Upper School

Entering Grades 7-12

Program Information

The Upper School Summer Programs offer a wide variety of enrichment, reinforcement, and credit courses to students entering grades 7 to 12. Courses are designed to meet students' needs not only in preparation for the regular school year, but also in enrichment in subjects of interest, reinforcement, and opportunities for self-expression and creativity.

- » **Summer Programs** are open to current 'Iolani students who attended for the entirety of the 2022-2023 school year, accepted and enrolling 'Iolani admissions students for the 2023-24 school year, siblings of current 'Iolani students, and visiting students.

Before registering for classes, we kindly ask that you carefully read through this section as well as the Handbook with your child to learn more about our programs and their requirements.

Program Eligibility

- » Eligible students should enroll in courses for the grade level they will enter in the fall 2023-24 school year
- » Students who have been dismissed from 'Iolani for disciplinary reasons may not enroll in Summer Programs unless they have been readmitted to 'Iolani School and have approval by their Dean
- » Courses with limited enrollment eligibility are noted in the course description
- » Current 'Iolani students will have priority for course enrollments
- » Please see the **Requirements for the US Mainland and International Day Students** section of the Handbook, if applicable
- » Review additional requirements listed in the handbook

We look forward to your child being part of 'Iolani this summer!

» Registration and Payment

Handbook Acknowledgment

Before registering, please carefully read through the “Registration FAQ” page and other important information found in the Summer Programs Handbook at summer.iolani.org

How to Register

Registration for ‘Iolani Summer Programs must be completed online via the Summer Programs Registration Portal found on the website (summer.iolani.org). No formal application is required for day summer programs; simply register online at your assigned date and time for eligible courses.

Registrations will not be accepted by walk-in, email, telephone or fax. Registrations received prior to your child’s assigned date and time, as well as incomplete registrations, will not be accepted. Registration fills quickly and program spaces are limited, so we recommend registering at the opening time.

Current ‘Iolani Family Account Activation

The new Summer Programs Registration Portal (CampBrain) contains all current ‘Iolani student basic household information. You can access your account via the Registration Portal by entering an ‘Iolani School associated parent email address at Sign-in, then click “Reset password” to activate your account. Once your password is reset and the account is activated, you may proceed to course selections and payment on the designated grade level registration day.

*Siblings attending other schools may be added to the household and register for classes on the designated sibling registration day.

Visiting Students

Create a new account on the Summer Programs Registration Portal under “New user sign-up.” Follow the instructions for student registration, course selections and payment on the designated grade level registration day.

Course Selection

Please register your child for the grade level they will be entering in the fall.

Courses with limited enrollment eligibility are noted in the course description. Current ‘Iolani students will have priority for all course enrollments. You may enroll in either Session 1 OR Session 2 classes, not both, as curriculum will repeat, unless otherwise noted in the course description.

Departmental and Teacher Approval

For ‘Iolani students, credit courses may require department approval. Approval requirements for other courses are indicated in the course descriptions. ‘Iolani seniors, then juniors, then sophomores will be given preference in the registration of credit courses within grade range.

Waitlists

Maximum class sizes range from 12 to 18 students, and courses tend to fill quickly during registration. If your child is signed up on the waitlist, there is no guarantee of placement in the course. Waitlists are processed as space becomes available. The Summer Programs Office will notify the parent/guardian via email if the student clears the waitlist or if unable to accommodate the waitlist request up to the start of the program. Classes with exceptionally long waitlists will no longer be accessible on the Registration Portal. Please read the Handbook for additional details.

Tuition and Fees

The tuition payment in full is due at the time of online registration. You may pay by Visa, Mastercard, or American Express during online registration. Class prices are listed with the courses. Registration is not complete until paid for and submitted through the Registration Portal. Upon submission, you will receive a confirmation email.

Withdrawal and Refund Policy

Students or parents who initiate course withdrawals after submitting their registration will be subject to a refund based on the date when the Summer Programs Office receives written notification from parents for the student’s withdrawal. Any changes should be submitted via email to USsummer@iolani.org (gr. 7-12). Once the registration has been processed, the maximum amount of refund will be 50% of each course.

The following schedule determines the amount of the refund:

- 50% refund until Thursday, May 11, 2023
- No refunds starting Friday, May 12, 2023

There are no refunds or prorated billing for course time missed. The course fee applies regardless of how many days a child participates in the program. There will be no refunds for unused days.

Course Additions and Changes

Any requested changes, including adding classes or Meal Plan, should be submitted via email to USsummer@iolani.org (gr. 7-12). Please DO NOT go back into the Registration Portal to add classes as this may affect the initial selection of classes.

Students or parents who initiate course changes (replacing one course for another, requesting time changes) after submitting their registration will be charged \$50.00 for each change requested. Course changes after the course begins will incur a \$100.00 charge. No course changes permitted after the first two meetings of the course.

Courses cannot be dropped or changed online. Please email USsummer@iolani.org (gr. 7-12) with your child’s full name, grade and details of your change request.

» Registration and Payment

Canceled Courses

Courses may be canceled due to insufficient enrollment or at the discretion of the Summer Programs Office. If this occurs, parents will be notified via email and we will assist you in finding an alternative course for your child, if space is available.

Late Registration

Online registration will close on Thursday, May 11, 2023, for all courses and programs. Please contact USSummer@iolani.org (gr. 7-12) with the student's name, grade level, and desired

course if you would like to register after Thursday, May 11, 2023. Online registration will not be available after that date.

If there is space in the desired course after the registration close date, a \$100.00 late fee per course will be assessed prior to course placement.

Meal Plan will not be available for purchase after Thursday, May 11, 2023.

REGISTRATION DATES

Registration will open at 12 p.m. (noon), Hawai'i Standard Time

Current 'Iolani student registration:

- 2/21/23** Tuesday: entering grades 4, 5 and 6
- 2/23/23** Thursday: entering grades 2 and 3
- 2/28/23** Tuesday: entering grade 1
- 3/2/23** Thursday: entering grades 7 and 8
- 3/7/23** Tuesday: entering grade 9
- 3/9/23** Thursday: entering grades 10, 11, and 12

Other student registration

- 3/14/23** Tuesday: Siblings of current 'Iolani students (Grades 1-12)
- 3/16/23** Thursday: Newly enrolling 'Iolani students (Grades 6-12)
- 3/28/23** Tuesday: Public grades 1-3
- 3/30/23** Thursday: Public grades 4-6
- 4/4/23** Tuesday: Public grades 7-12
- 4/18/23** Tuesday: Newly enrolling 'Iolani Kindergarten students

**Registration will close on Thursday, May 11, 2023, for ALL summer programs.
No refunds starting Friday, May 12, 2023.**

» Art

The Art of Bullet Journaling Gr. 7-12

Time: 1:15 pm-3:15 pm

Price: \$390

3 weeks, 2 hours, no credit, S/U, no final exam

In this three-week class, you will tap into your creativity to design a personal "bullet journal" to use for a year. Organize your days, weeks and months, track birthdays, events, your habits ... keep positive and inspired! We will learn calligraphy so you can make your bullet journal ("BUJO") beautiful! If you love art, crafts, handwriting, colors, or just need to get organized, you will LOVE creating your own keepsake BUJO to use and treasure! Please enroll in session 1 or session 2, not both.

Ceramics Gr. 9-12

Time: 1:15 pm-3:15 pm

Price: \$390

3 weeks, 2 hours, no credit, S/U, no final exam

Ceramics is a project-based inquiry into the design of clay vessels. Students see projects through a complete cycle of development from concept sketches to fabrication, glaze application, and firing. Using wheel-throwing and hand-building techniques, students develop an understanding of design as they develop their own sculptural vocabulary in a collaborative studio atmosphere. Materials included. Please enroll in session 1 or session 2, not both.

Surface Application and Design Gr. 7-8

Time: 8:00 am-10:00 am; 10:30 am-12:30 pm; 1:15 pm-3:15 pm

Price: \$380

3 weeks, 2 hours, no credit, S/U, no final exam

Why do people put stickers on things? In this course, we will answer this question by investigating examples of decorating, ornamenting, and customizing that can be seen all around us. Students will also work through the process of designing something with the intention of making it. They will learn and practice the skills needed to assemble and fabricate a functional piece of art using clay. The projects students produce will be influenced by examples of colorful and creative design, the tactile feel of interesting texture, and the desire. Please enroll in session 1 or session 2, not both.

» English

READ-Y Go! 7

Time: 8:00 am–10:00 am; 10:30 am–12:30 pm

Price: \$590

6 weeks, 2 hours, no credit, graded, no final exam

RISING AND NEWLY ENROLLED 7TH GRADE 'IOLANI STUDENTS FOR THE 2023–24 SCHOOL YEAR ONLY

Textbooks required: visit <https://bnck-12.com/iolani.htm> to purchase before classes begin.

This course focuses on developing students' skills in literary comprehension, analysis, and response, and preparing students for the important transition to Upper School. Using the summer readings for 'Iolani's seventh grade English and History departments as their primary texts, the class will focus on elements of fiction, vocabulary in context, text annotation, and synthesis of the texts through a variety of learning engagements. Students will also be introduced to the executive and transitional skills to enter grade 7 at 'Iolani, meet new friends, build their Upper School tool box, and learn all about being an Upper School Raider.

Written Expression Gr. 7-8

Time: 8:00 am–10:00 am; 10:30 am–12:30 pm

Price: \$355

3 weeks, 2 hours, no credit, S/U, no final exam

Students develop and sharpen expository writing through a variety of exercises intended to create, inform, summarize, critique, and persuade. Students use materials representative of 'Iolani's writing program with a focus on various young adult material and texts.

Writing Sense Gr. 7-9

Time: 8:00 am–10:00 am; 10:30 am–12:30 pm

Price: \$355

3 weeks, 2 hours, no credit, S/U, no final exam

Students will complete a variety of assignments based on sensory experience including poetry, fantasy writing, and character sketches. With a focus on reading and language enjoyment while writing daily, Writing Sense will also explore the various mediums we use in expressing our literary thought. Please enroll in session 1 or session 2, not both.

READ-Y Go! 8

Time: 8:00 am–10:00 am; 10:30 am–12:30 pm

Price: \$590

6 weeks, 2 hours, no credit, graded, no final exam

RISING AND NEWLY ENROLLED 8TH GRADE 'IOLANI STUDENTS FOR THE 2023–24 SCHOOL YEAR ONLY

Textbooks required: visit <https://bnck-12.com/iolani.htm> to purchase before classes begin.

This course focuses on developing students' skills in literary comprehension, analysis, and response while covering the summer readings for 'Iolani's eighth grade English and History departments as their primary texts. The class will focus on elements of fiction,

vocabulary in context, and synthesis of the texts through a variety of learning engagements as well as introducing executive and transitional skills to enter grade 8 at 'Iolani.

READ-Y Go! 9

Time: 8:00 am–10:00 am; 10:30 am–12:30 pm

Price: \$590

6 weeks, 2 hours, no credit, graded, no final exam

RISING AND NEWLY ENROLLED 9TH GRADE 'IOLANI STUDENTS FOR THE 2023–24 SCHOOL YEAR ONLY

Textbooks required: visit <https://bnck-12.com/iolani.htm> to purchase before classes begin.

This course focuses on developing students' skills in literary comprehension, analysis, and response while covering the summer readings for 'Iolani's ninth grade English and History departments as their primary texts. The class will focus on elements of fiction, vocabulary in context, and synthesis of the texts through a variety of learning engagements. Students will also be introduced to the executive skills needed to transition from intermediate classes to grade 9 at 'Iolani.

Personal Essay Writing Workshop Gr. 10-12

Time: 10:30 am–12:30 pm

Price: \$355

3 weeks, 2 hours, no credit, S/U, no final exam

In this project-based class, students will begin honing the writing skills required for personal statements that can be used in college applications, resumes, cover letters, and job applications. We will focus on exploring how to tell their stories and represent themselves through their writing, building a portfolio of written work to draw from in a number of settings. Through meaningful writing projects, personal exploration and a highly reflective process, students will learn about themselves and how to convey their values and experiences in their personal statements. Please enroll in session 1 or session 2, not both.

Write Right! 10-12

Time: 8:00 am–10:00 am; 10:30 am–12:30 pm

Price: \$590

6 weeks, 2 hours, no credit, graded, no final exam

Textbooks required: visit <https://bnck-12.com/iolani.htm> to purchase before classes begin. Write Right! for grades 10–12 provides a comprehensive writing course focusing on literary analysis, foundational elements of academic writing, rhetorical analysis, narrative, argument, opinion and synthesis writing. There will be a focus on both individual writing and oral interpersonal communication skills, including partner and small group work.

» Mathematics

Pre-Algebra Prep Gr. 7-8

Time: 8:00 am-10:00 am; 10:30 am-12:30 pm

Price: \$590

6 weeks, 2 hours, no credit, graded, no final exam

Students review the four basic operations with whole numbers, fractions, and decimals while strengthening their ability to apply those skills in problem solving situations in preparation for Pre-Algebra.

Mathtastic Games Galore Gr. 7-9

Time: 10:30 am-12:30 pm, 1:15 pm-3:15 pm

Price: \$355

3 weeks, 2 hours, no credit, S/U, no final exam

Students will enjoy daily group, partner, and individual math and logic games in this interactive math class. Games will be played using traditional decks of cards, custom-made cards, visual puzzles, group/partner competitions, board games, and more. This fun enrichment course is appropriate for students of all mathematical abilities. Advanced math students will be supported to challenge themselves, while students who have struggled in math will sharpen their reasoning skills and gain confidence in a pressure-free and fun environment. Please enroll in session 1 or session 2, not both.

Show Me The Money Gr. 7-9

Time: 8:00 am-10:00 am; 10:30 am-12:30 pm

Price: \$355

Session 1 ONLY, 2 hours, no credit, S/U, no final exam

This course investigates the characteristics and functions of money as it relates to both personal finance and the macroeconomy. Students will apply what they learn about money and the economy as they consider the financial decisions they will face throughout their lives using activities from the Learning, Earning, and Investing curriculum. Activities and simulations will be used to have the students use their financial literacy skills to practice making investment, financial, and everyday decisions.

Pre-Algebra Review Gr. 8-9

Time: 8:00 am-10:00 am; 10:30 am-12:30 pm

Price: \$590

6 weeks, 2 hours, no credit, graded, no final exam

Prerequisite: Completion of Pre-Algebra

Textbook required: please purchase at <https://bnck-12.com/iolani.htm> before the start of class. Students review the concepts of Pre-Algebra and explore various problem solving strategies. Topics include operations with real numbers, measurement and data analysis.

Algebra 1 Honors Review Gr. 9-10

Time: 8:00 am-10:00 am; 10:30 am-12:30 pm

Price: \$355

Session 1 ONLY, 2 hours, no credit, graded, no final exam

Prerequisite: 'Iolani students who will be taking Algebra 2 Honors or Algebra 2 Accelerated in the Fall.

Algebra 1 Honors Review is open to students who will enroll in Algebra 2 Honors in the fall at 'Iolani. Students will have the opportunity to polish their algebra skills, especially those related to graphing functions using transformations, solving algebraic equations, simplifying algebraic expressions (including exponential and radical expressions), factoring, operations with rational expressions and solving rational equations.

Algebra 1B Gr. 9-10

Time: 8:00 am-10:00 am; 10:30 am-12:30 pm

Price: \$615

6 weeks, 2 hours, no credit, graded, 2-hour final exam

Prerequisite: 'Iolani students must have Math Department approval to enroll.

APPROVED STUDENTS WILL BE PLACED IN THE CLASS AND WILL BE NOTIFIED WITH FURTHER INSTRUCTIONS PRIOR TO THEIR REGISTRATION DATE.

Textbook required: please purchase at <https://bnck-12.com/iolani.htm> before the start of class. Algebra 1B is the second part of 'Iolani's Algebra 1 curriculum. Please see math teacher or counselor for more information.

Algebra 1 Review Gr. 9-11

Time: 8:00 am-10:00 am; 10:30 am-12:30 pm

Price: \$590

6 weeks, 2 hours, no credit, graded, no final exam

Prerequisite: completion of Algebra 1

Textbooks required: visit <https://bnck-12.com/iolani.htm> to purchase before classes begin. Students will review 'Iolani's Algebra 1 curriculum in preparation for enrollment in Algebra 2. Topics include simplifying expressions, solving equations and inequalities with rational and irrational numbers, solving word problems, polynomials, the quadratic formula, factoring, graphing linear functions, and absolute value.

» Performing Arts

Rock Band Gr. 7-12

Time: 10:30 am-12:30 pm; 1:15 pm-3:15 pm

Price: \$355

3 weeks, 2 hours, no credit, S/U, no final exam

Students learn and rehearse songs from contemporary popular music in a fun group setting. By learning to perform together in an ensemble, they will also study music theory, practice effective communication (with each other and with the audience), exhibit teamwork, and exercise leadership skills. Rock on! Please select session 1 or 2, not both.

Prerequisite: At least one year of experience on instrument (guitar, bass guitar, drums, piano, vocals, etc.). Guitarists must supply their own instrument.

Intro to Improv Gr. 7-12

Time: 1:15 pm-3:15 pm

Price: \$355

3 weeks, 2 hours, no credit, S/U, no final exam

Join us to learn what improv is all about! Students will be introduced to the art form of improvisational theatre. This course is sure to bring lots of laughs, surprises and excitement! Students may enroll in both sessions.

Hip Hop Gr. 7-12

Time: 1:15 pm-3:15 pm

Price: \$355

3 weeks, 2 hours, no credit, S/U, no final exam

Learn street dance set to contemporary pop or hip hop music. Improve your coordination and creativity through strength training warm-up, stretching and exciting dance combinations. No experience required. Students may enroll in both sessions.

» Physical Education and Sports

Fun Fitness Gr. 7-9

Time: 1:15 pm-3:15 pm

Price: \$355

3 weeks, 2 hours, no credit, S/U, no final exam

Come join the fitness fun as we learn a new sport each week! Team sports are not only a great way to stay active and healthy, but also help with the building blocks of social and emotional development for young people. The first part of each week we will learn the skills and practice strategies for sports such as soccer, kickball, spikeball and ultimate frisbee. The week culminates in fun Friday competitions (pool play) with fellow classmates. Students may enroll in both sessions.

Raiders Tennis Gr. 7-9

Time: 1:15 pm-2:15 pm

Price: \$430

3 weeks, 1 hour, no credit, not graded, no final exam

This course is offered to students seventh through ninth grade and designed to teach basic tennis fundamentals and point play. This is a great way for students to have fun learning tennis and receiving the exercise benefits at the same time. The regular yellow ball will be used. For additional information and questions, please contact the tennis office at hsomerville@iolani.org.

Inter. & JV Tennis Training Gr. 7-11

Time: 3:30 pm-5:00 pm

Price: \$650

3 weeks, 1.5 hours, no credit, not graded, no final exam

This program is offered to those students who desire to prepare for the Intermediate and JV seasons ahead. Students at this level have played in competition through USTA tournaments and Junior Team Tennis. They can demonstrate the ability to serve, rally, and move the ball with some consistency. The emphasis is on stroke production, strategy in singles and doubles, and constructing a point. The yellow ball will be used. Being a participant in this program does not guarantee a spot on the Intermediate or JV squad as all candidates must try out for the team. For more information and questions, please contact the tennis office at hsomerville@iolani.org.

Lifetime Health Gr. 9

Time: 8:00 am-10:00 am; 10:30 am-12:30 pm

Price: \$615

6 weeks, 2 hours, 1/2 credit, S/U, no final exam

Reserved for rising and newly enrolled 'Iolani grade 9 students. Students in the required integrated Health and P.E. semester class will learn, develop, and practice skills that will promote and maintain one's personal health. The instructors will engage students in critical thinking skills by raising awareness through questioning, class discussion, activities, research, videos, guest speakers, and current events to explore current issues and current health trends for adolescents. Students will be provided the opportunity to use application of health and fitness knowledge and skills in making healthy personal choices, informed decisions, and advocating for the health of others. The course topics will include the priority risk/ content areas taken from national health standards. The physical activities will include basic movement forms and cognitive concepts needed to maintain an active lifestyle in lifetime activities. The students will also learn the components of health related fitness such as cardio endurance, muscular strength, muscular endurance, flexibility, and body composition. Students will be able to demonstrate the ability to write their own personal fitness plan based on overload and FITT principles. This course will help students have a foundation and understanding on how to maintain their personal health throughout high school, college, and into adulthood.

Physical Education Gr. 10-12

Time: 8:00 am-9:00 am; 9:00 am-10:00 am; 10:30-11:30 am;

11:30 am-12:30 pm; 1:15 pm-2:15 pm

Price: \$320

6 weeks, 1 hour, 1/4 credit, S/U

Reserved for current 'Iolani students. Students will learn and participate in lifetime activities geared towards maintaining overall physical well-being. The course will follow the P.E. curriculum offered during the school year. Each student with the teacher will establish individual goals which are realistic and attainable through maximum effort. Through their participation, effort and completion of goals, students may fulfill one quarter of the P.E. requirement. Students may not enroll in more than one P.E. section. No grade level preference given. P.E. attire is only acceptable during class.

» Study and Life Skills

Japanese Language Basics Gr. 7-9

Time: 8:00 am-10:00 am

Price: \$590

6 weeks, 2 hours, no credit, S/U, no final exam

Conversational Japanese Packet required: purchase at the Campus Store before classes begin. Students learn basic study skills in vocabulary memorization and note-taking while gaining the ability to converse in Japanese. The class teaches greetings, useful expressions, personal questions and answers, and simple money transactions. Class activities include games, interviews and videos. No Japanese language background necessary. Students will not learn to read or write in Japanese kana. Current Japanese language students will learn to master vocabulary, grammar and note taking, review previous lessons, and gain confidence in their language skills.

Let's Learn Japanese! Gr. 7-9

Time: 10:30 am-12:30 pm

Price: \$355

3 weeks, 2 hours, no credit, S/U, no final exam

This introductory course is designed to help students dive into their Japanese language learning journey. No prior Japanese knowledge required. This workshop will cover reading, writing, listening, and speaking Japanese through an online platform. It will give students a solid foundation to build their language learning skills. Let's dive right in and begin this journey together! Please select session 1 or 2, not both.

Conversational Chinese Gr. 7-9

Time: 8:00 am-10:00 am; 10:30 am-12:30 pm

Price: \$355

3 weeks, 2 hours, no credit, S/U, no final exam

Join us in exploring colloquial Chinese and the rich Chinese culture in this engaging course. Using Chinese movies, TV shows and social media, we will embark on a learning journey that synthesizes Chinese cultural values (both classic and modern) and experiences to transform our perspective. New Chinese speakers will develop their Mandarin language foundation and grow their confidence in their listening and oral skills with interactive games and skits. Please select session 1 or 2, not both.

'Ōlelo Hawai'i Gr. 7-9

Time: 8:00 am-10:00 am

Price: \$355

3 weeks, 2 hours, no credit, S/U, no final exam

This is an introductory course in 'Ōlelo Hawai'i (Hawaiian language) with a focus on common conversational phrases. The goal of this course is to have students become comfortable with communicating in Hawaiian on a beginning level. Students will have the opportunity to learn basic grammatical structures, vocabulary, and both formal and informal expressions through the use of games/activities, themed conversation and projects. No experience is necessary. Please select session 1 or 2, not both.

Our Ahupua'a Gr. 7-9

Time: 10:30 am-12:30 pm

Price: \$380

3 weeks, 2 hours, no credit, S/U, no final exam

In Our Ahupua'a: Observing and Experiencing the Watershed Through Stories and Citizen Science, students will be immersed in an interdisciplinary, place-based course with the intention to understand through stories and experience the interconnectedness of the environment, biodiversity, and people in our watershed. Through trips to different parts of the ahupua'a, students will study the science, history, and culture behind how the watershed functions and the major challenges facing this area. Students will go into the field and collect data that focuses on water quality and biodiversity and learn how to evaluate the health of the streams and terrestrial landscape. Through stories of place, they will learn about how the ahupua'a once functioned in an effort to move toward a cleaner and more balanced Ala Wai. Please select session 1 or 2, not both.

Gods, Monsters and Heroes: An Intro to Greek Mythology Gr. 7-9

Time: 10:30 am-12:30 pm, 1:15 pm-3:15 pm

Price: \$355

Session 1 ONLY, no credit, S/U, no final exam

This enrichment course provides an introduction to the exciting and enduring myths and legends of ancient Greece. Students follow in the footsteps of owl-eyed Athena, cunning Odysseus, earth-shaking Poseidon, the snake-haired Gorgon, and many of the other key gods, goddesses, heroes, and monsters of ancient Greece. They also learn the basics of the Greek language. Activities include a fun and engaging mixture of readings, films, games, and hands-on projects.

» Study and Life Skills

Island Adventures Gr. 7-9

Time: 1:15 pm-4:00 pm

Price: \$400

2 hours 45 min, no credit, S/U, no final exam

Meet new people, make new friends, and have fun! With an emphasis on leadership, team building, and the ONE TEAM philosophy, students will engage in a variety of activities. Students will participate in games, team sports, and water activities appropriate to their age and ability level, including hiking, paddling, and swimming. Off-campus field trips and excursions will take place each week. The class is managed by 'Iolani faculty, staff, and assisted by 'Iolani students. Students may enroll in both sessions.

Hawaiian Culture Gr. 7-12

Time: 10:30 am-12:30 pm

Price: \$380

2 hours, no credit, S/U, no final exam

This course will provide a basic foundational knowledge of Hawaiian culture, history, and language to give students the opportunity to gain an understanding of the rich cultural heritage of the Hawaiian people. Students will be able to learn to pronounce Hawaiian words and communicate utilizing basic Hawaiian phrases. They will be taken through a brief history of Hawai'i and get to know key figures and events. Planned activities will engage them with a hands-on approach to a variety of Hawaiian cultural practices such as lei making, crafting, hula, music, and much more.

Just Type It! Gr. 7-12

Time: 8:00 am-10:00 am; 10:30 am-12:30 pm

Price: \$355

3 weeks, 2 hours, no credit, S/U, no final exam

This course is designed with a main emphasis on keyboarding skills. Students will learn proper keyboarding posture and technique while building their speed and accuracy using the touch type method. Students will focus on the alphabet, punctuation, and numeric keys. They should be able to key at 25 WPM by the end of the course. Students will also be introduced to a variety of options in Google Docs and Microsoft Office. Please enroll in session 1 or session 2, not both.

Entrepreneurship 101 Gr. 9-12

Time: 10:30 am-12:30 pm

Price: \$355

SESSION 2 ONLY, 2 hours, no credit, S/U, no final exam

This course is designed to introduce and support high school students interested in entrepreneurship in a safe and nurturing class environment. Working collaboratively, using their imagination, risk-taking and problem-solving skills, students will formulate their project ideas and learn the critical steps to create an innovative business plan. In addition to building their own skill set, they will have the opportunity to learn from and interact with leaders of local businesses and corporations. Students will leave the course with a solid foundation and resources to pursue their own entrepreneurial projects.

Food for Thought Gr. 9-12

Time: 10:30 am-12:30 pm

Price: \$380

2 hours, no credit, S/U, no final exam

The lab based course will focus on how and why we eat what we eat to help students connect sciences to topics that touch their lives every day. We will apply the scientific method to food and cuisine while investigating the overt and hidden ways science affects our food - all the while learning how to prepare and modify different food items. Depending on student interest, topics may include chemical, biological, and physical structure of foods, the path of food from farm to table, and how food interacts with human body systems - all seasoned with a dash of local culture and history.

Marine Science Gr. 9-12

Time: 8:00 am-10:00 am; 10:30 am-12:30 pm

Price: \$355

2 hours, no credit, S/U, no final exam

Marine Science invites students to explore the oceans, from Hawaii's tropical reefs to ocean ecosystems across the globe. In this course, students will develop an understanding and appreciation of our oceans through a variety of hands-on activities, laboratory experiments, field experiences, and problem-based investigations. Topics include properties of water, waves and tides, and the diversity of marine life. Students will also explore how marine organisms interact with each other and their environment, the impact of humans upon the marine environment, and conservation techniques that can help manage the valuable marine resources often taken for granted.

» Study and Life Skills

Sequence 9

Time: 8:00 am-10:00 am; 10:30 am-12:30 pm

Price: \$615

6 weeks, 2 hours, 1/2 credit, S/U, no final exam

Reserved for rising and newly enrolled 'Iolani grade 9 students. This semester course combines three units: Art, Media Literacy, and an introduction to Leadership and Service Learning. The goal of Sequence 9 is to give students the opportunity to explore activities in these areas. Students rotate through the three units for content presentations and activities. This course fulfills the 'Iolani grade 9 Art/Media Literacy/iDept Sequence semester requirement.

SAT & ACT Prep Gr. 10-12

Time: 8:00 am-10:00 am

Price: \$655

6 weeks, 2 hours, no credit, S/U, no final exam

The 'Iolani SAT & ACT prep course focuses on preparing high school students for new digital versions of both of these college entrance exams. Students receive expert instruction on the evidence based reading, writing, math, and science sections of these tests, as well as practice with the soon-to-be digital formats. This course is ideal for soon-to-be sophomores and juniors who are not yet sure which college entrance exam they wish to take. Students will take multiple full-length practice exams, each producing a personal score report. Special features of the course include: (1) acquisition of skills necessary for improvement on these tests through in-depth official practice with ACT Online Prep; (2) digital score analysis feedback for tracking improvement; (3) an introductory college counseling session; and (4) a 2-hour review session in September before the fall testing season. There are no required textbooks for this course, but students must have a smart device (preferably an iPad or laptop, though a smartphone can work). Once registered, students will be asked to provide some academic information for class placement.

SAT Prep Gr. 10-12

Time: 10:30 am-12:30 pm

Price: \$375

3 weeks, 2 hours, no credit, S/U, no final exam

The 'Iolani SAT prep course focuses on preparing high school students to prepare for the new digital version of this college entrance exam. Students receive expert instruction on the evidence based reading, writing, and math sections as well as practice with the soon-to-be digital format. This course is ideal for soon-to-be sophomores and juniors who have sided with the SAT as their chosen college entrance exam. Most 'Iolani students elect this exam as they have become accustomed to the PSAT each year. As part of this course, students will take multiple full-length practice exams, each producing a personal score report, and two faculty instructors. Special features of the course include: (1) acquisition of skills necessary for improvement on

these tests through in-depth official practice with College Board and Khan Academy; (2) digital score analysis feedback for tracking improvement; (3) an introductory college counseling session; and (4) a 2-hour review session in September before the fall testing season. There are no required textbooks for this course, but students must have a smart device (preferably an iPad or laptop, though a smartphone can work). Once registered, students will be asked to provide some academic information for class placement.

Bible Gr. 11-12

Time: 8:00 am-10:00 am; 10:30 am-12:30 pm

Price: \$615

6 weeks, 2 hours, ½ credit, graded, 2-hour final exam

Reserved for current 'Iolani students. Textbooks required: please purchase at <https://bnck-12.com/iolani.htm> before the start of class. Students will be engaging the Bible as a primary text that represents two of the five main world religions. This will include authorship, historical context, basic theology, major characters, storylines, and various themes. The Bible and related readings will provide a basis for discussion, collaborative projects, and testing. This course fulfills the 'Iolani religion requirement.

» 21st Century Toolbox

Intro to Laser Cutting Gr. 7-9

Time: 8:00 am-10:00 am; 10:30 am-12:30 pm

Price: \$380

3 weeks, 2 hours, no credit, S/U, no final exam

Bridging art and technology, this course is an introduction to digital design specifically for laser -cutting. Students will work extensively with 2D software programs to design and create various laser-cut projects using a variety of materials in the Sullivan Center for Innovation and Leadership's Fabrication Lab. The class will begin by exploring graphic design and build their way up to visualizing how 2D pieces can come together to create 3D objects. Students will practice design thinking and develop the skills necessary to see an idea through from design to fabrication. Please enroll in session 1 or session 2, not both.

Mission to Mars Gr. 7-9

Time: 10:30 am-12:30 pm; 1:15 pm-3:15 pm

Price: \$355

SESSION 2 ONLY, 2 hours, no credit, S/U, no final exam

Let's plan a Mars mission! Students will plan a detailed mission to Mars including rockets, how to sustain life on another planet, and scientific goals unique to Mars! Students will engage in artistic endeavors exploring this mission such as poster designs, mock spacecraft designs, 3D creations, and more! Explore your creative, expressive side in this class while learning about the science behind a Mars mission.

Welcome 2 Robotics! Gr. 7-9

Time: 8:00 am-10:00 am; 10:30 am-12:30 pm

Price: \$380

3 weeks, 2 hours, no credit, S/U, no final exam

This course is a hands-on introduction to the challenge of the construction and programming of autonomous robots. It is a fun course for anyone wanting to be a part of the next generation of engineers and inventors with daily challenges and builds. Updated with the LEGO Mindstorms EV3 platform, students will be immersed in a project-based and collaborative learning environment, solving real world problems as they design, build and program working robots. Please enroll in session 1 or 2, not both.

Biomimicry: Sustainable Design & Innovation Gr. 7-9

Time: 1:15 pm-3:15 pm

Price: \$355

3 weeks, 2 hours, no credit, S/U, no final exam

Life has existed on planet Earth for 3.8 billion years—that's a lot of time for nature to innovate and adapt to a huge variety of challenges. Biomimicry is the practice of looking to nature to discover solutions to the problems we face. In this workshop, you will learn how biomimicry is helping to solve some of our greatest challenges, discover the functions and strategies nature uses to solve problems, and apply the biomimicry process to a real design challenge. You will learn to conceptualize a prototype design solution for your design challenge. If you are fascinated by nature and the world around you, or enjoy innovating and designing, this workshop is for you. Activities will include observing nature outdoors, discovering biological models, sketching designs, testing ideas and collaborative work in teams. Please enroll in session 1 or session 2, not both.

Introduction to Graphic Design Gr. 7-9

Time: 10:30 am-12:30 pm

Price: \$355

SESSION 2 ONLY, 2 hours, no credit, S/U, no final exam

This course dives into graphic design and equips students with an understanding of the elements of visual communication and the technical skills to create designs that give life and motion to their ideas. Students will learn the software used for print and digital design including Illustrator, Photoshop, and InDesign. Projects and areas of study in this course include design principles, color theory, typography, digital citizenship, branding, and advertising. Students will apply their skills in a variety of projects including creative personal pieces and real-world client work. The course will culminate with the creation of a portfolio of the student's creative works.

Programming in Python: The Snake That Doesn't Bite Gr. 7-12

Time: 1:15 pm-3:15 pm

Price: \$355

SESSION 2 ONLY, 2 hours, no credit, S/U, no final exam

Named after Monty Python's Flying Circus, the Python programming language is designed for readability, simplicity, and flexibility without sacrificing power. As such, it has quickly become one of the most popular languages in domains ranging from entrepreneurial web applications, scientific research, and artificial intelligence. In this course, you will learn the basics of Python (data types, control structures, loops, file manipulation, classes) along with fundamental programming principles. At this course's conclusion, you will have the opportunity to explore novel applications of Python through personal projects of your own design.

» 21st Century Toolbox

Think Like an Inventor Gr. 9-12

Time: 10:30 am-12:30 pm

Price: \$380

3 weeks, 2 hours, no credit, S/U, no final exam

Grounded in Industrial Design (product design) theory and methods, this summer course is all about teaching students to learn how to think like an inventor- think independently, think critically, and continue to think with childlike curiosity. Students will make a series of objects of their interest. One of the projects will include dissecting a hand-held product, identifying the parts and systems, and displaying it for the class to see. Please enroll in session 1 or session 2, not both.

Pathways to Community Leadership Gr. 9-12

Time: 10:30 am-12:30 pm

Price: \$355

SESSION 2 ONLY, 2 hours, no credit, S/U, no final exam

What matters to YOU? Do you care about protecting our environment, wildlife conservation, food insecurity, helping global youth living in poverty, education and health for all, human rights? Have you followed social movements on social media? Want to do more than just click like on an insta or tiktok feed to promote social justice? Learn to align your values and strengths to build power to create change. This course will introduce you to tools including grantmaking, grant writing and the art of public narrative—how to tell your story and connect it to an audience who will be empowered to take action. You will think deeply about your role in solving the problems we face as a society and your role as a youth changemaker. Travel virtually to visit nonprofit organizations and interact with global leaders on several continents. In a fun and interactive environment, students will learn strategies for personal leadership and community organizing. As a final project student teams will write a grant proposal for a Hawaii nonprofit and compete for a monetary grant award from Ananda Fund Hawaii.

New Sport for Health + Fitness Gr. 9-12

Time: 1:15 pm-3:15 pm

Price: \$380

3 weeks, 2 hours, no credit, S/U, no final exam

Grounded in Industrial Design (product design) theory and methods, this summer course will focus on designing a new sport for health and fun with a focus on playground sports and racket sports. Students will play and review existing playground and racket sports before designing the new sport: 4-square, pickleball, badminton, and Ping-Pong. To research and design the playground sports, students will be spending some time outdoors. Please enroll in session 1 or session 2, not both.

» Meal Plan

- » Meal Plan provides students one Type A hot lunch only per day (Session 1 and Session 2 available)
- » Cafeteria lunch must be purchased using the Meal Plan; no cash will be accepted
- » Meal Plan MUST be purchased on the Registration Portal, open until Thursday, May 11, 2023
- » Meal Plan refunds will incur a \$25.00 processing fee up through Thursday, May 11, 2023
- » No Meal Plan refunds will be issued starting Friday, May 12, 2023
- » Meal Plan will not be refunded nor accepted during the regular school year. Regular 'Iolani school year meal cards are not valid during Summer Programs.
- » Entering grade 7-12 students with Meal Plans will pick up lunch from the Student Center. Lunch rosters will be posted to confirm distribution.
- » Snack Bars will be open for cash purchases during lunch
- » No meal service will be provided during Auxiliary weeks
