possible.

3—Monitor communications from your child's teachers

Teachers will communicate with parents through email, when and as necessary. The frequency and detail of these communications will be determined by your child's ages, maturity, and their degree of independence. When you need to contact teachers, please remember that teachers will be communicating with many students as well as other parents and that communications should be essential, succinct, and self-aware. We also encourage parents to have their child explain the online platforms (e.g. Seesaw, Google GSuite, Showbie etc.) their teachers are using.

4—Begin and end each day with a check-in

Parents are encouraged to start and finish each day with a simple check-in. In the morning, ask what is your child learning today? What are their learning targets or goals? How will they spend their time? What resources

do they require? What support do they need? This brief grounding conversation matters. It allows the child to process the instructions they've received from their teachers. It helps them organize themselves and set priorities. Older students may not want to have these check-ins with parents (that's normal!), but they should nevertheless. Parents should establish these check-ins as regular parts of each day. Not all students thrive in an online learning environment; some struggle with too much independence or lack of structure. These check-in routines need to be established early, before students fall behind or begin to struggle.

5—Take an active role in helping your child process and own their learning

In the course of a regular school day, your son or daughter engages with other students or adults dozens if not hundreds of times. These social interactions and opportunities for mediation include turning to a peer to exchange a thought or idea, participating in small or large group discussions, asking questions for clarification, collaborating on group projects, and countless other moments. While some of these social interactions will be re-created on virtual platforms, others will not. Human beings learn best when they have opportunities to process their learning with others. Beyond the check-ins recommended at the start and end of each day, parents should regularly circle back and engage with their child about what they're learning. However, it's important that your child own their work; don't complete assignments for them, even when they are struggling.

6—Establish times for quiet and reflection

A huge challenge for families with multiple children will be how to manage all of their children's needs, especially when those children are different ages and have different needs. There may be times when siblings need to work in different rooms to avoid distraction. Parents may even experiment with noise-cancelling headphones (no music necessary!) to block out distractions.

7—Encourage physical activity and/or exercise

Make sure your child remembers to move and exercise. This is vitally important to their health, well-being, and to their learning. It is important for parents to model and encourage exercise, too! Think also about how your child can pitch in more around the house with chores or other responsibilities. Don't let your child off the hook – expect them to pitch in!

8—Remain mindful of your child’s stress or worry

It is imperative for parents to help their child manage the worry, anxiety, and range of emotions they may experience throughout the COVID pandemic. Difficult though it may be, do your best not to transfer your stress or worry to your child. They will be out of sorts, whether they admit it or not, and need as much normal routine as parents can provide.

9—Monitor how much time your child is spending online

‘Iolani Summer Programs does not want its students staring at computer screens for 7–8 hours a day. We encourage families to find alternative activities to give students a screen break each day.

10—Keep your child social, but set rules around their social media interactions

Help your child maintain contact with friends and see them in person when circumstances permit. Please also monitor your child’s social media use, especially during an extended school closure. Older students will rely more on social media to communicate with friends. Social media apps such as SnapChat, Instagram, WhatsApp, or Facebook are not official, school-sanctioned channels of communication. ‘Iolani asks parents to monitor their child’s use of social media. Remind your child to be polite, respectful, and appropriate in their communications and to represent your family’s values in their interactions with others. A student’s written words and tone can sometimes offend or cause harm to others.

The guidelines above are modeled on the DLP of the American International School of Japan, with our gratitude.
